We have performed an audit of the accompanying financial statements of FMA Alliance, Ltd. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of FMA Alliance, Ltd. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FMA Alliance, Ltd. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FMA Alliance, Ltd. 401(k) & Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FMA Alliance, Ltd. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FMA Alliance, Ltd. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule – schedule H, line 4i - schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **FMA Alliance, Ltd. 401(k) & Profit Sharing Plan**

### **Notes to Financial Statements**

---

#### **NOTE 1: DESCRIPTION OF PLAN**

The following description of the FMA Alliance, Ltd. 401(k) & Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The Plan is sponsored by FMA Alliance, Ltd. (the "Partnership").

##### ***General***

The Plan was adopted effective June 1, 1997 and is a defined contribution plan covering substantially all employees of the Partnership. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### ***Administration of Plan Assets***

Plan assets are held and managed by Reliance Trust Company thereafter, the trustee. The trustee invests contributions and Plan earnings and makes distributions to participants. Certain administrative functions are performed by employees of the Partnership. No compensation is remitted to the Partnership for these services.

##### ***Eligibility***

Under the terms of the Plan, employees become eligible to make salary deferral contributions upon the completion of one year of service and having attained the age of 21. Employees may enroll the first of the month after completing the eligibility requirements.

##### ***Contributions***

Participants may contribute from 1% to 80% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Partnership may make matching discretionary contributions to the Plan. For the year ended December 31, 2021, the Partnership elected to make discretionary contributions equal to 50% of the participant's deferrals up to 4% of the participant's eligible compensation. Additional profit-sharing amounts may be contributed at the option of the Partnership's board of directors.

During the year ended December 31, 2021, the employer contributions total \$115,989. That amount consisted of match contributions totaling \$78,387. In addition, the employer made self-corrective contributions consisting of \$14,965 and \$16,315 for corrective match contribution and qualified non-elective contribution (QNEC) of, respectively (refer to reportable transactions below). An additional \$6,322 contributions was recorded as lost earning receivable from employer (refer to Note 9).

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

***Participant Accounts***

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's contributions and Partnership matching contributions, as well as Partnership's profit sharing, if any, and Plan earnings. Participant accounts are charged with allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Investment Options***

Upon enrollment in the Plan, participants may direct the investment of their accounts among various investment options provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Partnership's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The following schedule describes the participant's level of vesting after each year of service.

| <u>Years of completed service</u> | <u>Percentage of vested interest</u> |
|-----------------------------------|--------------------------------------|
| 1                                 | 0%                                   |
| 2                                 | 20%                                  |
| 3                                 | 40%                                  |
| 4                                 | 60%                                  |
| 5                                 | 80%                                  |
| 6                                 | 100%                                 |

***Payment of Benefits***

On termination of service due to retirement, death, or disability, a participant or their beneficiary will be 100% vested and will receive a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan has mandatory distributions for terminated employees with account balances below \$5,000, as follows: 1) account balances of \$1,000 or less are distributed in the form of one lump-sum; and 2) account balance greater than \$1,000 and up to \$5,000 are automatically rolled over into individual retirement accounts.

**FMA Alliance, Ltd. 401(k) & Profit Sharing Plan**  
**Notes to Financial Statements**

---

**NOTE 1: DESCRIPTION OF PLAN (Continued)**

***Withdrawals***

A hardship withdrawal, if approved, can be made on pretax contributions to satisfy certain immediate and heavy financial needs, as defined, under certain hardship conditions, up to the amount of the participant's vested balance, in which case, the participants' contributions to the Plan must be suspended for six months after receipt of the hardship withdrawal. A withdrawal can be made at the age of 59½ or upon normal retirement age of 65 on all or a portion of the participants' vested account.

***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loan transactions are treated as transfers between investment funds and the loan fund. Loan terms range from 1 to 5 years or up to 30 years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at the Wall Street Journal Prime Rate plus two percent. Principal and interest are paid ratably through semi-monthly payroll deductions.

***Forfeitures***

Participants terminating employment prior to full vesting forfeit their right to the non-vested portion of employer contributions. Forfeitures are used to reduce employer contributions or pay Plan expenses. Forfeitures for the year ended December 31, 2021 totaled \$2,314. In 2021, \$2,314 of forfeitures was used for employer contributions. As of December 31, 2021 and 2020, forfeited non-vested account balance was immaterial.

***Plan Termination***

Although it has not expressed any intention to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

***Tax Status***

The Plan obtained its latest determination letter on July 08, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## Notes to Financial Statements

---

### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting.

#### *Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### *Investment Valuation and Income Recognition*

Investments are reported at fair value (except for fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021.

#### *Excess Contributions Payable*

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to net assets. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022. As of December 31, 2021, excess contributions payable totaled \$76,149.

**FMA Alliance, Ltd. 401(k) & Profit Sharing Plan**

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses of \$17,512 were incurred by the Plan for the year ending December 31, 2021.

