Independent Auditors' Report

To the Plan Administrator
Affinity Hospice Holdings, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Affinity Hospice Holdings, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 and schedule of assets (held at year end) as of December 31, 2021 are presented for the purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by a qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

AFFINITY HOSPICE HOLDINGS, LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

(1) Description of plan

The following description of the Affinity Hospice Holdings, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, adopted on June 1, 2019, is a defined contribution plan established to provide retirement benefits for employees of Affinity Hospice Holdings, LLC and affiliated companies (the "Plan Sponsor"). The Plan covers substantially all full-time employees who are age twenty-one or older and have completed three months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation not to exceed the maximum amount deductible for federal income tax purposes.

The Plan provides that the Plan Sponsor may make discretionary matching contributions and profit sharing contributions to all eligible employees. A participant must be employed on the last day of the Plan year to receive the profit sharing contribution. Allocations of the Plan Sponsor's discretionary matching contribution are equal to a uniform percentage of the participants' elective deferrals. The Plan Sponsor matching contributions totaled \$27,352 and \$31,742 in 2021 and 2020, respectively. The Plan Sponsor did not make any profit sharing contributions in 2021 or 2020. Plan Sponsor contributions may not exceed the maximum amount deductible for federal income tax purposes.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions, allocations of Plan Sponsor contributions, investment earnings (losses) and administrative expenses. Allocations are based on a participant's compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

AFFINITY HOSPICE HOLDINGS, LLC 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

(d) Vesting

Participants are immediately vested in their elective salary deferrals plus actual earnings (losses) thereon. Participants are 20% vested in the Plan Sponsor's discretionary matching contributions and profit sharing contributions after one year of service, with the vesting increasing an additional 20% each year thereafter, until the participant is 100% vested after five years of credited service.

(e) Payment of benefits

Upon termination of service, death, disability, or retirement, a participant or their beneficiary is entitled to receive payment for the vested interest in his or her account. Participants with vested interests less than \$5,000 will receive a distribution in the form of a lump-sum payment. Participants with vested interests greater than or equal to \$5,000 may elect to receive a lump-sum payment, periodic payments over a specified period equal to their vested account, or partial withdrawals of at least \$100. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship as defined by the plan document and to those participants that have attained age 59½.

(f) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures may first be used to reduce administrative expenses and then to reduce the Plan Sponsor's contributions to the Plan. At December 31, 2021 and 2020, respectively, forfeited nonvested accounts totaled \$57 and \$84. In 2021 and 2020, respectively, \$6,884 and \$1,092 from forfeited nonvested accounts were used to reduce Plan Sponsor contributions.

(g) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

(h) Administrative expenses

Certain administrative expenses are paid directly by the Plan Sponsor; while certain administrative expenses, as well as investment expenses, are paid by the Plan. Certain fees incurred by the Plan for the investment management services are netted within the net appreciation in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

Notes to the Financial Statements

December 31, 2021 and 2020

(i) Plan changes

In 2020, the Plan implemented certain provisions allowed by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which change the Plan to suspend required minimum distributions and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by Capital Bank and Trust Company ("Capital Bank"). The investment values are discussed more fully in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

Notes to the Financial Statements

December 31, 2021 and 2020

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after the reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2021 and September 8, 2022, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Information related to investments reported and disclosed in the accompanying financial statements and schedule of assets (held at end of year), including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividend income for the years ended December 31, 2021 and 2020 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Notes to the Financial Statements

December 31, 2021 and 2020

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

- (i) *Mutual funds*: Valued at the net asset value of shares held by the Plan at year end in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements as of
December 31, 2021 using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value - mutual funds	\$ <u>1,839,448</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,839,448</u>

Fair Value Measurements as of
December 31, 2020 using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value - mutual funds	\$ <u>1,200,618</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,200,618</u>

(5) Income tax status

The Plan Sponsor adopted a prototype 401(k) profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the plan was designed in accordance with the applicable sections of the IRC. The plan has been amended since receiving the opinion letter, and the Plan itself has not received an opinion letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Untimely remittance of participant contributions

The Plan Sponsor is required by Department of Labor's regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions totaling \$836 withheld in 2021, the funds were not remitted timely.

(7) Related party and party-in-interest transactions

Plan investments are shares of mutual funds managed by American Funds, a third-party to the Plan and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualify as party-in-interest transactions under ERISA.

(8) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
