## **Independent Auditors' Report**

**The Plan Administrator**

**Premier Surgical Associates, PLLC 401(k) Profit Sharing Plan:**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Premier Surgical Associates, PLLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Other Matter - Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by a qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to the Financial Statements

December 31, 2021 and 2020

### (1) Description of plan

The following description of the Premier Surgical Associates, PLLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of Premier Surgical Associates, PLLC (the "Plan Sponsor"). The Plan covers substantially all employees who are age twenty-one or older and have completed one year of service (the "participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### (b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which may be Roth deferrals or pre-tax deferrals deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation not to exceed the maximum annual amount as determined by the IRC.

The Plan automatically enrolls new participants at a deferral rate of 2%, unless the employee elects to not participate in the Plan or elects otherwise. Each enrolled employee's deferral percentage will automatically increase by 1% each year, to a maximum of 5% unless the employee elects otherwise.

The Plan Sponsor may elect to make annual discretionary matching or other contributions to the Plan. During calendar year 2021 and January through March 2020 the Plan Sponsor contributed an amount equal to 63.6% and 60.8% of employee contributions, limited to 6.72% and 6.84% of eligible compensation, respectively. No such contribution was made for April through December 2020. In addition, the Plan Sponsor made a discretionary profit sharing contribution of \$757,871 and \$1,032,063 in 2021 and 2020, respectively. Total contributions to the Plan for the year for each employee, as determined above, may not exceed a maximum amount set annually by law.

## Notes to the Financial Statements

December 31, 2021 and 2020

(c) Participant accounts

Each participant's account is credited with the Plan Sponsor's contributions as calculated above and participants' contributions. Each participant's account is credited or charged with the actual investment earnings (losses) of the investment options selected by the participant and an allocation of administrative expenses. Allocations of administrative expenses and discretionary profit sharing contributions are based on participant's compensation or account balances as defined in the plan agreement. Participants can change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their elective salary deferral plus actual earnings (losses) thereon. A participant is also 100% vested in the Plan Sponsor's contributions after six years of credited service according to the following schedule:

| <u>Years of Service</u> | <u>Percentage Vested</u> |
|-------------------------|--------------------------|
| One year                | -                        |
| Two years               | 20%                      |
| Three years             | 40%                      |
| Four years              | 60%                      |
| Five years              | 80%                      |
| Six years               | 100%                     |

Participants may also become 100% vested upon full or partial termination of the Plan, or in one of the following ways, if incurred while employed: (1) death, (2) disability, or (3) reaching normal retirement age of 62.

(e) Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their non-forfeitable account balance. The notes receivable from participants are secured by the balance in the participant's vested account and bear interest at fixed rates ranging from 4.25% to 6.50%, which is commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are collected ratably through payroll deductions.

**PREMIER SURGICAL ASSOCIATES, PLLC 401(K) PROFIT SHARING PLAN**

**Notes to the Financial Statements**

**December 31, 2021 and 2020**

**(f) Payment of benefits**

Upon termination of employment, a participant with a vested account balance exceeding \$1,000 may elect to receive a single lump-sum payment in cash, installments over a specified period, or Ad-Hoc distributions equal to his or her vested account balance; however, for vested account balances not exceeding \$1,000, a participant will be paid the vested account balance as a single lump-sum payment in cash. If a participant were to die while still employed, then 100% of his or her account balance would be provided to the beneficiary as a death benefit. If the death benefit exceeds \$1,000, the beneficiary may elect to receive a single lump-sum payment in cash, annual installments at least equal to the required minimum distribution amount or Ad-Hoc distributions; however, if the death benefit does not exceed \$1,000, then the death benefit may only be paid as a lump sum.

**(g) Forfeited accounts**

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts and actual earnings (losses) thereon. Such forfeitures reduce the Plan Sponsor's contributions to the Plan. At December 31, 2021 and 2020, respectively, forfeited nonvested accounts totaled \$24,943 and \$144,509. These accounts will be used to reduce future Plan Sponsor contributions. Also, in 2021 and 2020, Plan Sponsor contributions were reduced by \$131,688 and \$91,709, respectively, from forfeited nonvested accounts.

**(h) Hardship withdrawals**

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's fully vested elective account balance.

**(i) Administrative expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to administration, investment management services or recordkeeping are paid from the assets of the Plan and are charged directly to the participants accounts and are included in administrative expenses. Fees for notes receivable from participants are charged against the applicable participants' accounts.

**(j) Plan termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to the Financial Statements

December 31, 2021 and 2020

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are classified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2021 and September 8, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(4) Fair value measurements

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, fair value accounting standards establish a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity including quoted market prices in active markets for identical assets (Level 1), or significant other observable inputs (Level 2) and the reporting entity's own assumptions about market participant assumptions (Level 3).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- (i) *Money market funds*: Valued at the net asset value ("NAV") of shares held by the Plan at year end in an active market.
- (ii) *Common stocks*: Valued at the closing price reported on the active market on which the individual securities are traded.
- (iii) *Mutual funds*: Valued at the NAV of shares held by the Plan at year end in an active market.
- (iv) *Exchange-traded funds*: Valued at the closing price reported on the active market on which the individual securities are traded.

## Notes to the Financial Statements

December 31, 2021 and 2020

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The self-directed accounts have been included in their respective categories based on the underlying investments held in the separate brokerage accounts.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to the Financial Statements

December 31, 2021 and 2020

The following table summarizes investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no plan level or participant redemption restrictions for these investments.

(5) Excess contributions

Contributions received from participants and the Plan Sponsor for 2021 are net of payments of \$19,253 and \$20,638, respectively, made in 2022 to certain active participants to return to them excess deferral, matching and profit sharing contributions, as required to satisfy the relevant nondiscrimination provisions of the Plan.

(6) Income tax status

The Plan Sponsor adopted a volume submitter profit sharing plan ("Volume Submitter"), which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the form of the Volume Submitter is acceptable under the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since the Volume Submitter received the opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and is therefore, qualified and exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related party and party-in-interest transactions

As described in Note (1), the Plan paid expenses to various service providers which qualify as party-in-interest transactions. The Plan holds notes receivable from participants which also qualify as party-in-interest transactions.

**(8) Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
