Koeller Nebeker Carlson Haluck LLP 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Koeller Nebeker Carlson Haluck LLP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Koeller Nebeker Carlson Haluck LLP 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Koeller Nebeker Carlson Haluck LLP 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Koeller Nebeker Carlson Haluck LLP 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Koeller Nebeker Carlson Haluck LLP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Koeller Nebeker Carlson Haluck LLP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of the year) as of December 31, 2021 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Koeller Nebeker Carlson Haluck LLP 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of Koeller Nebeker Carlson & Haluck, LLP 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Koeller Nebeker Carlson Haluck LLP ("KNCH", "Employer", "Company", or "Plan Sponsor"), established on January 1, 1997, and restated on October 15, 2018, and is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), related to participant loans and distributions. The Company has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Plan administration

KNCH is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. KNCH has delegated certain responsibilities for the operation and administration of the Plan. KNCH has contracted with Reliance Trust Company (the "Trustee") and Great-West Life & Annuity Company (the "Custodian") (collectively, the "Trustee and Custodians") to provide custodial services to the Plan. Empower Retirement provides recordkeeping and administrative services to the Plan.

Eligibility

Employees, excluding nonresident aliens, leased employees, and employees covered by a collectively bargained agreement, are eligible to participate by making elective deferrals to the Plan immediately upon the date of their employment. New participants can enter the Plan at the beginning of each month. Employees are eligible to receive discretionary profit sharing contributions, if any, after they complete one year of service and work 1,000 hours during that year. In addition, they must be employed at year end.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants may elect to contribute a portion of their compensation to the Plan, subject to calendar year contribution limits set forth by the Internal Revenue Code (IRC). Participant contributions may be made on a pre-tax basis or after-tax as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions which are also subject to IRC limits. Participants may also contribute amounts (rollovers) representing distributions from other qualified defined benefit or defined contribution plans.

Unless participants affirmatively elect otherwise, the Plan automatically defers a minimum of 6% of eligible compensation, on a pre-tax basis, each pay period and contributes that amount to the Plan. Under the provisions of the Plan, the participant's elective deferral rate will automatically increase each year by 1% of eligible compensation up to a maximum of 10%.

The Plan allows for discretionary Employer matching contributions; however, none were made to the Plan by the Company for the year ended December 31, 2021.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers), and an allocation of (a) the Company's contributions, if any, and (b) Plan earnings, if any, and charged with an allocation of Plan losses, if any, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their account balance or \$50,000, whichever is less. The notes receivables from the participants are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 7.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through monthly payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer contributions plus earnings thereon, is based on years of continuous service, as defined. Participants are 100% vested in the Employer contributions after 6 years of credited service. In the event of death, disability or attaining normal retirement age, participants are immediately 100% vested in all discretionary Employer contributions.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

The vesting schedule for the Employer discretionary matching contribution is as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	- %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Forfeitures accounts

Forfeitures of terminated participants' non-vested account balances may be used first to pay Plan expenses, then to reduce Employer contributions in the Plan year subsequent to when such forfeitures were determined to have occurred. Forfeited accounts totaled \$5,423 and \$5,178 as of December 31, 2021, and 2020, respectively. Forfeitures of \$600 were used to pay expenses during the 2021 Plan year. No amounts were used to reduce Employer contributions during the 2021 Plan year.

Payment of benefits

Upon termination of service due to death, disability, retirement, or termination of employment from the Company, a participant may elect to receive a lump-sum payment for the participant's vested interest in his or her account. Participants with an immediate and heavy financial need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan documents.

Administrative expenses

Certain administrative expenses of the Plan, including recordkeeping fees, were paid directly by KNCH for the year ended December 31, 2021. The Plan is not required to reimburse KNCH for expenses paid on its behalf. Transaction fees for certain participant-initiated activity are charged to the specific account of the participant initiating any such transaction. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Risk and uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements and changes therein.

Investment valuation and income recognition

Participants direct the investment of their contributions into a variety of investment options offered by the Plan, including mutual funds, common collective trusts, and a guaranteed interest account (GIA). The Plan's investments in mutual funds and self-directed brokerage accounts are stated at fair value as determined by the open market. The Plan's investment in common collective trusts are reported at fair value using net asset value (NAV), as a practical expedient to fair value as determined by the issuer. The Plan's investment in the GIA is a fully benefit-responsive investment contract valued at contract value as determined by Great-West.

