## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Administrator of the  
Chiaromonte Construction Company 401(k) Plan  
Washington, DC

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Chiaromonte Construction Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

We have been informed by the plan administrator that Plan's investment in the Contactors Retirement Plan Master Trust, a trust meeting the requirements of 29 CFR 2520.103-12(b) and (c) as a Direct Filing Entity (DFE) or 103-12 Investment Entity (103-12 IE) qualifies as a DFE under the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Contactors Retirement Plan Master Trust held the plan assets and executed transactions as of December 31, 2020 and for the period of January 1, 2022 through June 15, 2022.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investments, or the investment information related to the

- Plan's investment in the Contractors Retirement Plan Master Trust, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution or related to the Plan's investment in the Contractors Retirement Plan Master Trust, agrees to, or is derived from, in all material respects, the information prepared and/or certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chiaramonte Construction Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chiaramonte Construction Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the

aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chiaramonte Construction Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chiaramonte Construction Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information and the information related to the Plan's investment in the Contractors Retirement Plan Master Trust, except for obtaining and reading the certification and the Contractors Retirement Plan Master Trust audited financial information, comparing the certified investment information and the Contractors Retirement Plan Master Trust audited financial information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the

underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### *Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of Chiaramonte Construction Company 401(k) Plan (formerly known as The Contractors Retirement Plan sponsored by Chiaramonte Construction Company) were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information related to the Plan's investment in the Contractors Retirement Plan Master Trust. Their report dated September 22, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information related to the Plan's investment in the Contractors Retirement Plan Master Trust, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# **CHIARAMONTE CONSTRUCTION COMPANY 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Chiaramonte Construction Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan formed on January 1, 2008, covering all employees of Chiaramonte Construction Company. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The Company signed a resolution on April 9, 2021, to terminate the Plan participation in The Contractor Plan Master Trust. On May 20, 2021, the Plan appointed a new custodian and recordkeeper. ERISA Smart served as directed trustee for The Contractors Retirement Plan Master Trust during 2020 and through June 15, 2021, when all Plan assets were transferred to Principal Trust Company (Principal), the new custodian and recordkeeper.

The conversion initiated a blackout period beginning May 26, 2021 and continuing through June 27, 2021. During this period, funds could not be applied to the employee-selected funds with the custodian or withdrawn from the Plan until the custodian could complete the conversion. During this period employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in the plan general account until the completion of the blackout period. At the end of the blackout period, such funds were transferred to the investment options requested by each participant. Participants were given the option to provide investment instructions before the blackout period. The account balance and all future contributions of participants who had not provided investment instructions prior to the blackout period were invested in the Qualified Default Investment Alternative (QDIA). The Plan's QDIA is the Principal LifeTime Target Date Separate Accounts.

Effective January 1, 2021, the plan document was amended and restated to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle).

As part of the same amendment, the Plan included the following:

- The plan name was changed from The Contractors Retirement Plan sponsored by Chiaramonte Construction Company to Chiaramonte Construction Company 401(k) Plan.
- Allowed participants to make roth contributions to the plan effective June 1, 2021.
- Adopted the provisions of the Bipartisan Budget Act of 2018 regarding hardship distributions by allowing hardship distributions to be taken from earnings on all elective deferrals and employer contributions, removing the need for participants to take all nontaxable loans available under the plan prior to applying for a hardship distribution and removing the six-month deferral suspension after taking a hardship withdrawal. The Plan implemented and operated under the applicable hardship provisions effective January 1, 2019, prior to the formal plan amendment in 2021.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

- Adopted the applicable provisions under the Setting Every Community Up for Retirement Enhancement Act, 2019 (the SECURE Act), the Coronavirus, Aid, Relief and Economic Security Act, 2020 (CARES Act) and the Consolidated Appropriations Act, 2021 (CAA). Under the CARES Act, required minimum distributions ("RMD") for the 2020 calendar year were temporarily suspended, however, Plan participants could elect to receive distributions equal to their respective RMD in 2020. The Act allowed qualified individuals to take coronavirus-related distributions and loans of up to \$100,000 during 2020; provide relief of loan repayment by allowing a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020. Additionally, impacted participants could receive up to \$100,000 in aggregate for in-service withdrawals before December 31, 2020 and the 10% penalty tax for early withdrawal was waived. The related taxes can be included in the impacted participant's taxable income over a three-year period. There were no limits to the number of such withdrawals each impacted participant could take and the repayment of the withdrawal amount is permitted if repayment occurs within three years of the distributions. These provisions were extended through June 25, 2021 under the Consolidated Appropriations Act of 2021, which was signed into law on December 27, 2020. The Plan adopted and operated under the temporary provisions of the CARES Act during 2020, prior to the formal plan amendment in 2021.

