INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of
Flagship Trading Corp Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Flagship Trading Corp Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Flagship Trading Corp Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Flagship Trading Corp Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Flagship Trading Corp Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Flagship Trading Corp Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedules of Delinquent Participant Contributions and Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Flagship Trading Corp Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FLAGSHIP TRADING CORP PROFIT SHARING AND 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Flagship Trading Corp Profit Sharing and 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all full-time employees of Flagship Trading Corporation dba Manufacturers Wholesale Lumber Co., Troymill Manufacturing, Inc. dba Troymill Wood Products, Inc., CM Workforce Services, LLC, Appalachian Pallet & Precut, LLC, and Troymill Management, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: To be eligible to participate in the Plan, an employee must be 18 years of age or older, and have completed one year of service (including a minimum of 1,000 hours worked). Employees whose employment is covered by a collective bargaining agreement or who are leased employees are not eligible to participate in the Plan. Employees may enter the Plan on the first day of the quarter after meeting the age and service requirements.

Contributions: Participants may make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement, of up to 100% of their compensation, subject to IRS limitations for the Plan year. Plan participants over the age of 50 are also permitted to make additional pre-tax and Roth catch-up contributions up to a maximum of \$6,500 in 2021. The Plan also permits rollover contributions from other qualified pre-tax retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan.

The Company may make discretionary safe harbor contributions and other discretionary contributions. Discretionary safe harbor contributions are equal to 3% of Plan compensation for all eligible employees, subject to IRS limitations. Discretionary safe harbor contributions made by the Company totaled \$244,668 and \$221,204 for the Plan years ended December 31, 2021 and 2020, respectively, which are included in employer contribution receivables on the accompanying statements of net assets available for benefits. Other discretionary contributions, if any, may be made for each Plan year in an amount determined by the Company and are generally allocated to each eligible employee who has at least 1,000 hours of service during the Plan year. Other discretionary contributions made by the Company totaled \$170,000 and \$132,000 for the Plan years ended December 31, 2021 and 2020, respectively, which are included in employer contribution receivables on the accompanying statements of net assets available for benefits.

Participant accounts: Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's discretionary contributions, and (b) plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be drawn from the participant's vested account at the time the loan is obtained.

Vesting: Participants are immediately vested in their voluntary contributions and in the Company's safe harbor contributions, plus actual earnings thereon. Vesting in the Company's other discretionary contributions, if any, is based on years of continuous service with the Company.

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant notes receivable: The Plan allows participants to obtain loans from the Plan. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of \$50,000 or 50% of the participant's account balance with a minimum of \$1,000, the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, and the loans are secured by the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or to receive the amount by means of certain annuity options, as defined in the Plan. For termination of service due to other reasons, a participant can elect to receive the value of the vested interest in his or her account as a lump-sum distribution or in partial withdrawals. Lump-sum distributions are required if the vested balance is \$5,000 or less. Any account with a vested balance greater than \$1,000, but less than \$5,000, will be automatically rolled into an IRA in a direct rollover if the participant has not reached the age of 65 and has not made an election to have the vested account paid in a lump sum or rolled into another qualified retirement plan. Any account with a vested balance less than \$1,000 will be automatically distributed directly to the participant. The Plan permits in-service withdrawals for participants who have attained age 59½. In the case of hardship, a participant may apply for a distribution as described in the Plan agreement.

Forfeited accounts: Forfeitures of qualified non-elective contributions are to be used to reduce employer contributions and will be allocated to the participants' accounts in the same manner as contributions. There were no forfeitures during 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Participant notes receivable: Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Investment valuation and income recognition: Certain Plan investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of investments, including gains or losses, are recorded on a trade-date basis. Interest income is recorded when earned, and dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

Administrative expenses: Substantially all administrative expenses are paid by the Plan, unless otherwise paid for by the Company, and are included in the statement of changes in net assets available for benefits.

Subsequent events: In preparing these financial statements, management has evaluated events and transactions for potential recognition or disclosure through September 16, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- e) If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

1. Mutual funds (Registered investment companies): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively-traded.
2. Investments measured at net asset value: The T. Rowe Price Stable Value Fund is a common/collective trust fund composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments relating to this type of investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,941,648	\$ -	\$ -	\$ 4,941,648
Total assets in the fair value hierarchy	4,941,648	-	-	4,941,648
Investments measured at net asset value ^(a)	-	-	-	103,066
Investments at fair value	\$ 4,941,648	\$ -	\$ -	\$ 5,044,714

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,920,817	\$ -	\$ -	\$ 3,920,817
Total assets in the fair value hierarchy	3,920,817	-	-	3,920,817
Investments measured at net asset value ^(a)	-	-	-	70,788
Investments at fair value	\$ 3,920,817	\$ -	\$ -	\$ 3,991,605

- (a) Certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

There were no Level 3 assets and no transfers between Levels 1 and 2 in 2021 and 2020.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan had adopted an Internal Revenue Service approved prototype plan. The prototype plan received a favorable opinion letter from the IRS that it qualifies under IRS Code section 401(a), provided all terms of the Plan are followed. The Plan has been amended since adopting the prototype plan. However, the plan administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective January 1, 2022, the Plan adopted a Non-standardized Pre-Approved Profit Sharing Plan document on which the Internal Revenue Service has issued an opinion letter dated June 30, 2020 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since issuance of the most recent opinion letter. Although the Plan has not received a determination letter specific to the Plan itself, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

In accordance with 28 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditors' examination with regard to statements or information prepared and certified by PNC Bank, National Association, the trustee. The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	2021	2020
Net assets available for benefits:		
Investments, at fair value	\$ 5,044,714	\$ 3,991,605
Participant notes receivable	18,036	21,356
	<u>\$ 5,062,750</u>	<u>\$ 4,012,961</u>
Additions to (deductions from) net assets:		
Interest and dividends	\$ 523,289	
Net appreciation in fair value of investments	31,502	
Interest income on participant notes receivable	1,002	

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 7 – PROHIBITED TRANSACTIONS

During 2020, the Company failed to remit certain participant contributions to the trustee on a timely basis, as defined by the Department of Labor's Rules and Regulations under ERISA. Such contributions totaled \$8,546 for the year ended December 31, 2020, and are included in the Schedule of Delinquent Participant Contributions. Late remittances were remitted to the Plan in January 2021. Lost earnings related to the late remittances were calculated and remitted to participant accounts in January 2021, September 2021, and April 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully-vested in their employer contributions.

NOTE 10 – SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan Trustee was changed to Newport Trust Company c/o Newport Group, Inc. Accordingly, a new plan document was adopted which did not result in any significant changes to the Plan's provisions.
