Gill Studios, Inc. Hourly Paid Employees'
Profit Sharing and 401(k) Plan and Trust
Shawnee Mission, Kansas 66219

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended and the related summary of significant accounting policies and notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplemental information required by the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

Independent Auditor's Report

Other Matters (continued)

2021 Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or was derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Gill Studios, Inc. Hourly Paid Employees' Profit Sharing and 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

Summary of Significant Accounting Policies
Years Ended December 31, 2021 and 2020

Basis of Presentation

The Plan presents its financial statements on the accrual basis.

Use of Estimates

In preparing financial statements in accordance with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of Benefits

Benefits are deducted when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Expenses

Certain expenses of administering and maintaining the Plan are paid directly by Gill Studios, Inc. and its wholly owned subsidiary, Gill Bebco, LLC (collectively, the Company), and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of investments.

Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

1. Description of Plan

The following description of the Plan provides only general information. The Plan has a Profit Sharing Plan (PSP) and a 401(k) plan feature as described below. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Profit Sharing Plan

The PSP is a noncontributory plan, which covers all hourly paid employees of the Company who have completed one year of service and attained age 21. Employees may enter the PSP on the earlier of the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date they satisfy the eligibility requirements. The PSP is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions to the PSP are at the sole discretion of the Company's Board of Directors and must be entirely funded from the Company's current or accumulated net profits. Each participant's account is credited (charged) with an allocation of the Plan's earnings (losses) and credited with an allocation of Company contributions, as well as forfeitures of terminated participants' non-vested account balances. Participants must be employed on the last day of the Plan year and complete 1,000 hours of service during the year to receive a profit sharing contribution.

PSP contributions and forfeitures are allocated to participants based on the proportion of the compensation, as defined, of each participant to the compensation of all participants of the Plan.

Under the provisions of the PSP, participants may elect to have their deposits invested in one or more of the investment options available. Participants are allowed to change their investment elections, subject to procedures established by the Plan administrator.

Participants become fully vested in the PSP after six years of continuous service. The vesting percentages are as follows: 0% if less than two years of service; 20% after two years; 40% after three years; 60% after four years; 80% after five years; and 100% after six years of continuous service.

The Plan allows in-service distributions after a participant has attained age 59½.

Upon termination of service or at normal retirement age, age 60, a participant can elect to receive a lump-sum distribution equal to the value of the participant's vested benefit.

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions and terminate the PSP subject to the provisions of ERISA. In the event of plan termination, members will become fully vested in their accounts.

401(k) Plan

The 401(k) plan is a contributory defined contribution plan covering all full-time hourly paid employees of the Company who have completed six months of service. Employees may enter the 401(k) plan on the first day of the payroll period next following the date eligibility requirements are met. The 401(k) plan is subject to the provisions of ERISA.

A 401(k) plan participant may elect to make salary deferral contributions of eligible compensation to the Plan up to certain annual IRS maximum limitations. The Company was required to match 50% of elected deferral contributions not to exceed 4% of total compensation through February 28, 2021. Effective March 1, 2021, the Company is required to match 50% of the elected deferral contributions not to exceed 6% of total compensation.

1. Description of Plan (continued)

401(k) Plan (continued)

Amounts may be transferred from other qualified plans (referred to as rollover contributions), provided that the trust from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax-exempt status of the Plan.

Under the provisions of the 401(k) plan, participants may elect to have their deposits invested in one or more of the investment options available. Participants are allowed to change their investment elections and deferral amount, subject to procedures established by the Plan administrator.

Participants become fully vested in the Company match after three years of continuous service. The vesting percentages are as follows: 0% for years one and two and 100% after three years of continuous service. The non-vested portion of a terminated participant's account balance is forfeited and allocated to remaining participants.

Loans are available to all 401(k) plan participants at a maximum of their 401(k) plan vested balance up to \$50,000, not to exceed 50% of the participant's vested PSP and 401(k) plan balance.

Upon termination of employment due to death, disability, or attainment of normal retirement age, a participant becomes fully vested and can elect to receive a lump-sum distribution.

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions and terminate the 401(k) plan subject to the provisions of ERISA. In the event of plan termination, all members become fully vested in their accounts.

2. Information Certified by the Plan's Custodians

Certain information related to the investments disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to Plan management and certified as complete and accurate by Reliance Trust Company (Reliance) and Newport Trust Company (Newport), the Plan's custodians.

The following table includes the Plan's investments at fair value and cash at December 31, 2021 and 2020, as certified by Newport at December 31, 2021 and as certified by Reliance at December 31, 2020.

2. Information Certified by the Plan's Custodians (continued)

Reliance and Newport also certified the completeness and accuracy of the following investment income for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investment income:		
Interest and dividends	\$ 1,833,098	\$ 746,681
Net appreciation of investments	\$ 1,481,450	\$ 1,509,844

3. Fair Value Measurements of Investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

PROFIT SHARING AND 401(K) PLAN AND TRUST**

Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

3. Fair Value Measurements of Investments (continued)

Following is a description of the valuation methodologies used to determine the fair value of investments at December 31, 2021 and 2020. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- The common collective trust is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of the fund as reported by the investment advisor using the financial statements of the collective investment fund at December 31, 2021 and 2020. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the Plan will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate full redemption of a collective investment fund, the investment advisor generally reserves the right to temporarily delay withdrawal from the fund to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding valuation methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following table includes the fair values of investments by level within the fair value hierarchy at December 31:

	<u>2021</u>	<u>2020</u>
Mutual funds (level 1)	<u>\$ 24,763,313</u>	<u>\$ 22,213,675</u>
Total investments in the fair value hierarchy	24,763,313	22,213,675
Common collective trust (a)	<u>847,203</u>	<u>1,254,441</u>
Total investments at fair value	<u>\$ 25,610,516</u>	<u>\$ 23,468,116</u>

- (a) In accordance with FASB ASC 820-10, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for Plan benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the years ended December 31, 2021 and 2020, there were no transfers.

PROFIT SHARING AND 401(K) PLAN AND TRUST**

Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

3. Fair Value Measurements of Investments (continued)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Collective Investment Trust Fund	\$ 847,203	N/A	Daily	12 months
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Collective Investment Trust Fund	\$ 1,254,441	N/A	Daily	12 months

4. Party-in-Interest Transactions

Certain Plan investments are managed by Commerce Trust Company (Commerce). These investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan to Commerce and Newport Group, the Plan's third-party administrator and therefore another party-in-interest, were \$58,272 and \$67,912 for the years ended December 31, 2021 and 2020, respectively.

In addition, notes receivable from participants are party-in-interest transactions.

5. Tax Status

The Plan has adopted a prototype plan, which has received an opinion letter dated September 30, 2014 from the Internal Revenue Service (IRS) indicating that the Plan, as then designed, was qualified for tax exempt status under the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**GILL STUDIOS, INC. HOURLY PAID EMPLOYEES'
PROFIT SHARING AND 401(K) PLAN AND TRUST**

Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

6. Risks and Uncertainties

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedule.

7. Forfeitures

The nonvested portion of a terminated participant's 401(k) and PSP account balance is forfeited and allocated to remaining participants. For the years ended December 31, 2021 and 2020, \$4,397 and \$3,066 of forfeitures, respectively, were allocated to remaining participants.
