INDEPENDENT AUDITOR'S REPORT

September 20, 2022

To the Plan Administrator of the
LeChase Companies 401(k) Salary Savings Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of LeChase Companies 401(k) Salary Savings Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LeChase Companies 401(k) Salary Savings Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LeChase Companies 401(k) Salary Savings Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LeChase Companies 401(k) Salary Savings Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LeChase Companies 401(k) Salary Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of LeChase Companies 401(k) Salary Savings Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LECHASE COMPANIES 401(K) SALARY SAVINGS TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the LeChase Companies 401(k) Salary Savings Trust (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for the benefit of substantially all employees of LeChase Construction Services, LLC and certain of its affiliates and subsidiaries (collectively, the Company). The Plan includes both profit sharing and 401(k) components, and, unless otherwise indicated, the provisions of the Plan are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

American Trust Company (ATC) (formerly known as Unified Trust Company, NA (UTC) for the year ended December 31, 2020), is the trustee and custodian of the Plan's assets. ATC also provides recordkeeping services for the Plan. The Company is the plan sponsor and plan administrator. The Company pays certain administrative expenses of the Plan.

Eligibility

Effective October 1, 2021, employees that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan and receive employer matching contributions, upon the attainment of age 21. Effective December 31, 2021, participants are eligible to receive discretionary employer profit-sharing contributions if declared in a plan year, if they are employed on the last day of the Plan year.

Prior to October 1, 2021, each employee was eligible to participate in the Plan on the first monthly entrance date after employment began, subject to the attainment of age 21 and completion of two months of service. Prior to October 1, 2021, an employee became eligible to receive employer matching contributions on the first day of the month following the completion of six months of service. Prior to December 31, 2021, participants were eligible to receive discretionary employer profit-sharing contributions if declared in a plan year, if they have worked 1,000 hours during the year and were employed on the last day of the Plan year.

Contributions

The Plan allows for participants to contribute up to 100% of their total compensation on a pretax basis (Compensation Deferral), or Roth deferral after tax basis, not to exceed the maximum contribution limits established by the Internal Revenue Code (IRC). The Company may make matching contributions on a discretionary basis up to a maximum of 4% of a participant's compensation for a plan year.

During the 2021 and 2020 plan years, the Company made matching contributions equal to 100% of each participant's contribution, up to 2% of their compensation and matched additional contributions exceeding 2% of compensation in increments of 0.25% for each additional 1% of compensation deferred up to 6%. This results in a maximum matching contribution of 3%. The Company may also elect to make profit sharing contributions on a discretionary basis. There was no profit sharing contribution during 2021 or 2020. During the period March 1, 2020 through July 31, 2020, the Plan temporarily discontinued matching contributions due to uncertainties regarding the COVID-19 pandemic.

1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and actual earnings/losses thereon. Company matching and profit sharing contributions and earnings thereon vest 20% per year beginning with the second year of service, and are fully vested after six years, or the attainment of age 60.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contributions and actual earnings/losses thereon. Participant accounts are also credited with allocations of profit sharing contributions made by the Company. Participant accounts are charged with benefit payments, hardship withdrawals and an allocation of administrative expenses. Allocations of profit sharing contributions are based on participants' compensation for the year. Allocation of plan earnings and administrative expenses are based on participant account balances.

Benefit Payments

The Plan provides for normal retirement benefits upon reaching age 60 or upon termination of service. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. A participant may elect to receive a lump-sum cash payment, installment payments or a life annuity.

Hardship Withdrawals

Prior to age 59 $\frac{1}{2}$, hardship withdrawals are permitted from a participant's elective deferral contributions account balance under certain circumstances. All hardship withdrawals must comply with the IRS rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

The Plan includes a provision allowing eligible participants to borrow, from their vested account balance, a minimum amount of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The \$50,000 maximum amount is reduced by the participant's highest outstanding loan balance in the previous twelve months, even if the amount has been repaid. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of their vested accounts for those loans established from March 27, 2020 through September 22, 2020. Principal and interest are paid ratably through payroll deductions for a period not to exceed 5 years, except in the case of a loan taken for the purpose of purchasing a primary residence. Notes receivable from participants bear interest at a fixed rate equal to the prime rate in effect when the loan is originated plus 1%.

Forfeitures

Forfeitures of non-vested account balances may be used to reduce future employer matching contributions. During 2021 and 2020, forfeited non-vested account balances totaling \$128,971 and \$30,452, respectively, were used to reduce employer matching contributions. Forfeitures, including earnings thereon, totaled \$64,586 and \$78,930 during 2021 and 2020, respectively. Unallocated forfeitures totaled \$791 and \$65,176 at December 31, 2021 and 2020, respectively.

Administrative Expenses

Administrative expenses of the Plan are to be paid from plan assets or by the Company.

1. DESCRIPTION OF THE PLAN (Continued)

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based on the terms of the plan document. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

Benefit Payments

Benefit payments are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by ATC for the year ended December 31, 2021, and by UTC for the year ended December 31, 2020:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	<u>\$ 84,208,583</u>	<u>\$ 75,591,585</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 71,604,160</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 71,604,160
Collective trust, at net asset value ^(a)				<u>12,604,423</u>
				<u>\$ 84,208,583</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets fall within the fair value hierarchy as follows at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 63,304,368</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 63,304,368
Collective trust, at net asset value ^(a)				<u>12,287,217</u>
				<u>\$ 75,591,585</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: valued at fair value based on quoted prices in active markets.

Collective trust: valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the custodian reserves the right to temporarily delay withdrawal from the trust in order to ensure that the liquidations of the securities will be carried out in an orderly business manner.

The collective trust objective is to provide capital preservation and predictable, steady returns. The Fund seeks to achieve this objective by investing primarily in stable value products, such as Guaranteed Investment Certificates ("GICs"), also known as traditional GICs, separate account GICs and synthetic GICs. The fair value of this investment is not readily determinable and has been estimated using the net asset value per share of the underlying investments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving that determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by ATC (formerly known as UTC), the trustee and custodian of the Plan's assets, and therefore transactions involving securities managed by ATC qualify as party-in-interest transactions. Transactions involving notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2021 and 2020.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 20, 2022, which is the date the financial statements were available to be issued.
