Part I Service Provider Information (continued)

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and participants
Gables Residential Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of the Gables Residential Services, Inc. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of the Gables Residential Services, Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document or summary plan description, both of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan sponsored by the Company for the benefit of all employees who have three consecutive months of service (if the employee has worked at least 250 hours in that time frame), are at least eighteen years of age, and are not excluded by certain provisions outlined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administration - Massachusetts Mutual Life Insurance Company ("Mass Mutual") served as the Plan's record keeper and custodian under the Plan's group annuity contract. Mass Mutual entered into a trust agreement with Reliance Trust Company ("Reliance") to act as trustee for certain investments. Effective December 31, 2020, Empower Retirement, LLC ("Empower") acquired the retirement business of Mass Mutual. Following an initial transition period, Empower became the sole administrator of this business. An affiliate of Empower, Great-West Life & Annuity Insurance Company ("Great-West"), has been granted a power of attorney over the group annuity contract issued by Mass Mutual. Empower prepared the statements and documents on behalf of Reliance as of December 31, 2021 and 2020. The Plan has adopted Mass Mutual's Defined Contribution Volume Submitter Plan and Trust.

Plan amendments - In December 2019, the Setting Every Community Up for Retirement Enhancement (SECURE Act) was signed into law, related to required minimum distributions and the limitation of life-time or stretch distributions to remain compliant under the applicable laws and regulations. These provisions became effective on January 1, 2020.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security Act" (the "CARES Act") was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants.

The Plan's management has evaluated the temporary relief provisions available to the Plan's participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increased the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extended the period for loan repayments, if applicable, up to one year.

The Plan will be amended for the provisions implemented under the CARES Act by the time prescribed.

Effective June 1, 2020, the Plan was amended to exclude employees classified as consultants from being eligible for participation in the Plan.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Plan amendments (continued)

Effective August 1, 2020, the Plan will no longer credit service from any new predecessor company and will no longer credit service for any former employee of Milestone who has not already been granted predecessor service.

Contributions - Participants may contribute up to 50% of their pretax annual compensation, as defined in the plan document, and/or make Roth 401(k) deferrals to the Plan without exceeding the maximum annual amount allowed by the Internal Revenue Code (the "Code"). The Plan calls for automatic deferrals of employees' eligible compensation upon reaching eligibility for participation in the Plan, unless the employee affirmatively elects not to contribute or makes a different election. The Plan allows participants to make changes to their deferral elections on any day of the year.

Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the plan document.

Under the provisions of the plan document, the Company may make discretionary matching contributions. During the years ended December 31, 2021 and 2020, the Company made discretionary matching contributions in the amount of 50% of the first 6% of compensation that each participant contributed into the Plan. The Company's discretionary matching contributions applicable to the years ended December 31, 2021 and 2020 aggregated \$1,808,394 and \$1,763,845, respectively, and were invested in accordance with each participant's own investment elections. These contribution totals are prior to offsetting forfeitures which are described below.

The Company may elect annually to make discretionary contributions in addition to matching contributions. Discretionary contributions are allocated to eligible participants in accordance with a permitted disparity allocation taking the social security taxable wage base into consideration in the allocation formula, as more fully described in the plan document. No such discretionary contributions were made during the years ended December 31, 2021 and 2020.

All participant and Company contributions are subject to certain limitations prescribed by the Code.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common collective trust funds, and a guaranteed investment contract as investment options for participants. The plan administrator and the Plan's Investment Committee determine the appropriateness of the Plan's investment offerings and monitor investment performance.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Participant accounts - Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from his/her vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of service. A participant is 100% vested after three years of credited service or in the event of death, disability, or attainment of the Plan's normal retirement age, all as defined in the plan document.

Forfeitures - At December 31, 2021 and 2020, forfeited nonvested accounts, including approximately \$15,000 and \$14,000 in investment earnings on such balances in 2021 and 2020, respectively, totaled approximately \$241,000 and \$525,000, respectively. Forfeitures during the years ended December 31, 2021 and 2020 amounted to approximately \$203,000 and \$233,000, respectively. These accounts may be used to reduce future Company contributions or to pay for the Plan's administrative expenses. Company contributions applicable to the years ended December 31, 2021 and 2020 were reduced by \$480,000 and \$2,746, respectively, from forfeited nonvested accounts. Expenses totaling approximately \$21,000 were paid from forfeitures during the years ended December 31, 2021 and 2020.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% (\$100,000 or 100% for notes initiated under the provisions of the CARES Act) of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions or may be paid directly by the participant. All notes have a definite repayment period not to exceed five years, unless the note is for the purchase of a primary residence, in which case the repayment period may extend to ten years. Under the provisions of the CARES Act, note repayments for a COVID-19 qualified individual may be delayed for up to one year. Participants may not have more than one note outstanding at any time.

Payment of benefits - On termination of service due to death, disability, retirement, or qualifying under certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS"), or for other reasons as outlined in the plan document, a participant may elect to receive distributions from the Plan. Distributions of \$5,000 or less are to be made in a single lump-sum payment. Distributions in excess of \$5,000 may be in the form of partial lump-sum payments or in installments. Participants may also receive in-service distributions upon reaching the age of 59½.