### **Eligibility**

All employees age 21 and older who have completed three months of service are eligible to participate in the Plan. Eligible employees may become participants in the plan on the first day of the month coinciding with or next following the date they meet the eligibility requirements. Eligibility for prevailing wage contributions is immediate and not subject to age or service requirements. All employees hired under a prevailing wage contract are eligible to receive prevailing wage contributions from the first hour worked, even if they have not yet met the eligibility requirements for other contributions.

### **Contributions**

Participants may contribute on a pre-tax or after-tax basis up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax "Roth" contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, and a guaranteed investment contract as investment options for participants.

The Company may make contributions on behalf of eligible participants as follows:

- Safe harbor matching contributions equal to 100% of participant pre-tax or after-tax deferrals up to 6% of eligible compensation.
- Discretionary matching contributions.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

- Prevailing wage contributions for participants performing work for the Company subject to Davis-Bacon Act, Service Contract Act or other federal, state, or municipal prevailing wage laws. The Company will make contributions to the Plan to help satisfy the requirements of the applicable prevailing wage law. The contribution will be determined based on the required contribution rates for the employment classifications under the applicable prevailing wage laws. The prevailing wage allocations will offset other employer contributions such as: safe harbor matching contributions, discretionary matching and non-elective contributions, and qualified non-elective contributions.
- Discretionary non-elective contribution for eligible participants who have completed at least 1,000 hours of service during the year and are employed by the Company on the last day of the year.
- Qualified non-elective contributions.

During 2021, the Company made the following contributions:

- Safe harbor matching contributions (net of forfeitures) in the amount of \$120,005
- Prevailing wage contributions in the amount of \$938,007
- Discretionary non-elective contributions in the amount of \$150,000

### **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### **Vesting**

Participants are immediately vested in their elective deferrals, rollovers, safe harbor and qualified non-elective contributions, as well as prevailing wage contributions, and all earnings thereon. Vesting in the employer discretionary matching and non-elective contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in the employer profit sharing and matching contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

#### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Effective January 1, 2021, the participants may have up to five outstanding loans at any time.

Prior to June 15, 2021, principal and interest payments were made directly by the participants in the form of ACH or check. Beginning June 15, 2021, principal and interest are paid ratably through payroll deductions.

Interest rates on the outstanding loans as of December 31, 2021 and 2020 ranged from 3.25% to 5.50%.

#### **Payment of Benefits**

Upon termination of service, retirement, full and permanent disability or attaining early or normal retirement age (age 55 or 65 respectively), a participant may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, a distribution in the form of installments, or a combination of methods. Distributions on account of death must be completed by December 31 of the calendar year containing the fifth anniversary of the participant's death unless a special election is made by the participant's beneficiary. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

#### **Forfeited Accounts**

Forfeitures may be used to reduce employer contributions or to pay plan expenses at the discretion of the Company. There were no forfeited nonvested account balances at December 31, 2021 and 2020. During 2021, the Plan used \$5,609 to reduce employer matching contributions.

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

During 2021, the Plan changed its basis of accounting from the modified cash basis to the accrual basis of accounting. The impact to the 2021 financial statements resulted in an increase to the Statement of Net Assets Available for Benefits and the related Statement of Changes in Net Assets Available for Benefits in the amount of \$335,304 due to the recording of participant and employer contributions

receivable of \$7,538 and \$327,766, respectively. The adjustment to the 2020 Statement of Net Assets Available for Benefits consisted of increase of \$354,689 due to the recording of employer contributions receivable. To satisfy DOL regulations, the differences between the prior year Form 5500 assets and liabilities and those in the restated financial statements are disclosed in the notes to the financial statements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts.

The fair value of the Plan's interest in The Contractors Retirement Plan Master Trust (Group Trust) as of December 31, 2020 (as defined in Note 4) is based on the beginning of year value of the Plan's interest in the Group Trust plus actual contributions and allocated investment income, less actual distributions and allocated administrative expenses. The Group Trust does not meet the definition of a master trust as the term is commonly used. The Plan's investment in the Group Trust represents the allocated net portion of the Trust that is attributable to The Contractors Retirement Plan sponsored by Chiaramonte Construction Company and includes all the Plan's investments. The Plan's share of the net assets of the Group Trust is based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recognized as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### **Benefit Payments**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. In particular, the novel coronavirus ("COVID-19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities, or asset impairment charges.

### **NOTE 3 – INFORMATION REGARDING INVESTMENTS HELD BY THE PLAN**

#### *Information certified by a qualified institution*

Information regarding investments held at December 31, 2021, and net appreciation in fair value of investments and interest and dividend income for the year then ended, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021, is derived from statements which have been certified by Principal Life Insurance Company and Principal Trust Company, (collectively "the custodian" or "Principal"), as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### *Investment in retirement plan group trust - 103-12 Investment Entity*

During 2020 through June 16, 2021, the Plan's primary investment was in The Contractors Retirement Plan Master Trust (Group Trust), sponsored by Fringe Benefit Group, Inc. Under the terms of the plan document, all assets of the Plan were maintained in the Group Trust. The Trust files a Form 5500 as a 103-12 Investment Entity. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-12 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was not subjected to any

auditing procedures performed by the Plan's independent auditor other than comparing such information provided by the Trust to information included in the Plan's financial statements:

- Investments, at fair value, as reported in the statement of net assets available for benefits as of December 31, 2020.
- Investment income for the period of January 1, 2021 through June 15, 2021, included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits for the year ended December 31, 2021.

