INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Cheekwood 403(b) Tax-Deferred Annuity Plan
Nashville, Tennessee

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT OF THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of Cheekwood 403(b) Tax-Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

2021 SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Cheekwood 403(b) Tax-Deferred Annuity Plan
Nashville, Tennessee

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT OF THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of Cheekwood 403(b) Tax-Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

2021 SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITOR'S REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Cheekwood 403(b) Tax-Deferred Annuity Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan, covering all eligible employees of Cheekwood Botanical Garden & Museum of Art (the "Employer"). The Employer is a non-profit organization as determined by Section 501(c)(3) of the Internal Revenue Code (the "IRC"). Therefore, the Plan is subject to the provisions governing 403(b) plans of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The purpose of the Plan is to provide retirement benefits for participants and their beneficiaries. The Plan, originally effective October 1, 1994, has been amended and restated subsequent to its effective date to modify certain Plan provisions and comply with applicable tax regulations. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

All employees, excluding leased employees, are eligible to participate in the Plan beginning immediately for purposes of making pre-tax deferrals, as defined in the plan document. Effective November 1, 2020, the Plan was amended to allow employees to make after-tax Roth contributions to the Plan.

Employees become eligible for Employer contributions as of the first day following the employee's completion of one year of service (1,000 hours) and attainment of age 21.

Contributions

Each year, participants may elect to defer up to 100% of their compensation, as defined in the plan document. Participants may also contribute amounts representing distributions from other qualified plans. Participants may change their salary deferral percentage at any time. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Employer provides a discretionary matching contribution which was 100% of a participant's contribution up to 5% of the participant's compensation for 2021. The Employer may also make certain discretionary contributions, as defined in the plan document. No such discretionary contribution was made for the year ended December 31, 2021.

Contributions are subject to certain limitations in accordance with applicable regulatory requirements.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of Employer contributions and plan earnings, and reduced by an allocation of administrative expenses, any distributions and plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Participants hired prior to November 1, 2020 are immediately vested in employer contributions. Effective November 1, 2020, the Plan amended the vesting in Employer contributions so that participants will become 100% vested after three years of service, as defined in the Plan.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment allocations at any time. At December 31, 2021, all plan investments are held by Variable Annuity Life Insurance Company ("VALIC" or the "Custodian"). See Note 11.

Policy loans

Participants may borrow directly from VALIC using a portion of their Plan account as security for the loan. The maximum loan is the lesser of \$50,000 or 50% of their vested account balance. The loans bear interest at rates that range from 2.50% to 7.00%, which are commensurate with local prevailing rates as determined periodically by VALIC. Principal and interest is paid ratably through quarterly payments by the participant directly to VALIC. The Employer has concluded that these loans are not Plan assets and that such arrangements are exempt transactions. The loan balances as of December 31, 2021 and 2020, are \$22,158 and \$31,289, respectively. Under the borrowing terms, as of December 31, 2021 and 2020, respectively, \$37,067 and \$44,977 of Plan assets serve as collateral to these loans. In the event of default, such loans are reportable to Plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the Plan participant or the participant becomes eligible to receive a distribution under the terms of the Plan. As of both December 31, 2021 and 2020, loans in default amounted to \$10,952.

Payment of benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon normal retirement (age 65), death, disability or termination of employment. The Plan provides lump-sum involuntary cash-outs after a separation from service for participant accounts with a value not greater than \$1,000. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan.

In-service withdrawals

In-service withdrawals are permitted by participants who have reached the age of 59 and 1/2. Early withdrawals may also be made in the case of financial hardship, as determined by the Employer.

Forfeitures

Forfeitures result from termination of employment under circumstances which do not entitle the participant to be fully vested in his Employer contributions and are available to be used to reduce Employer contributions.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measure of that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments are recognized in the year paid.

Expenses

The Plan is responsible for its administrative expenses unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2021 and September 21, 2022, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

Except for the fair value of the investment contract, certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments held at December 31, 2021 and 2020, and investment income for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified by Variable Annuity Life Insurance Company, the Custodian of the Plan. The contract value of the investment contract was certified by the Custodian.

NOTE 4 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using unadjusted quoted prices from active markets for identical assets), Level 2 (not traded on an active market, but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Nonfully benefit-responsive investment contract	Valued at fair value by VALIC, which is the sum of all purchase payments made to the Fixed Account Plus Fund plus amounts transferred from the separate accounts to the Fixed Account Plus Fund plus interest earned, minus amounts transferred or withdrawn from the Fixed Account Plus Fund (including applicable fees and charges). Any market value adjustments would also be included. See Note 9.
Separate accounts	Valued based on net asset value ("NAV"), which is determined daily, of the units of participation in the accounts held by the Plan. On a daily basis, the units of participation are revalued to reflect the performance of the underlying mutual funds less any fees and charges. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund would sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Nonfully benefit-responsive investment contract	\$ -	\$ 349,858	\$ -	\$ 349,858
Total investments in the fair value hierarchy	-	349,858	-	349,858
Investments measured at net asset value (a)				3,534,733
Investments, at fair value	<u>\$ -</u>	<u>\$ 349,858</u>	<u>\$ -</u>	<u>\$ 3,884,591</u>
	2020			
	Level 1	Level 2	Level 3	Total
Nonfully benefit-responsive investment contract	\$ -	\$ 345,778	\$ -	\$ 345,778
Total investments in the fair value hierarchy	-	345,778	-	345,778
Investments measured at net asset value (a)				2,926,271
Investments, at fair value	<u>\$ -</u>	<u>\$ 345,778</u>	<u>\$ -</u>	<u>\$ 3,272,049</u>