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Payment of benefits (continued)

Under the CARES Act, eligible participants may request special penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. These reasons include the participant, spouse, or dependent being diagnosed with COVID-19, as well as various adverse financial consequences, as outlined in the CARES Act, that are caused by the COVID-19 pandemic. Early withdrawal penalties are waived for these coronavirus-related distributions.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are recorded at fair value (except for the guaranteed investment contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee and custodian of the Plan. See Note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses, are expensed when incurred, and are charged directly to the participant's account. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of benefits - Benefits are recorded when paid.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Administrative expenses - Certain recordkeeping and other expenses have been paid for by the Plan and have been recorded as administrative expenses on the statements of changes in net assets available for benefits. Investment related expenses are included in net appreciation in fair value of investments. Other expenses of the Plan have been paid for by the Company and are not included on the statements of changes in net assets available for benefits.

Recent accounting pronouncement - In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement – Disclosure Framework (Topic 820)*. The updated guidance improves the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years beginning after December 15, 2019. In 2020, the Plan adopted ASU 2018-13, which did not have a material impact on the Plan's financial statements.

(3) Information certified by the Plan's trustee and custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance and Empower (by Great-West pursuant to a power of attorney granted by Mass Mutual), the trustee and custodian of the Plan, respectively, have certified that the following data included on the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments at fair value and contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methodologies described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes that these valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of these financial instruments could result in different fair value measurements at the reporting date.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(4) Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 25,024,779	\$ -	\$ -	\$ 25,024,779
Total assets in the fair value hierarchy	\$ 25,024,779	\$ -	\$ -	25,024,779
Investments measured at NAV practical expedient *				67,537,046
				<u>\$ 92,561,825</u>

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,860,436	\$ -	\$ -	\$ 31,860,436
Total assets in the fair value hierarchy	\$ 31,860,436	\$ -	\$ -	31,860,436
Investments measured at NAV practical expedient *				47,890,856
				<u>\$ 79,751,292</u>

* In accordance with Subtopic 820-10, the common/collective trust funds, which are valued at NAV, have not been classified in the fair value hierarchy. The fair value amounts presented in the preceding tables are intended to permit a reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits. The common/collective trust funds included in the tables above are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there are no unfunded commitments.

(5) Guaranteed investment contract

The Plan has a fully benefit-responsive guaranteed investment contract with Mass Mutual, which was assumed by Empower when it acquired the Mass Mutual's retirement business on December 31, 2020. The contributions are maintained in a separate account with a general account guarantee. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(5) Guaranteed investment contract (continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not necessarily limited to, the following: (1) amendments to the plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the Plan's participants are probable of occurring.

(6) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at anytime and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in the Company's contributions.

(7) Tax status

The IRS has determined that the Mass Mutual non-standardized prototype plan adopted by the Company is designed in accordance with the applicable sections of the Code and informed Mass Mutual of such in a letter dated March 31, 2014. Although the Plan has been amended since the date of this letter, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(8) Related party transactions and party-in-interest transactions

The Plan's investment assets were managed by Mass Mutual until December 31, 2020 after which Empower acquired the retirement business of Mass Mutual and took over the management of the Plan's investment assets. Additionally, a certain investment is in the custody of Empower and Empower also provides recordkeeping services to the Plan. Transactions with Mass Mutual and Empower qualify as party-in-interest transactions. Reliance is a trustee, as defined by the Plan, and therefore, transactions with Reliance qualify as party-in-interest.

Administrative expenses paid by the Plan to service providers, aggregated \$294,657 and \$280,938 for the years ended December 31, 2021 and 2020, respectively. Certain other fees incurred by the Plan are included in net appreciation in fair value of investments as they are paid through revenue sharing, rather than as a direct payment. The Company pays directly any other fees related to the Plan's operations.

(9) Risks, uncertainties, and concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

At December 31, 2021, approximately 35% of the Plan's investments were invested in three funds. At December 31, 2020, approximately 37% of the Plan's investments were invested in three funds.

(10) Reconciliation of financial statements to Schedule H of Form 5500

Certain income and expense line items reported on Schedule H of Form 5500 for the years ended December 31, 2021 and 2020 have been reclassified on the accompanying statements of changes in net assets available for benefits. These reclassifications have no impact on net assets available for benefits at December 31, 2021 and 2020, or changes in net assets available for benefits for the years then ended.

(11) Subsequent events

Effective May 1, 2022, the Plan has been amended and restated. The Company believes the amended and restated Plan is in compliance with applicable ERISA and Code requirements.

GABLES RESIDENTIAL SERVICES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(11) Subsequent events (continued)

The Plan's management has evaluated subsequent events through September 19, 2022, which is the date the financial statements were available to be issued. Other than as disclosed above, no significant matters were identified for disclosure during this evaluation.