### **NOTE 4 - FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The methods described below may produce a fair value calculation that may not be indicative of net realizable value or reflected of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

#### *Mutual Funds*

The Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

### NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

#### *Pooled Separate Accounts (PSA)*

The PSA invest mainly in domestic stocks and mutual funds which have observable level 1 quoted pricing inputs. The NAV of the pooled separate accounts is not publicly quoted but is available to current investors via the custodian website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value.

#### *Group Trust - 103-12 Investment Entity*

The fair value is based on the value of underlying assets, less liabilities, and then divided by the number of outstanding shares. The underlying assets held in the group trust are valued based on unit values as reported by insurance companies holding assets for the Group Trust. The Net Asset Value (NAV) of the units held by the Group Trust is based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market and is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

|                          | <u>Level 1</u>      | <u>Level 2</u>      | <u>Level 3</u> | <u>Total</u>        |

Investment in Group Trust measured at NAV (a) \$ 5,402,694

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Group Trust provides for daily redemptions with no advance notice required. Certain agreements with insurance companies held in general accounts include provisions for withdrawal/surrender fees of up to 5% for participants with less than three years of participation in the Group Trust. These fees are normally charged against the participant's account immediately prior to withdrawal.

The following table summarizes the investments held by the Group Trust as of December 31, 2020:

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

The Contractors Retirement Plan Master Trust does not meet the definition of a master trust as that term is most commonly used. The Plan's investment in the Trust represents the allocated net portion of the Trust that is attributable to The Contractors Retirement Plan sponsored by Chiaramonte Construction Company and includes all of the Plan's investments as of December 31, 2020. The Plan's share of the net assets of the Group Trust is based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses. Net investment income, gains and losses are allocated to participating plans on a daily basis based on participants' investment choices. At December 31, 2020, the Plan's interest in the net assets of the Trust was less than 1%.

The Plan's interest in the Group Trust in the amount of \$6,471,455 was liquidated and transferred to Principal on June 15, 2021.

### **NOTE 5 - GUARANTEED INVESTMENT CONTRACT - FBRIC**

The Plan has a fully benefit-responsive investment contract (FBRIC) with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The FBRIC is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Under the terms of the existing contract, the crediting interest rate is based on a formula agreed upon with the issuer. The crediting rate is currently reset on a semiannual basis and will not be less than the guaranteed minimum interest rate. The minimum will range depending on prevailing market conditions, but in no case will the guaranteed minimum interest rate be less than 1% or greater than 3%.

The contract provides for benefit payments at book value (i.e., no market value adjustments or surrender charge adjustments) for withdrawals due to retirement, termination of employment, disability, loans, plan termination, or death, including participant-directed transfers. A plan fiduciary-directed surrender or transfer will be subject to 12 months' advance notice or a 5% surrender charge (subject to additional contractual limitations), whichever the plan sponsor chooses.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The FBRIC is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The FBRIC does have a surrender charge of 5% that may be charged if the Plan terminates its interest in the contract.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 5 - GUARANTEED INVESTMENT CONTRACT – FBRIC (Continued)**

Certain events limit the ability of the Plan to transact at account value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

### **NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Plan investments are managed by Principal Trust Company. Principal is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

For the period of January 1, 2021 through June 15, 2021, the Plan was part of a Group Trust whose recordkeeper and master plan sponsor is Fringe Benefit Group, Inc. Various administrative expenses and asset charges of the Group Trust are paid to Fringe Benefit Group, Inc. and are allocated to the Plan, reducing net investment income.

Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

### **NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

### **NOTE 8 - TAX STATUS**

The Plan has adopted a profit-sharing prototype plan sponsored by CCH Incorporated, DBA ftwilliam.com. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype profit-sharing plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC).

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

### **NOTE 8 - TAX STATUS (Continued)**

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

### **NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. The spread of COVID-19 has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

### **NOTE 10 - LATE REMITTANCES**

During the year ended December 31, 2021, the Company failed to remit to the plan custodian participant contributions totaling \$3,735, within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. This was an isolated incident and related to the first payroll remittance after the blackout due to change in recordkeepers ended and it took a few days longer for the plan sponsor to be able to remit the participant contributions to the new recordkeeper. The Plan third party administrator calculated lost earnings in the amount of \$4 on the delinquent remittances and the plan sponsor intends to remit the amount to the Plan in October 2022, at which time the lost earnings will be allocated to the affected participants' accounts.

### **NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The Annual Return/Report of Employee Benefit Plan (the Form 5500) is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H of the Form 5500 differ from those included in the accompanying financial statements.
