Report of Independent Auditor

To the Plan Administrator
Dania Entertainment Center, LLC 401(k) Plan
Dania Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Dania Entertainment Center, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not, perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DANIA ENTERTAINMENT CENTER, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

Note 1—Description of the Plan

The following description of the Dania Entertainment Center, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General – The Plan, established in December 2019, is a defined contribution plan covering substantially all employees of Dania Entertainment Center, LLC (the “Company” or the “Plan Sponsor”) who are age 21 or older and have completed 60 days of service. Plan entry dates are the first day of each quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan Sponsor has designated certain employees, who serve without additional compensation, to administer the Plan. The Plan administrator has the overall responsibility and authority to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. Participant accounts are administrated by Principal Life Insurance Company (“PLIC”), the third party administrator of the Plan.

Contributions – Participants may make salary deferral contributions, as defined by the Plan, subject to the limitations of the Internal Revenue Code (“IRC”). Participants may designate a portion of their contributions as Roth 401(k) contributions. The Plan allows participants who have attained the age of 50 before the end of the Plan year to make catch-up contributions of up to \$6,500 per the IRC limits. Participants may also contribute amounts representing distributions from other qualified defined benefit and contribution plans.

Each year, the Company may elect to make a discretionary-matching contribution. In addition, the Company may make discretionary-qualified, non-elective contributions, which are allocated to eligible active participants based on a non-integrated formula, as defined in the Plan Agreement. No employer contributions were made during the year ended December 31, 2021.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contributions and qualified non-elective contributions, if any, (b) Plan earnings (losses) and charged with an allocation of (c) forfeitures and (d) any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options – Upon enrollment in the Plan, a participant may direct employee and Plan Sponsor contributions in any of the investment options offered by the Plan.

Vesting – Participants are immediately vested in their contributions plus actual earnings or losses thereon. Each participant’s Company discretionary-matching contributions and qualified non-elective contributions plus actual earnings or losses thereon become vested according to the following schedule for years of service:

<u>Years of Service</u>	<u>Vesting</u>
Less than 3 years	0%
3 years or more	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest that is similar to rates charged by persons in the business of lending money for loans which would be made under similar circumstances and must be based on appropriate regional factors unless the Plan is administered on a national basis. Loans must be fully repaid through payroll deductions within five years unless the loan is used for the purchase of the primary residence which may be repaid within a period of no more than 30 years. Principal and interest is paid ratably through payroll deductions.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

Note 1—Description of the Plan (continued)

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount, equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants are allowed in-service withdrawals of their participants' vested interest in his or her account upon attainment of retirement age or in the event of a financial hardship. Upon termination of employment, a participant is entitled to the entire participant account balance, which includes all of the vested Plan Sponsor's contributions allocated to the participant's account and all gains or losses attributable thereto. Participants should refer to the Plan documents for a full description of the distribution methods offered by the Plan.

Hardship Distribution – Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in the IRC Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the Internal Revenue Service ("IRS") deems an immediate and financial need of the participant.

Forfeitures – Forfeitures may be used to pay administrative expenses of the Plan or to reduce Plan Sponsor discretionary-matching contributions made after the forfeitures are determined. There were no forfeitures outstanding as of December 31, 2021 and 2020.

Note 2—Summary of significant accounting policies

Basis of Presentation – The Plan's financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value, except for the fully benefit-responsive investment, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits – Benefits are recorded when they have been processed and paid by the Plan.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

Note 2—Summary of significant accounting policies (continued)

Administrative Expenses – Administrative expenses are paid by either the Company on behalf of the Plan or from Plan assets. There is no guarantee the Company will continue to pay the Plan's expenses. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan.

Fair Value Measurement – Fair value determinations are made based upon a hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Three levels of inputs may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy, if applicable:

Pooled Separate Accounts – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of fund. NAV is used as a practical expedient to estimate fair value, and is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions (purchases and sales) may occur daily. These investments measured using NAV practical expedient are exempt from classification under the fair value hierarchy.

The Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 2—Summary of significant accounting policies (continued)

Fixed Income Guaranteed Option – Principal fixed income guaranteed option (“PFIGO”) is a single group annuity contract with a fixed rate of interest. The PFIGO is a fully benefit-responsive annuity contract issued by PLIC. The guaranteed minimum interest rate is 1.00%. Under the terms of the existing contract, the composite crediting rate is currently reset on a semi-annual basis and will never be less than the guaranteed minimum interest rate. Average yield earned by the Plan is calculated by dividing the annualized earnings of all fully benefit-responsive investment contracts by the fair value of all fully benefit-responsive investment contracts. The average yield earned by the Plan is the yield earned (i.e., interest credited) on the group annuity contract. During the year ended December 31, 2021, the interest rate for the contract was approximately 2%.

The investment is valued at contract value, which is the amount participants would receive if they were to withdraw or transfer funds prior to maturity. This does not include a 5% surrender charge which would be imposed if the Plan decided to terminate this investment contract. Certain events limit the ability of the Plan to transact at contract value with the issuer, including termination of a Plan’s interest. If the Plan Sponsor wishes to terminate the Plan’s interest, the value of the Plan’s interest will be paid out 12 months at contract value after the recordkeeper receives notification.

Note 3—Information certified by the Custodians (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the “Custodians”) have certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate:

- Investments, at fair value, and fully benefit-responsive investment, at contract value, as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan’s independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

Note 4—Fair value measurements

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021	2020
Pooled separate accounts measured at NAV * (a)		
Investments at fair value	\$ 328,375	\$ 224,224

(a) Certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits. As of December 31, 2021, pooled separate accounts had no unfunded commitments, and redemptions are processed daily with a no-notice period.

* Amounts are unaudited. See Note 3.

Note 5—Party-in-interest transactions

The Plan's investments are managed by the Custodians. These transactions qualify as exempt party-in-interest transactions. Fees paid to the Custodians amounted to \$4,392 for the Plan year ended December 31, 2021.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 6—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7—Tax status

On March 31, 2014, the IRS stated the prototype plan adopted by the Plan, as then designed, qualifies under Section 401 of the IRC. The Plan has not received a determination letter specific to the Plan itself. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8—Risks and uncertainties

The Plan provides for various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

As a result of the spread of a novel coronavirus ("COVID-19"), economic uncertainties have arisen triggering volatility in financial markets and a significant, negative impact on the global economy. As the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of potential losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

Note 9—Subsequent events

Plan management has evaluated all events subsequent to the statement of net assets available for benefits date of December 31, 2021 through September 27, 2022, which is the date these financial statements were available to be issued.
