INDEPENDENT AUDITORS' REPORT

To the Plan Administrator

H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.H. Brown Shoe Company's Inc. 401(k) Plan for Wholesale Employees ability to continue as a going concern for December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.H. Brown Shoe Company's, Inc. 401(k) Plan for Wholesale Employees internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.H. Brown Shoe Company's, Inc. 401(k) Plan for Wholesale Employees ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain

sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

H.H. BROWN SHOE COMPANY, INC. 401(k) PLAN FOR WHOLESALE EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

GENERAL INFORMATION

The Plan is a defined contribution plan that was established January 1, 1989 and restated as of January 1, 2016. The Plan covers full time non-union and non-retail employees of H.H. Brown Shoe Company, Inc. and affiliated companies (the “Company” or “Employer”) who have at least one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company’s Retirement Plan Committee is responsible for oversight of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Effective January 1, 2021 Empower Retirement (Empower) acquired the Massachusetts Mutual Life Insurance Company’s (MassMutual) retirement business. Through this transaction, business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company. Effective November 13, 2021 a platform transition occurred from MassMutual to Empower. Empower is the Plan’s record-keeper and Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, are the Plan’s custodians.

Effective January 1, 2022 the Plan merged into the H.H. Brown Shoe Company 401(k) Plan for Retail Employees (Retail Plan) and as a result, all assets of the Plan were transferred to the Retail Plan as of December 31, 2021.

CONTRIBUTIONS

Prior to December 31, 2021, all eligible employees who did not affirmatively elect not to contribute or have a specific amount contributed to the Plan would automatically have their eligible compensation reduced by three percent as a contribution to the Plan invested in a predetermined account. The automatic contribution increased by two percent annually unless chosen not to, subject to a maximum of six percent of the eligible employee’s compensation. As of January 1, 2016, a one-time automatic enrollment solicitation was added to the Plan for current participants who did not enter into a salary deferral election that was at least equal to the automatic deferral amount would be solicited for automatic enrollment at 3%. In addition, effective May 1, 2018, an automatic deferral increase (“ADI”) feature of 2% increments up to a maximum of 10% was added to the existing automatic contribution arrangement under the Plan. This feature would also apply to current participants with a deferral percentage between 1% and 5%, unless they opted out.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The ADI provision would apply to current participants that had a deferral election between 1% and 9% of compensation as of March 16, 2018. Between March 16, 2018 and April 30, 2018, impacted participants could opt out of the ADI provision.

Participants could elect to make voluntary contributions to the Plan by means of a salary deferral agreement. Each year, participants could elect to defer up to 80 percent of their compensation, as defined in the Plan. Prior to December 31, 2021, the Company made matching contributions of 50 percent on the first 6 percent of a participant's salary deferral. Participants who have attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans (rollovers). Participants directed the investment of their contributions into pooled separate accounts, mutual funds or the guaranteed investment contract offered by the Plan. There were no non-participant directed investments in the Plan. Contributions were subject to certain Internal Revenue Service ("IRS") limitations.

PARTICIPANTS' ACCOUNTS

Prior to December 31, 2021, each participant's account was credited with the participant's contribution, the Company's matching contribution and actual Plan earnings. Participant accounts were charged with an allocation of administrative expenses that are paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

VESTING

Prior to December 31, 2021, participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of credited service. A participant was 100 percent vested after six years of credited service.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Prior to December 31, 2021, the Company could, at its discretion, make loans to participants on a reasonably equivalent basis that shall bear a reasonable rate of interest and shall provide for repayment over a reasonable period of time, generally not to exceed five years. The notes were secured by the balance in the participant's account and bore interest at rates that ranged from 4.25% to 6.50%. The note interest rate was set at the prime rate plus 1%. Under the terms of the Plan, participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance.

Each participant was limited to two loans outstanding at one time. Principal and interest was paid ratably through payroll deductions.

In response to the COVID-19 pandemic, the CARES Act was signed into law on March 27, 2020. Section 2202 of the CARES Act provisions impact the Plan, participants, and the Company. The CARES Act increased the maximum limits for new loans made between March 27, 2020 to December 31, 2020 to the lesser of \$100,000 or 100% of qualified participant's vested account balance. The first payment date on a new loan was deferred up to one year. Qualified participants with an outstanding loan (meaning a loan taken before the CARES Act was enacted) that had a repayment due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest would continue to accrue on these delayed payments. The term of the loan would be extended by the length of the deferment period.

The voluntary adoption of this provision by the Plan was effective March 27, 2020.

FORFEITED ACCOUNTS

Prior to December 31, 2021, forfeited amounts were first used to pay any Plan expenses. If any forfeitures remained after paying Plan expenses, such forfeited amounts would be used to offset Company contributions under the Plan for the plan year in which the forfeiture occurred. At December 31, 2021 and 2020 there were no unused forfeited non-vested accounts. In 2021, Plan expenses were reduced by \$11,694 from forfeited non-vested accounts.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS AND WITHDRAWALS

Prior to December 31, 2021, on termination of service due to death, disability, retirement or other reasons, a participant (or a participant's beneficiary, in event of death) could elect to receive the balance in his or her account either in the form of a lump sum equal to the value of the participant's vested interest in his or her account, or installments over a designated period not to exceed the life expectancy of the participant or the participant and his or her designated beneficiary.

