Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Kelly Spicers 401(k) Plan (formerly known as The Spicers 401(k) Plan) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Kelly Spicers 401(k) Plan (formerly known as The Spicers 401(k) Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE KELLY SPICERS 401(k) PLAN
(formerly known as *The Spicers 401(k) Plan*)
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Kelly Spicers 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

Effective November 1, 2021, Spicers changed its name to Kelly Spicers Inc. Commensurate with this change, the Plan’s name changed from The Spicers 401(k) Plan to The Kelly Spicers 401(k) Plan.

General: The Plan is a defined contribution plan covering all employees of Kelly Spicers Inc. (the “Company”) who have completed 30 days of service and who are not employees subject to a collective bargaining agreement or are temporary employees. The Plan has an auto enrollment policy, which automatically enrolls the participant after eligibility is achieved. Participants are enrolled in the Plan with a minimum contribution of 3%. This amount increases each year by 1% from each payroll up to a maximum rate of 10%. The automatic increase will occur on the first day of each plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan operates under the management of the Administrative Committee, appointed by the Company’s Board of Directors, as provided in the Plan.

Contributions: Each year, participants may contribute to the Plan up to the maximum dollar amount of \$19,500 for plan year 2021, adjusted annually for inflation. Catch-up contributions are also permitted by the Plan up to \$6,500 for plan year 2021, adjusted annually for inflation. The Plan provides for an employer match that is discretionary to each business location. The Company elected to match the participant’s contributions dollar for dollar up to a maximum of 5% of the participant’s salary at each business location for the year ended December 31, 2021 and from January 1, 2020 through April 19, 2020. Matching contributions were suspended from April 20, 2020 to December 31, 2020. The plan also provides for a discretionary profit-sharing contribution each year. There were no discretionary profit-sharing contributions for the year ended December 31, 2021.

In no event shall the participants’ contributions and the Company’s matching and profit-sharing contributions exceed the maximum deductible under Section 404(a) of the Internal Revenue Code, as amended (the “Code”).

Participant Accounts: Each participant’s account is credited with (a) the participant’s contributions, (b) rollover contributions, (c) the Company’s matching contributions, (d) the Company’s profit-sharing contributions, and (e) the Plan’s earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from his or her account.

Allocations: Investment earnings and gains and losses are allocated in the relationship each participant’s account bears to the balance of all participants’ accounts.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon and in amounts rolled over from participation in other plans. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service. Complete vesting also occurs when a participant attains normal retirement age, dies or suffers total permanent disability or when the Plan is terminated by the Company.

Forfeitures: Forfeitures are transferred to and maintained in a single forfeiture account, which is invested in interest-bearing deposits of the trustee. Forfeitures of \$99,275 were used to offset employer contributions for the year ended December 31, 2021. There were no forfeitures included in employer contributions 2020. As of December 31, 2021 and 2020, the forfeiture balance was \$113,044 and \$165,801, respectively. Forfeitures may be used to offset employer contributions for the year.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits: On termination of service or otherwise becoming eligible to receive benefits, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or monthly installments. In-service withdrawals are allowed upon attainment of age 59½ or for hardship purposes.

Investment Options: Participants in the Plan may choose among any one of the twenty-four mutual funds and one stable value collective trust as investment options.

Notes Receivable from Participants: The Plan has loaned certain participants \$919,511 and \$950,729 at December 31, 2021 and 2020, respectively. The interest rate is fixed at the time the participant borrows as of a rate of interest determined by the Plan administrator based on the prime rate plus 2%. As of December 31, 2021, and 2020, interest rates on outstanding notes receivable from participants ranged from 4.25% to 10.75%. Participants may borrow up to 50% of their vested account balances, not to exceed \$50,000, with the remaining participant account balance serving as collateral for the loan.

CARES Act: As of April 19, 2020, the Company amended the Plan as permitted by the Federal CARES Act of 2020 (the “CARES Act”) to eliminate any required minimum distribution to a Plan participant, incorporate the provisions for special “coronavirus-related distributions” and incorporate the special provisions for loans under then Plan as set forth in the CARES Act. The Company suspended any matching or other employer contributions to the Plan for the remaining Plan year 2020. All matching and other employer contributions resume for the Plan year 2021 in accordance with the terms of the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is wholly or partially terminated or if contributions by the Company are completely discontinued, the rights of all affected participants in their employer contribution accounts shall become 100% vested.

In the event of the Plan's termination, if no successor plan is established or maintained, lump-sum distributions shall be made in accordance with the terms of the Plan subject to the provisions of ERISA.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through September 26, 2022, which is the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Payment of Benefits: Benefits are recorded when paid.

Excess Contributions: Refunds of excess participant deferral contributions may be required to satisfy the relevant nondiscrimination provisions of the Plan. Such refunds are accrued as a liability and addition to benefits paid to participants in the Plan year in which the excess deferrals were made to the Plan.

Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Investments: Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis:

		Fair Value Measurements at December 31, Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
<u>December 31, 2021</u>				
Mutual Funds	\$ 112,454,849	\$ 112,454,849	\$ -	\$ -
Collective Trust Fund*	<u>6,622,522</u>	<u>-</u>	<u>-</u>	<u>-</u>
	<u>\$ 119,077,371</u>	<u>\$ 112,454,849</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2020</u>				
Mutual Funds	\$ 98,382,649	\$ 98,382,649	\$ -	\$ -
Collective Trust Fund*	<u>6,801,764</u>	<u>-</u>	<u>-</u>	<u>-</u>
	<u>\$ 105,184,413</u>	<u>\$ 98,382,649</u>	<u>\$ -</u>	<u>\$ -</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

THE KELLY SPICERS 401(k) PLAN
(formerly known as *The Spicers 401(k) Plan*)
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Level 1 investments consist of mutual funds stated at fair value based on quoted market prices. The fair value of participation units held in the collective trust is based on the net asset value per unit as reported by the fund manager. The collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 3 – TAX STATUS

The Plan has adopted the Vanguard Prototype Plan. The Internal Revenue Service issued an opinion letter dated May 28, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The associated trust of the Plan is exempt from federal income taxes. Although the Plan has been amended since receiving the opinion letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain investments held by the Plan are shares of mutual funds and a collective trust managed by Vanguard Fiduciary Trust Company ("Vanguard"), and therefore, these transactions qualify as exempt party in interest transactions. Notes receivable from participants as well as any expenses paid by the Plan also reflect party-in-interest transactions.

NOTE 5 – ADMINISTRATIVE EXPENSES

Most Plan administrative expenses are paid from the assets of the Plan. The Company may also, in its discretion, pay for some of the administrative expenses of the Plan.
