Independent Auditor's Report

To the Trustees/Fiduciaries of the
Richmond Ford, LLC, Salary Deferral 401(k) Profit Sharing Plan
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Richmond Ford, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required

Basis for Opinion on the 2021 Financial Statements (Continued)

to be independent of Richmond Ford, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Richmond Ford, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Richmond Ford, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Richmond Ford, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4j - Schedule of Reportable Transactions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplementary Schedules Required by ERISA (Continued)

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Richmond Ford, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of Richmond Ford, LLC, Salary Deferral 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, multi-employer plan covering all employees who are 21, have completed three consecutive months of service and a minimum of 500 service hours, or one year of service. The Plan is intended to qualify under Section 401(k) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees of Richmond Ford, LLC, and Richmond Ford West, LLC, (together, the Company) participate in the Plan.

The Company is the plan administrator and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the administration of the Plan.

Contributions

Participants may elect to contribute up to the maximum allowable amount, under the Internal Revenue Code, of their annual compensation. Participants may elect to contribute either pre-tax or post-tax dollars to the Plan. Participants who are at least 50 may make additional "catch-up" contributions as defined under the Internal Revenue Code. The employers have an option to make matching contributions to the Plan out of the employers' profits. For January 1, 2021 to December 31, 2021, matching contributions were equal to 40% of the participant's deferral up to 5% of the participant's payroll compensation. For the year ended December 31, 2021, the employers contributed matching contributions to the Plan in the amount of \$195,986.

Rollover Contributions

The Plan accepts rollover contributions from retirement funds held by participants outside of this Plan, subject to plan provisions.

Investment Options

The Plan provides for participant-directed investment programs whereby the Plan determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any or a combination of pooled separate accounts or an insurance general account. Participants may change their investment options at any time by reallocating contributions among different investment alternatives. Participants may also transfer contributions into and out of investments provided under the Plan, subject to possible restrictions.

Participants' Accounts

Each participant's account is self-directed and credited with the participant's contributions (including elective deferrals, catch-up contributions, after-tax contributions, and/or rollover contributions), the Company's matching contributions, share of any investment earnings, and increases in the

value of investments. Participant accounts are also reduced by any withdrawals or distributions, investment losses, decreases in value of investments, and share of fees and expenses, as applicable. Such fees and expenses may consist of recordkeeping, audit, and investment management fees. Allocations are based on participant earnings or account balances, as defined pursuant to the plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their plan accounts up to a maximum of \$50,000 or 50% of their vested account balances, whichever is less. Each loan is secured by the balance in the participant's account and bears interest at a rate that is commensurate with local prevailing rates as determined by the plan administrator. Delinquent participant loans are reclassified as distributions based on the terms of the plan document. Interest rates on current participant notes varied from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½ except in the event of death, disability, or reasons of proven financial hardship. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a life annuity. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account.

Forfeitures

Terminating participants forfeit the non-vested portions of the participants' employer contributions. Forfeitures can be used to pay administrative costs of the Plan, restore previously forfeited account balances as necessary, or reduce future employer contributions. At December 31, 2021 and 2020, forfeited account balances totaled \$1,139 and \$158, respectively. During 2021, \$6,339 of forfeited accounts were used to reduce company contributions and administrative expenses.

Administrative Expenses

Administrative costs, except for certain investment fees and loan fees that are paid out of the related participant accounts, are absorbed by the Plan and have not been included in the accompanying financial statements.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately fully vested in their contributions plus earnings on those contributions. The employer's matching contributions and profit-sharing contributions, if any, are subject to a vesting schedule based on years of continuous service. A participant is 20 percent vested after two years of service is completed, and vests an additional 20 percent per year until full vesting after six years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Contributions

Each year, participants may contribute the maximum allowed by law of their pretax compensation. Participants who have attained the age of 50 before the end of the plan year are eligible to make additional catch-up contributions. Employee contributions are recorded in the period that the Company deducts deferrals from the participant's earnings. Contributions from the employers of the Plan are accrued in the period in which they become obligations under provision of the plan agreement.