HARDSHIP WITHDRAWALS

Prior to December 31, 2021, except from rollover contributions, the Plan did not allow participants to make hardship withdrawals.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting.

Prior to December 31, 2021, investment contracts held by a defined contribution plan were required to be reported at fair value, except for fully benefit-responsive investment contracts which were reported at contract value. Contract value was the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value was the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

INVESTMENT VALUATION AND INCOME RECOGNITION

Prior to December 31, 2021, investments were reported at fair value (except for the fully benefit-responsive investment contract, which was reported at contract value). Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Retirement Plan Committee determined the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. The Plan presented in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments in pooled separate accounts and mutual funds, which consist of the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Prior to December 31, 2021, notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

ADMINISTRATIVE EXPENSES

Prior to December 31, 2021, certain expenses of maintaining the Plan were paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company were excluded from these financial statements. Investment related expenses were included in net appreciation of fair value of investments in pooled separate accounts and mutual funds.

PAYMENT OF BENEFITS

Prior to December 31, 2021, benefits were recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the assets or liabilities.

Prior to December 31, 2021, the asset or liability's fair value measurement level within the fair value hierarchy was based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in methodology used at December 31, 2021 and 2020.

Prior to December 31, 2021, mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Prior to December 31, 2021, pooled separate accounts were valued at the closing prices at NAV of shares held by the Plan at year-end. The NAV was used as a practical expedient to estimate fair value. This practical expedient was not used when it was determined to be probable that the pooled separate account would sell the investment for an amount different than the reported NAV. Each plan's share of a pooled separate account was determined on a participation-unit. The Plan's equity account provided a cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The balance of participation units credited to the account multiplied by the current participation-unit value equaled the amount of equity account assets held on behalf of the policyholder at any given time. The participation-unit value was adjusted periodically, usually each business day, to reflect investment results under the separate account.

As of December 31, 2021 and 2020, there were no unfunded commitments related to the pooled separate accounts. The pooled separate accounts could be redeemed on a daily basis with no redemption restrictions.

In accordance with Topic 820, the Plan's investments in pooled separate accounts and in a guaranteed investment contract have not been classified in the fair value hierarchy table.

For the year ended December 31, 2021, there were no transfers in our out of levels 1, 2 or 3.

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of mutual funds, net appreciation in fair value of investments in pooled separate accounts, interest income on notes receivable from participants and, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan and MassMutual and Reliance Trust Company, the custodians of the Plan as of December 31, 2020. This information has not been audited by the Plan's independent auditors.

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

Prior to December 31, 2021, the Plan entered into a fully benefit-responsive group annuity insurance contract (the Contract) with MassMutual. MassMutual maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MassMutual was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Effective January 1, 2021, the administration of this contract has been taken over by Empower (See Note 1).

H.H. BROWN SHOE COMPANY, INC. 401(k) PLAN FOR WHOLESALE EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 – GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Because the Contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract.

Contract value represented contributions and reinvested income, less any withdrawals and expenses, plus accrued interest, because these investments have fully benefit-responsive features. Under certain conditions, participants could receive less than the contract value of their accounts invested in the investment contract, as determined by MassMutual. Participants could ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There were no reserves against contract value for credit risk of MassMutual or otherwise. The crediting interest rate was based on a formula agreed upon with MassMutual. Such interest rates were reviewed on a monthly basis for resetting. For this Contract, the average yield earned by the Plan, and credited to participants was 3.00 percent and 3.45 percent for 2021 and 2020, respectively.

The Contract did not specify any events that would limit the ability of the Plan to transact a contract value with MassMutual or any events which would allow MassMutual to terminate the Contract and settle for an amount different from the contract value.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Prior to December 31, 2021, certain Plan investments were shares of funds managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians. For 2020, certain Plan investments were shares of funds managed by MassMutual and Reliance Trust Company, the custodians. These entities were the custodians, as defined by the Plan and, therefore, these transactions qualified as party-in-interest transactions. The Plan allowed participants to take loans against their account balances, which also qualified as exempt party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 7 – TAX STATUS

Prior to December 31, 2021, the underlying standardized prototype plan received an opinion letter from the Internal Revenue Service dated March 31, 2014 stating that the written form of the underlying prototype document was qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan would be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust was tax-exempt. Once qualified, the Plan was required to operate in conformity with the Code to maintain its qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more-likely-than not would not be sustained upon examination by the applicable taxing authorities. For 2021 and 2020, no uncertain tax positions were taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

Prior to December 31, 2021, the Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market and credit risks. Market risks included global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 26, 2022, which is the date the financial statements were available to be issued. Except as disclosed in Note 1, there were no other events identified that required recognition or disclosure in these financial statements.
