INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
H.H. Brown Shoe Company 401(k) Plan for Retail Employees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the H.H. Brown Shoe Company 401(k) Plan for Retail Employees, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of H.H. Brown Shoe Company 401(k) Plan for Retail Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.H. Brown Shoe Company's 401(k) Plan for Retail Employees ability to continue as a going concern for December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.H. Brown Shoe Company's 401(k) Plan for Retail Employees internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.H. Brown Shoe Company's 401(k) Plan for Retail Employees ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other

than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of H.H. Brown Shoe Company 401(k) Plan for Retail Employees. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

H.H. BROWN SHOE COMPANY 401(k) PLAN FOR RETAIL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the H. H. Brown Shoe Company 401(k) Plan for Retail Employees (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

GENERAL INFORMATION

The Plan is a defined contribution plan that was established November 1, 1987 and restated as of January 1, 2015. The Plan covers full time non-union, retail employees of H. H. Brown Shoe Company, Inc. and affiliated companies (the “Company” or “Employer”) who have at least three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company’s Retirement Plan Committee is responsible for oversight of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Effective January 1, 2021 Empower Retirement (Empower) acquired the Massachusetts Mutual Life Insurance Company’s (MassMutual) retirement business. Through this transaction, business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company. Effective November 13, 2021 a platform transition occurred from MassMutual to Empower. Empower is the Plan’s record-keeper and Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, are the Plan’s custodians.

Effective December 31, 2021, assets of the H.H. Brown Shoe Company, Inc. 401(k) Plan for Wholesale Employees in the amount of \$80,685,896 were transferred to the Plan. Additionally, effective January 1, 2022, the Plan was amended to change its name to BH Shoe Holdings, Inc. Investment and Retirement Plan (401(k) Plan for Non Union Employees). Also, effective January 1, 2022, the Justin Brands, Inc. 401(k) Savings Plan merged into the Plan.

CONTRIBUTIONS

All eligible employees who do not affirmatively elect not to contribute or have a specific amount contributed to the Plan will automatically have their eligible compensation reduced by three percent as a contribution to the Plan invested in a predetermined account under the Qualified Automatic Contribution Arrangement (“QACA”). The automatic contribution increases by one percent annually unless chosen not to, subject to a maximum of six percent (ten percent effective September 1, 2021) of the eligible employee’s compensation.

Participants may elect to make voluntary contributions to the Plan by means of a salary deferral agreement. Each year, participants may elect to defer up to 50 percent of their compensation (80 percent effective September 1, 2021), as defined in the Plan. The Company makes safe harbor matching contributions of 100 percent of salary deferrals up to the first one percent of a participant’s compensation, and then 50 percent on the additional salary deferrals up to the

next five percent of the participant's compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Additionally, participants may elect one of several available options of investing in a guaranteed investment contract, mutual funds or pooled separate accounts. There are no non-participant directed investments in the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of credited service. Upon amending this Plan to a safe harbor plan as of January 1, 2012, Company matching contributions made through this date were frozen, and no additional contributions were made. Participants are 100 percent vested in the frozen matching contributions after six years of credited service. However, all safe harbor matching contributions made by the Company subject to the QACA become fully vested safe harbor contributions after two full years of credited service.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their Company contributions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The Company may, at its discretion, make loans to participants on a reasonably equivalent basis that shall bear a reasonable rate of interest and shall provide for repayment over a reasonable period of time, generally not to exceed five years. The notes are secured by the balance in the participant's account and bear interest at rates of 4.25% to 6.50%. The note interest rate is set at the prime rate plus 1%. Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Each participant is limited to two loans outstanding at one time. Principal and interest is paid ratably through payroll deductions.