Purchases and sales of investments are recorded on a trade date on the Plan's financial statements. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold during the year as well as held at year-end.

Koeller Nebeker Carlson Haluck LLP 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Contributions and contributions receivable

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by KNCH, which is the pay date. Employer contributions are recorded in the year earned to coincide with the year which KNCH records the contributions in its general ledger. The Plan records receivables based upon contributions recorded in the Plan year but received by the Plan subsequent to year end.

Rollover contributions from participants are recorded based on the date the rollover contributions were received by the Plan.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through September 16, 2022, the date the financial statements were available to be issued. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements.

3. FAIR VALUE MEASUREMENTS

Accounting standards require the fair value be determined based on the price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market, in an orderly transaction between market participants. The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

3. FAIR VALUE MEASUREMENTS (continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In instances where the determination of fair value measurement is based on inputs from the different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Mutual funds: Mutual funds are valued at the NAV of shares held by the Plan at year end which are quoted in an active market are classified within level 1 of the valuation hierarchy.

Common collective trusts (CCTs): Valued at its NAV as a practical expedient to fair value and as determined by the fund issuer, based on the market value of its underlying investments. While the majority of the underlying asset values are quoted prices, the net asset value of the common collective trusts are not publicly quoted. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the common collective trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage account: The self-directed brokerage accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices, using their respective published rates on the open market and are deemed to be actively traded.

The Plan's investment in the GIA is valued at contract value and is not disclosed in the fair value hierarchy.

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2021, and 2020, there were no restrictions on redemptions or unfunded commitments for any of the major classes of assets.

3. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets, by type, at fair value as of December 31, 2021:

* In accordance with Subtopic 820-10, certain investments that were measured at NAV as a practical expedient to fair value have not been classified within the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. GUARANTEED INTEREST ACCOUNT

The Plan has a GIA with Massachusetts Mutual Life Insurance Company (the "Issuer" or "Mass Mutual") under which participant directed contributions in the GIA are commingled with the general assets of the Issuer. The GIA is considered a fully benefit-responsive investment contract and is reported at contract value on the Plan's financial statements, as determined by Issuer and as certified by Great-West. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The crediting interest rate for the contract at December 31, 2021 and 2020, was 2.08%. The crediting interest rate is determined by the Issuer and is reset quarterly and is guaranteed to never fall below zero.

The GIA can be terminated by the Issuer if the total fair value of the investments or the annual contribution amounts fall below minimum levels as stated in the contract. The GIA can also be terminated by either the Company or the Issuer for additional reasons as defined in the contract. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) the Plan breaches a provision of the agreement with the Issuer (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan's trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the Issuer or the Plan's participants are probable of occurring at this time.

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Trustee and Custodian, determined to be qualified institutions by the plan administrator, have certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and other income as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments and notes receivables from participants reflected on the schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, as requested by the plan administrator, the Plan's auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and schedule of assets (held at end of year).

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AND CUSTODIAN
(UNAUDITED) (continued)

The Plan's Trustee and Custodian certified the following information included in the accompanying financial statements as accurate and complete for the year ended December 31, 2021:

Net appreciation in fair value of investments	\$ 2,812,603
Interest and dividends	455,877
Interest income on notes receivable from participants	13,654
Revenue credits	69,641

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts as defined in the plan document.

7. TAX STATUS

The Plan is a Volume Submitter Plan sponsored by Mass Mutual. The Volume Submitter Plan received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the document satisfies the applicable provisions of the IRC, and is appropriate for use by employers for the benefit of their employees. The Plan has been amended since the opinion letter; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to the definition of a related party in financial accounting standards, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associate or relatives of such persons.

Transactions conducted by the Trustee and Custodian and their affiliates and the Company, on behalf of the Plan, qualify as party-in-interest transactions. Also, the Plan Sponsor pays certain fees on behalf of the Plan.

Notes to Financial Statements
December 31, 2021 and 2020

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (continued)

The Plan has an agreement with the Custodian to receive expense budget account credits from the Custodian's revenue. These amounts are reflected on the statement of changes to net assets for available for benefits as revenue credits and are used to pay certain plan administrative expenses.

Certain fund level fees incurred by the funds in which the Plan invests for such services as investment management and shareholder services are paid through fund level revenue sharing arrangements. These fees reduce fund earnings, thereby impacting Plan revenue applied to participants' accounts.

The Trustee and Custodian retain as compensation, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
