INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
HotelBeds Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of HotelBeds Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the HotelBeds Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan was established on December 6, 2016 as a defined contribution plan covering all eligible employees of HotelBeds USA, Inc. (the “Plan Sponsor”, “Employer” or “Company”) and certain affiliated entities (collectively, “HotelBeds”).

Employees over 21 years of age are eligible to participate in the Plan upon completion of one month of service. Employees are allowed to enter the Plan immediately upon meeting all eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

CONTRIBUTIONS

Each year, participants may contribute up to 100% of their eligible annual compensation, as defined in the Plan document, subject to the maximum deferral amount allowed by the Internal Revenue Code (“IRC”) on a pre-tax or post-tax basis, provided that the sum of the pre-tax and post-tax contributions do not exceed the maximum annual amount allowed by the IRC. Under the IRC, the maximum deferral allowed was \$19,500 for 2021. Participants who attained age 50 before the Plan year are eligible to make catch-up contributions (\$6,500 in 2021). Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”).

The Company contributes a safe harbor matching contribution equal to 100% of salary deferrals up to 4% and 50% of the next 2% of the participant’s eligible annual compensation to the Plan. Participants are fully vested in Employer contributions immediately upon their enrollment date. The Company had contributed safe harbor matching contributions of approximately \$445,000 for the Plan year ended December 31, 2021. Forfeitures in the amount of approximately \$95,000 were applied to reduce the discretionary profit-sharing contributions.

The Employer may make discretionary non-elective contributions during the year in an amount determined by the Employer’s Board of Directors, subject to limitations of the IRC. The Employer did not make discretionary non-elective contributions to the Plan for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants direct the investment of their accounts into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any Rollovers into the Plan, the Employer's contributions and Plan earnings or losses. Each participant's account is reduced by any withdrawals or distributions directly associated with the participant and an allocation of administrative fees paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled at termination or retirement is the benefit that can be provided from the participant's vested account balance.

VESTING

Plan participants are immediately vested in their individual contributions, Rollovers, safe harbor matching contributions, plus actual earnings thereon. Vesting in the Employer's discretionary non-elective contributions is based on years of service. A Plan year during which a participant works at least 1,000 hours is counted as one year of service for vesting purposes. Employer discretionary non-elective contributions and earnings thereon vest in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1	33%
2	66%
3	100%

Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. Upon death, total disability, or retirement, participants become 100% vested in the Employer discretionary non-elective contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts any amount from a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the vested balance in the participant's account. The interest rate charged is based on prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances and will remain fixed throughout the duration of the loan. As of December 31, 2021, the interest rate on outstanding loans ranged from 4.25% to 6.5%. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a home, in which case a reasonable repayment period is determined at the time of the note receivable.

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. Such participant notes are re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance.

PAYMENT OF BENEFITS

A participant's vested interest in the Plan's assets is distributable generally upon termination, disability, retirement or death. Payment is made in a lump sum or through the purchase of an annuity contract. A participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Balances under \$1,000, for terminated participants, are automatically paid out of the Plan. The Plan includes mandatory provisions requiring terminated participants with vested account balances, including rollover contribution accounts, of at least \$1,000 but not more than \$5,000 to automatically rollover to an Individual Retirement Account ("IRA") for the benefit of the participant.

During 2020, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act"), which was signed into law on January 1, 2020. The SECURE Act changes the minimum distributions age from when distributions must begin from 70 ½ to 72.

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

HARDSHIP WITHDRAWALS

Under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. For the year ended December 31, 2021, there was approximately \$33,000 in hardship distributions, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

FORFEITURES

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account balance, as defined in the Plan document, represents forfeitures. These accounts may be used to pay Plan administrative fees or to offset future Employer contributions. Forfeited accounts at December 31, 2021 and 2020 were approximately \$26,000 and \$106,000, respectively. During the year ended December 31, 2021, forfeitures of approximately \$95,000 were used to reduce Employer contributions applicable to 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the Plan's fully benefit-responsive investment contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurement.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivables are treated as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements, while others are paid by the Plan and allocated to participant account on a pro rata basis, as defined in the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the related participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification ("ASC") Topic No. 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 of the fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan's financial statements.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 28, 2022, the date the financial statements were available to be issued.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividends and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Personal Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 - STABLE VALUE FUND

The Fidelity Managed Income Portfolio Class 1 Fund is an income portfolio (the “Portfolio”) which is a group annuity contract issued directly to the Plan and maintained by Fidelity. The Portfolio’s investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

To achieve its investment objective, the Portfolio invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into “wrap” contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds.

Fidelity seeks to minimize the exposure of the Portfolio to wrap credit risk through, among other means, diversification of the wrap contracts across an approved group of issuers. The Portfolio’s ability to receive amounts due pursuant to these contracts is dependent upon the issuers’ ability to meet their financial obligations. As of December 31, 2021 and 2020, the Portfolio’s contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$492,923 and \$621,527, respectively.