In response to the COVID-19 pandemic, the CARES Act was signed into law on March 27, 2020. Section 2202 of the CARES Act provisions impact the Plan, participants, and the Company. The CARES Act increased the maximum limits for new loans made between March 27, 2020 to December 31, 2020 to the lesser of \$100,000 or 100% of qualified participant's vested account balance. The first payment date on a new loan was deferred up to one year. Qualified participants with an outstanding loan (meaning a loan taken before the CARES Act was enacted) that had a repayment due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest would continue to accrue on these delayed payments. The term of the loan would be extended by the length of the deferment period.

The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

FORFEITED ACCOUNTS

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$124,974 and \$0, respectively. In 2021, Plan expenses were reduced by \$1,788 from forfeited non-vested accounts.

PAYMENT OF BENEFITS AND WITHDRAWALS

On termination of service due to death, disability, retirement or other reasons, a participant (or a participant's beneficiary, in event of death) may elect to receive the balance in his or her account either in the form of a lump sum equal to the value of the participant's vested interest in his or her account, or installments over a designated period not to exceed the life expectancy of the participant or the participant and his or her designated beneficiary.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

Except from rollover contributions, the Plan does not allow participants to make hardship withdrawals.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation in the fair value of its investments in pooled separate accounts and mutual funds, which consist of the Plan's gains and losses on investments bought and sold as well as held during the year.

H.H. BROWN SHOE COMPANY 401(k) PLAN FOR RETAIL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments in pooled separate accounts and mutual funds.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

H.H. BROWN SHOE COMPANY 401(k) PLAN FOR RETAIL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in methodology used at December 31, 2021 and 2020.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts are valued at the closing prices at NAV of shares held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. Each plan's share of a pooled separate account is determined on a participation-unit. The Plan's equity account provides a cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The balance of participation units credited to the account multiplied by the current participation-unit value equals the amount of equity account assets held on behalf of the policyholder at any given time. The participation-unit value is adjusted periodically, usually each business day, to reflect investment results under the separate account.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

As of December 31, 2021 and 2020, there were no unfunded commitments related to the pooled separate accounts. The pooled separate accounts may be redeemed on a daily basis with no redemption restrictions.

In accordance with Topic 820, the Plan's investments in pooled separate accounts and in the guaranteed investment contract have not been classified in the fair value hierarchy table.

For the year ended December 31, 2021, there were no transfers in or out of levels 1, 2 or 3.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of mutual funds, net appreciation in fair value of investments in pooled separate accounts, interest income on notes receivable from participants, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians of the Plan and MassMutual and Reliance Trust Company, the custodians of the Plan as of December 31, 2020. This information has not been audited by the Plan's independent auditors.

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive group annuity insurance contract (the Contract) with MassMutual. MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. MassMutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Effective January 1, 2021, the administration of this contract has been taken over by Empower (See Note 1).

Because the Contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract.

Contract value represents contributions and reinvested income, less any withdrawals and expenses, plus accrued interest, because these investments have fully benefit-responsive features. Under certain conditions, participants may receive less than the contract value of their accounts invested in the investment contract, as determined by MassMutual. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There are no reserves against contract value for credit risk of MassMutual or otherwise. The crediting interest rate is based on a formula agreed upon with MassMutual. Such interest rates are reviewed on a monthly basis for resetting. For this Contract, the average yield earned by the Plan, and credited to participants was 3.00 and 3.97 percent for 2021 and 2020, respectively.

The Contract does not specify any events that would limit the ability of the Plan to transact a contract value with MassMutual or any events which would allow MassMutual to terminate the Contract and settle for an amount different from the contract value.

H.H. BROWN SHOE COMPANY 401(k) PLAN FOR RETAIL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

For 2021, certain Plan investments are shares of funds managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the custodians. For 2020, certain Plan investments were shares of funds managed by MassMutual and Reliance Trust Company, the custodians. These entities are the custodians, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan allows participants to take loans against their account balances, which also qualify as exempt party-in-interest transactions.

NOTE 7 – TAX STATUS

The underlying standardized prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014 stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more-likely-than not would not be sustained upon examination by the applicable taxing authorities. For 2021 and 2020, no uncertain tax positions were taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