***Subsequent Events***

Plan's management has evaluated subsequent events through September 27, 2022, the date which the financial statements were available to be issued. The following matters were identified:

- On February 18, the Plan made corrective payments to participants due as of December 31, 2021.s
- Effective January 1, 2022, the Plan was converted to a safe harbor plan. Under safe harbor provision, the Company will make a safe harbor matching contribution equal to 100% on the first 3% of each participant's compensation that is deferred as elective deferral, and an additional 50% on the next 2% of the participant's compensation that is deferred as elective deferral.

### **Notes to Financial Statements**

---

#### **NOTE 3: INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)**

The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by Reliance, in accordance with Section 2530.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosure under ERISA Section 1-3(A)(3)(C):

- a) Total investments, at fair value (or with respect to the common collective trust at contract value), included in the statements of net assets available for benefits at December 31, 2021;
- b) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2021;
- c) All amounts included in Note 4, Fair Value Measurements (Unaudited);
- d) All amounts included in Note 6, Related Party Transactions and Party-in-Interest Transactions (except for notes receivable from participants); and
- e) The schedule of assets (held at end of year) as of December 31, 2021 included in the supplemental schedule.
- f) Notes receivable included in the statements of net assets available for benefits at December 31, 2021.

During the year ended December 31, 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$104,430.

#### **NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)**

The Plan uses fair value to measure financial assets and liabilities and certain nonfinancial assets and liabilities. The fair value hierarchy established and prioritized fair value measurements into three levels based on the nature of the inputs. The hierarchy gives the highest priority to inputs based on active markets for identical assets or liabilities, observable inputs (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs, excluding those included in Level 1, are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets and liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**FMA Alliance, Ltd. 401(k) & Profit Sharing Plan**  
**Notes to Financial Statements**

---

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|                          | <b>Quoted Market<br/>Prices in Active<br/>Markets<br/>(Level 1)</b> | <b>Other<br/>Observable<br/>Inputs<br/>(Level 2)</b> | <b>Unobservable<br/>Inputs<br/>(Level 3)</b> | <b>Investment<br/>Measured at<br/>Net Asset Value</b> |
|--------------------------|---------------------------------------------------------------------|------------------------------------------------------|----------------------------------------------|-------------------------------------------------------|

## **FMA Alliance, Ltd. 401(k) & Profit Sharing Plan**

### **Notes to Financial Statements**

---

#### **NOTE 5: COMMON COLLECTIVE TRUSTS**

The Plan invests in Invesco Stable Asset ADP 85 Fund (Invesco Stable Value) and State Street Aggressive Strategic Balance – Class VII (“SSASB”), which are common collective trusts. Investments in the Funds were originated with the purchase of individual units; with each unit having a net asset value of \$1. To mitigate the risk of market losses on the unit investments, the Funds enter into synthetic guaranteed investments contracts ("synthetic GICS"). Synthetic GICS are portfolios of securities (debt securities and units of collective trusts) owned by the Fund. The Funds may also invest in traditional guaranteed investment contracts ("traditional GICS") which are backed by the general account of the issuer. The assets underlying the guaranteed investment contracts are owned by the Funds with the Plan owning units of the Funds. Participant transactions (purchases and sales) may occur daily and are transacted at contract value.

Participants who invest in the Invesco Stable Value Fund will receive the principal and accrued earnings credited to their accounts on withdrawal for allowed events. These events include transfers to other Plan investment options, taking of loans, and payments because of retirement, termination of employment, disability, death and in-service withdrawals as permitted by the Plan. Certain employer-initiated events, such as bankruptcy or reorganization, mergers, or Plan termination may limit the ability of the Plan to transact at contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

The Invesco Stable Value meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Reliance Trust, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The SSAB investment is valued using net asset value and is not fully benefit-response. This investment follows practical expedient guidance and is omitted from asset at fair value hierarchy.

**NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Reliance Trust provided investment management services during 2021. Service fees are paid through revenue sharing, rather than a direct payment. Fees may also be charged to the participants for certain transactions. The Partnership pays directly any other fees related to the Plan's operations. Fees paid by the Plan to the trustee for administrative services totaled \$17,512 for the year ended December 31, 2021.

The Plan assets include notes receivable from participants. As a result, notes receivable from participants and all transactions relating to them are with parties-in-interest. These transactions are exempt from being prohibited transactions by ERISA.

**NOTE 7: CONCENTRATION OF CREDIT RISK**

As of December 31, 2021, four investments contributed approximately 20%, 14%, 12% and 10% of total assets.

**NOTE 9: PLAN OPERATIONAL ERROR**

In 2021 management became aware of an operational error and promptly took action to self-correct. It was discovered that a participant had requested to make a 7% contribution per paycheck but was recorded as \$7 contributions instead. Management took corrective action as permitted by the Department of Labor and the IRS by making a qualified non elective contribution (QNEC) for 50% of the amount the participant would have contributed plus an employer match. On June 29, 2021, the Company deposited QNEC and matching contributions of \$18,628 and \$14,966, respectively, which are included with employer contributions in the accompanying statement of changes to net assets available for benefits. Lost earnings totaling \$6,322 will also be provided and have been recorded as receivable in the accompanying statement of net assets available for benefits.
