Independent Auditors' Report

To the Plan Administrator and Trustees of Jewish Family Services of Central NJ 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Jewish Family Services of Central NJ 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

1. the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
2. the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
5. Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

1. the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
2. the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator and Trustees of
Jewish Family Services of Central NJ 401(k) Plan
Report on the Financial Statements

We were engaged to audit the accompanying financial statement of the Jewish Family Services of Central NJ 401(k) Plan (the "Plan"), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of this financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, ("Reliance Trust"), the custodian of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statement other than that derived from the information certified by the custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to the Financial Statements
December 31, 2021 and 2020

Note 1 Description of Plan

The following description of the Jewish Family Services of Central NJ 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under the provision of Section 401(k) of the Internal Revenue Code covering the eligible employees of Jewish Family Services of Central New Jersey. (the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 ("ERISA"), as amended. All employees of the Plan Sponsor are eligible to participate following attainment of two months of services, as defined, provided they are at least eighteen years of age.

Plan Contributions

Each year, participants may contribute up to 90% percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollover"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at an initial rate of 3% of eligible compensation and increase by 1% per year up to you a maximum of 10% and their contributions will be invested in a designated balanced fund until changed by the participant. Effective February 1, 2019, the Plan Sponsor amended the automatic enrollment percentage for participants to 1% of eligible compensation, increasing by 1% each year up to a maximum of 10%. Excess contributions are refunded in the subsequent year. As of December 31, 2021 and 2020, excess contributions refundable totaled \$3,039 and \$1,738, respectively.

In addition, the Plan Sponsor contributes 100% of the first 3% of eligible compensation a participant contributes to the Plan. Effective March 1, 2019, the Plan Sponsor amended the employer match to 100% of the first 1% of eligible compensation a participant contributes to the Plan. During the year ended December 31, 2021, the Plan Sponsor made matching contributions of \$32,792.

Note 1 Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings. The participant's account is also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the earnings thereon. Vesting in employer matching contributions and the earnings thereon is based on years of continuous service. A participant vests according to the following schedule:

<u>Year(s) of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
More than 6	100%

Participant Notes Receivable

Participants may borrow from their account a minimum of \$500 up to a maximum equal to 50 percent of their vested account balance up to \$50,000, whichever is less. Loan terms range from one to five years or as deemed reasonable by the administrator for loans taken to purchase a primary residence. Notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time the loan is approved. At December 31, 2021, interest rates on the outstanding loans ranged from 5.25% to 7.50%. Principal and interest are paid ratably, generally through payroll deductions. Processing fees are charged against participant accounts.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Benefits

The Plan allows for "hardship withdrawals" of employee benefits from participant's pre-tax elective deferral and ROTH elective deferral accounts based the provisions of the Plan document.

Note 1 Description of Plan (Continued)

Forfeitures

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$10 annually. These accounts will be available to reduce future employer matching contributions. Forfeitures used to reduce employer matching contributions during the year ended December 31, 2021 totaled \$4,633.

Note 2 Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants subsequent to year end.

Notes to the Financial Statements
December 31, 2021 and 2020

Note 2 Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Expenses related to the administration of the Plan are primarily paid by the Plan Sponsor. Investment related expenses, other than those paid directly by the Plan, are integrated with investment performance.

Subsequent Events

Management has evaluated subsequent events and transactions for potential recognition or disclosure through the date of the auditors' report, which is the date the financial statements were available to be issued.

Note 3 Fair Value Measurements

Generally accepted accounting principles ("GAAP") establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

At December 31, 2021, the Plan held Level 1 investments, as described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Jewish Family Services of Central NJ 401(k) Plan
Notes to the Financial Statements
December 31, 2021 and 2020

Note 3 Fair Value Measurements (Continued)

Common/Collective Trust

Valued at the Net Asset Value ("NAV") of units of a bank collective trust. The NAV, as provided by Reliance Trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Were the Plan to initiate a full redemption of the common/collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at fair value:

	December 31,	
	2021	2020
Level 1 – Mutual Funds	\$ 2,651,738	\$ 2,170,030

Net Asset Values

The following sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

Investment Type	Fair Value 12/31/2021	Fair Value 12/31/2020	Unfunded Commitment 12/31/2021	Unfunded Commitment 12/31/2020	Redemption Frequency	Redemption Notice Period
Common/Collective Trust	\$16,929	\$18,132	\$ -	\$ -	Daily	N/A

The common/collective trust's objectives are to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds or certificates of deposit. To achieve this, the trust invests in instruments which are not expected to experience significant price fluctuations in most economic or interest rate environments. However, there is no assurance that this objective can be achieved.

The common/collective trust seeks to preserve principal and provide book value liquidity on a daily basis for plan permitted, participant directed withdrawals while maintaining a competitive interest rate.

Jewish Family Services of Central NJ 401(k) Plan
Notes to the Financial Statements
December 31, 2021 and 2020

Note 4 Related Party and Party-In-Interest Transactions

During 2021, the Plan paid \$16,024 for administrative services to ADP Retirement Services, a party-in-interest to the Plan. Reliance Trust held the assets of the Plan at December 31, 2021 and these transactions also qualify as party-in-interest transactions.

During the year ended December 31, 2021, the Plan paid \$8,304 to Gateway Advisory, LLC for investment and financial advisory services, parties-in-interest to the Plan.

Note 5 Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, participants will become fully vested, and net assets will be distributed to participants and beneficiaries in proportion to their respective account balances.

Note 6 Tax Status

The IRS has determined and informed the Plan Sponsor by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan will be open for examination for three years.

Note 7 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and participant account balances.

Notes to the Financial Statements
December 31, 2021 and 2020

Note 7 Risks and Uncertainties (Continued)

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across a variety of participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

At December 31, 2021, three investment options accounted for more than 10% of the Plan's total net assets:

Vanguard Target Retirement 2025	\$ 535,161	20%
Vanguard 500 Index Fund	\$ 351,040	13%
Vanguard Target Retirement 2020	\$ 293,237	11%