The Company may make a discretionary matching contribution to the Plan. Participants must make elective deferrals to the Plan to receive a matching contribution.

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Insurance general accounts are stated at contract value, which approximates fair value. The pooled separate accounts are valued at participation-unit values, which represent the fair values of the investments held in the pooled separate accounts.

Purchases and sales of investments are recorded on a trade date basis. Interest revenue is recorded on the accrual basis when earned. Dividends are recorded on the ex-dividend date. Interest revenue is recorded on the accrual basis. Unrealized appreciation and depreciation in the fair value of investments are recognized in the financial statements in the period in which such changes occur.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits to recipients are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedules are complete and accurate.

	<u>2021</u>	<u>2020</u>
Investments, at Fair Value	\$ 8,492,886	\$ 7,097,955
Investments, at Contract Value	314,421	262,513
Interest on Notes Receivable from Participants	5,327	*

Net Appreciation in Fair Value of Investments	<u>\$ 824,901</u>	*
Total Investment Return	<u><u>\$ 824,901</u></u>	

* Prior year information not required.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three board levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are observable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis as of December 31, 2021 and 2020.

Mutual funds: The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Total</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>
<u>December 31, 2021</u>				
Mutual Funds	\$ 8,492,886	\$ 8,492,886	\$ -	\$ -
Total Investments at Fair Value	\$ 8,492,886	\$ 8,492,886	\$ -	\$ -
<u>December 30, 2020</u>				
Mutual Funds	\$ 7,097,955	\$ 7,097,955	\$ -	\$ -
Total Investments at Fair Value	\$ 7,097,955	\$ 7,097,955	\$ -	\$ -

5. FULLY BENEFIT-RESPONSIVE CONTRACTS

The Plan participates in a fully benefit-responsive investment contract with John Hancock Life Insurance Company via an investment in the John Hancock Stable Value Fund. This is an investment option within the group annuity contract that invests into the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT itself is generally full benefit-responsive and honors eligible redemptions at \$1.00 per unit.

The John Hancock Stable Value Fund is considered a sub-account and is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date, and generally is the value that would be paid out for participant-initiated or benefit withdrawals. The contract value of the Stable Value Fund included in the statement of net assets available for benefits as of December 31, 2021 and 2020, approximates fair value which totaled \$314,421 and \$262,513, respectively.

6. RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan; therefore, these investments qualify as party-in-interest transactions. For the year ended December 31, 2021, the Plan paid administrative fees of \$73,077. These transactions also qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although the Companies have not expressed any intent to do so, it has a right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

RICHMOND FORD, LLC, SALARY DEFERRAL 401(K) PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

8. TAX STATUS

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes. The plan sponsor has obtained a volume submitter opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as designed and amended under the 2010 Cumulative List of amendments, was in compliance with the applicable requirements of the Internal Revenue Code.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2021 and 2020.

The Plan's policy would be to recognize in income tax expense in its financial statements any interest and penalties on uncertain tax positions related to its unrecognized tax benefits. No interest or penalties were incurred or recognized during the years ended December 31, 2021 or 2020.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19 Pandemic and CARES Act

The spread of COVID-19 (coronavirus disease) has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world. There is uncertainty about financial and economic impacts in all sectors of the economy. The financial markets have experienced significant volatility, and this may continue for an extended period of time. In light of these circumstances, the Plan's management continues to assess how best to adapt to changed circumstances.

In response to the spread of COVID-19, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which was signed into law March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) which was signed into law December 29, 2019, were provided for plan sponsors. The provisions were at the discretion of the Plan's management. The Plan implemented only the default provisions under the CARES Act. The Plan will be amended for any provisions elected in accordance with applicable law and IRS guidance, due by December 31, 2022.
