**Statement by Enrolled Actuary**

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

|-----------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Assumptions Made In Valuing Spouse's Benefit                          | All employees included in the valuation are assumed to be married. This percentage is used as the probability that survivor benefits will be payable due to preretirement deaths. The wife is assumed to be three years younger than the husband. |
| Optional Form Selection                                               | All employees are assumed to elect the lump sum form of benefit.                                                                                                                                                                                  |
| Provision for Expenses                                                | The expected non-investment related expenses expected to be paid from plan assets for the upcoming year were included in the Target Normal Cost for Minimum Required Contribution purposes.                                                       |
| Standing Elections                                                    | The client has not signed an election that provides for the automatic use of the Carryover Balance and/or Prefunding Balance if necessary to meet the minimum funding requirement.                                                                |
| Asset Method                                                          | Market Value of Assets plus interest adjusted accrued but unpaid contributions as of the valuation date.                                                                                                                                          |

**Statement by Enrolled Actuary**

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