(a) In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or the equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient:

Investment	Fair Value at December 31, 2021	Fair Value at December 31, 2020	* Unfunded Commitment	* Redemption Frequency, if Eligible	* Redemption Notice Period
Domestic large cap equity funds	\$ 714,021	\$ 598,994	\$0	Immediate	None
Domestic mid cap equity funds	\$ 318,994	\$ 260,286	\$0	Immediate	None
Domestic small cap equity funds	\$ 292,994	\$ 277,227	\$0	Immediate	None
Global large cap equity funds	\$ 133,912	\$ 119,887	\$0	Immediate	None
International equity funds	\$ 316,540	\$ 276,065	\$0	Immediate	None
Specialty funds	\$ 353,995	\$ 309,761	\$0	Immediate	None
Balanced funds	\$ 49,108	\$ 48,603	\$0	Immediate	None
Fixed income funds	\$ 293,041	\$ 227,615	\$0	Immediate	None
Lifestyle funds	\$ 1,062,128	\$ 807,833	\$0	Immediate	None

*Information noted in these columns is the same for each investment type for 2021 and 2020.

The NAV of the separate accounts are determined daily based on NAV of the units of participation in the accounts held by the Plan. Investments in the separate accounts can be redeemed immediately if initiated by the participant; however, VALIC can reserve the right to require transfers to be at least 30 days apart.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

NOTE 6 - INCOME TAX STATUS

The Plan has adopted a volume submitter non-standardized 403(b) plan (Volume Submitter). The Volume Submitter received its latest opinion letter on April 5, 2018, in which the Internal Revenue Service ("IRS") stated the Volume Submitter, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not applied for a separate determination letter. The Plan Administrator and the Plan's tax counsel believe the Plan and Volume Submitter are designed and have been operated in compliance with the applicable requirements of the IRC to maintain the tax-exempt status for plan participants under Section 403(b). Therefore, no provision for income taxes has been provided in the financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax asset or liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2021 and 2020, the Plan had a concentration of investments in two and three accounts, which represented approximately 23% and 31%, respectively, of total investments.

NOTE 8 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Plan investments are held by the Custodian, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, rather than a direct payment. Other administrative fees charged directly to participants amounted to \$5,811 during 2021. All other Plan administrative expenses for the year ended December 31, 2021, including fees incurred for professional services, were paid by the Employer and not charged to the Plan.

These party-in-interest transactions are exempt from the prohibited transactions provisions of ERISA and the IRC.

NOTE 9 - NONFULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Plan investments are held in an annuity contract with VALIC. The contract is invested in a nonfully benefit-responsive fixed account plus fund that is maintained in the general account of VALIC. This fixed account is credited with interest on contributions and charged with participant withdrawals and administrative expenses. VALIC is contractually obligated to repay the contract principal plus interest at a guaranteed rate. Investments in the fixed account can be redeemed immediately if initiated by the participant; however, participants may only transfer up to 20% of the value allocated to the account during a year to other investment options.

CHEEKWOOD 403(B) TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021

Nonfully benefit-responsive investment contracts are required to be reported at fair value. An adjustment from contract value to fair value was not made in the accompanying financial statements, as the Employer determined that the contract value of the contract approximated fair value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The credited interest rate is determined monthly and applied to new contributions received during that month. The monthly interest rates are credited for one year on such balances. The monthly interest rates may be consolidated as of January 1 and credited at a rate declared for that calendar year. The average yields for 2021 and 2020 were 1.31% and 1.44%, respectively. The credited interest rates at December 31, 2021 and 2020 were 1.20% and 1.30%, respectively. The minimum guaranteed rate was 2.00%.

NOTE 10 - INVESTMENTS AT CONTRACT VALUE

Plan investments are held in an annuity contract with VALIC. The contract is invested in a short-term fixed account fund that is maintained in the general account of VALIC that meets the fully benefit-responsive investment contract criteria; therefore, it is reported at contract value. The short-term fixed account fund is valued at \$97,486 and \$90,781 as of December 31, 2021 and 2020, respectively.

This fixed account is credited with interest on contributions and charged with participant withdrawals and administrative expenses. VALIC is contractually obligated to repay the contract principal plus interest at a guaranteed rate. Investments in this fixed account can be redeemed immediately if initiated by the participant; however, after a transfer to this fixed account, participants may not transfer to other investment options for 90 days.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The credited interest rate is determined annually and applied to new contributions received during the remainder of that year. The annual interest rate is credited daily on such balances. The interest rate is declared annually in January for that calendar year. The average yield for both 2021 and 2020 was 1.00%. The credited interest rates at December 31, 2021 and 2020, were 1.20% and 1.30%, respectively. The minimum guaranteed rate was 2.00%.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive fixed accounts is dependent on VALIC's ability to meet its financial obligations. VALIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow VALIC to terminate the contract with the Plan and settle at an amount different from contract value. The contract may be terminated by VALIC with 30 days' advance written notice to the Plan for reasonable cause. Upon termination by VALIC, a market value adjustment or other withdrawal restrictions may apply.

NOTE 11 - SUBSEQUENT EVENTS

Effective March 1, 2022, the Employer entered into an agreement with a new plan service provider, Mutual of America Life Insurance Company ("Mutual of America") to provide investment options as well as certain third-party administrator functions for the Plan. Plan investment assets were subsequently transferred from VALIC to Mutual of America in March 2022. Certain investments held in the non-fully benefit responsive investment contract, as described in Note 9, were subject to transfer restrictions. Accordingly, approximately \$115,000 of investments in this fund remains with VALIC and will be transferred to Mutual of America in four annual installments through March 2026.