For purposes of benefit-responsive withdrawals, investments in wrap contracts are valued at contract value, which could be more or less than fair value. An investment contract is generally permitted to be valued at contract value, rather than fair value, to the extent it is fully benefit-responsive and held by a trust offered only to qualified employer-sponsored defined contribution plans. An investment contract is considered fully benefit-responsive if: 1) it is effected directly between the Portfolio and the issuer and may not be transferred without the consent of the issuer, 2) the issuer of the wrap contract provides assurance that the contract crediting rate will not be adjusted to less than zero, 3) the contract requires all permitted unitholder-initiated transactions with the Portfolio to occur at contract value without limitation, 4) it is improbable that an event will occur that would limit the ability of the Portfolio to transact at contract value with both the issuer and unitholders and 5) the Portfolio allows unitholders reasonable access to their funds. Investment contracts that do not meet the criteria for valuation at contract value will be valued at fair value as determined by the Trustee. These investment contracts provide for benefit-responsive withdrawals at contract value.

Fidelity Management Trust Company (“FMTC”) may terminate and replace wrap contracts under various circumstances, including when there is a default by the wrap issuer. A wrap issuer may terminate a wrap contract at any time. In the event that the market value of the Portfolio’s covered assets is below its contract value at the time of such termination, FMTC may elect to keep the wrap contract in place until such time as the market value of the Portfolio’s covered assets is equal to its contract value, normally over the duration of the Portfolio measured at notification date. A wrap issuer may also terminate a wrap contract if FMTC’s investment management authority over the Portfolio is limited or terminated, as well as if all of the terms of the wrap contract fail to be met.

HOTELBEDS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 - STABLE VALUE FUND (CONTINUED)

In the event that the market value of the Portfolio's covered assets is below contract value at the time of such termination, the terminating wrap provider would not be required to make a payment to the Portfolio.

NOTE 6 - PARTY-IN-INTEREST

Fidelity was appointed by the Plan Sponsor to perform record-keeping and other administrative services on behalf of the Plan. For the year ended December 31, 2021, fees charged to the Plan by Fidelity for services amounted to approximately \$55,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan Sponsor adopted a Non Standardized Pre-Approved Profit Sharing Plan (the "Defined Contribution Pre-Approved Plan"), which received an opinion letter from the IRS dated June 30, 2020, that the Plan and related trust, as then designed, was in accordance with applicable sections of the IRC. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 - STABLE VALUE FUND

The Fidelity Managed Income Portfolio Class 1 Fund is an income portfolio (the “Portfolio”) which is a group annuity contract issued directly to the Plan and maintained by Fidelity. The Portfolio’s investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

To achieve its investment objective, the Portfolio invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into “wrap” contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds.

Fidelity seeks to minimize the exposure of the Portfolio to wrap credit risk through, among other means, diversification of the wrap contracts across an approved group of issuers. The Portfolio’s ability to receive amounts due pursuant to these contracts is dependent upon the issuers’ ability to meet their financial obligations. As of December 31, 2021 and 2020, the Portfolio’s contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$492,923 and \$621,527, respectively.

For purposes of benefit-responsive withdrawals, investments in wrap contracts are valued at contract value, which could be more or less than fair value. An investment contract is generally permitted to be valued at contract value, rather than fair value, to the extent it is fully benefit-responsive and held by a trust offered only to qualified employer-sponsored defined contribution plans. An investment contract is considered fully benefit-responsive if: 1) it is effected directly between the Portfolio and the issuer and may not be transferred without the consent of the issuer, 2) the issuer of the wrap contract provides assurance that the contract crediting rate will not be adjusted to less than zero, 3) the contract requires all permitted unitholder-initiated transactions with the Portfolio to occur at contract value without limitation, 4) it is improbable that an event will occur that would limit the ability of the Portfolio to transact at contract value with both the issuer and unitholders and 5) the Portfolio allows unitholders reasonable access to their funds. Investment contracts that do not meet the criteria for valuation at contract value will be valued at fair value as determined by the Trustee. These investment contracts provide for benefit-responsive withdrawals at contract value.

Fidelity Management Trust Company (“FMTC”) may terminate and replace wrap contracts under various circumstances, including when there is a default by the wrap issuer. A wrap issuer may terminate a wrap contract at any time. In the event that the market value of the Portfolio’s covered assets is below its contract value at the time of such termination, FMTC may elect to keep the wrap contract in place until such time as the market value of the Portfolio’s covered assets is equal to its contract value, normally over the duration of the Portfolio measured at notification date. A wrap issuer may also terminate a wrap contract if FMTC’s investment management authority over the Portfolio is limited or terminated, as well as if all of the terms of the wrap contract fail to be met.

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 5 - STABLE VALUE FUND (CONTINUED)

In the event that the market value of the Portfolio's covered assets is below contract value at the time of such termination, the terminating wrap provider would not be required to make a payment to the Portfolio.

NOTE 6 - PARTY-IN-INTEREST

Fidelity was appointed by the Plan Sponsor to perform record-keeping and other administrative services on behalf of the Plan. For the year ended December 31, 2021, fees charged to the Plan by Fidelity for services amounted to approximately \$55,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan Sponsor adopted a Non Standardized Pre-Approved Profit Sharing Plan (the "Defined Contribution Pre-Approved Plan"), which received an opinion letter from the IRS dated June 30, 2020, that the Plan and related trust, as then designed, was in accordance with applicable sections of the IRC. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
