SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection
--	--	--

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021		
A Name of plan DELAVAL INC. RETIREMENT SAVINGS PLAN	B Three-digit plan number (PN) ►	001
C Plan sponsor's name as shown on line 2a of Form 5500 DELAVAL INC.	D Employer Identification Number (EIN) 22-2734539	

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RUBINBROWN, LLP

(2) EIN: 43-0765316

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a	X		584164

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

- 14** Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

a The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: ☐ last contributing employer ☐ alternative ☐ reasonable approximation (see instructions for required attachment).....

14a

b The plan year immediately preceding the current plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

14b

c The second preceding plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

14c

- 15** Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

a The corresponding number for the plan year immediately preceding the current plan year.....

15a

b The corresponding number for the second preceding plan year.....

15b

- 16** Information with respect to any employers who withdrew from the plan during the preceding plan year:

a Enter the number of employers who withdrew during the preceding plan year.....

16a

b If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers.....

16b

- 17** If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans

- 18** If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

- 19** If the total number of participants is 1,000 or more, complete lines (a) through (c)

a Enter the percentage of plan assets held as:

Stock: _____% Investment-Grade Debt: _____% High-Yield Debt: _____% Real Estate: _____% Other: _____%

b Provide the average duration of the combined investment-grade and high-yield debt:

☐ 0-3 years ☐ 3-6 years ☐ 6-9 years ☐ 9-12 years ☐ 12-15 years ☐ 15-18 years ☐ 18-21 years ☐ 21 years or more

c What duration measure was used to calculate line 19(b)?

☐ Effective duration ☐ Macaulay duration ☐ Modified duration ☐ Other (specify): _____

- 20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation _____

Independent Auditors' Report

Plan Administrator
DeLaval Inc. Retirement Savings Plan
Kansas City, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of DeLaval, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of DeLaval Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DeLaval Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of DeLaval Inc. Retirement Savings Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated August 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DELAVAL INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 And 2020

1. Description Of The Plan

The following description of the DeLaval Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of DeLaval Inc. (the Company) generally not subject to a collective bargaining agreement, with the exception of West Agro Inc., and Warehouse, Mail Order, Office, Technical and Professional Employee Union Local No. 743, who have 3 months of service and are age 21 or older. Effective September 27, 2021, the Plan was restated and reduced the eligibility age to 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed certain Internal Revenue Service (IRS) limitations. Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Company contribution consists of a discretionary matching contribution and a nonelective contribution. For the years ended December 31, 2021 and 2020, the Company made a discretionary matching contribution. The Company matched up to 50% of the first 6% deferred by the participant. For the years ended December 31, 2021 and 2020, the Company also made a nonelective contribution. The Company's nonelective contribution is an amount equal to 3% of compensation for each participant who has completed less than ten years of service. The nonelective contribution is increased to 4% of compensation for participants who have completed ten or more years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions and nonelective contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a participant directed brokerage account or various investment options maintained by Fidelity Management Trust Company. Participants may change their investment options at any time.

Vesting

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, 40% after three, 70% after four and 100% after five years. Participants who are 65 years of age or older are automatically 100% vested.

Forfeitures

Forfeitures of nonvested benefits are used to pay administrative expenses related to the operation of the Plan. Remaining forfeitures, if any, are used to reduce any Company contributions. Forfeitures which were utilized to reduce Plan expenses for the Plan years ended December 31, 2021 and 2020 were \$60,321 and \$72,516, respectively. Forfeitures which were utilized to reduce Company contributions for the Plan years ended December 31, 2021 and 2020 were \$20,793 and \$3,253, respectively. At December 31, 2021 and 2020, available forfeited nonvested accounts totaled \$349,960 and \$172,976, respectively.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the total value of the participant's vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Participants can have one loan outstanding at a time. Loans are secured by participants' vested account balances. At December 31, 2021, outstanding loans bear interest at rates ranging from 5.25% to 7.50%. Principal and interest are repaid through payroll withholdings, with maturity dates through October 2031.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Payment Of Benefits

The Plan provides for retirement at age 65. On termination of service or other distributable event with a vested account balance of \$1,000 or more, a participant may elect to receive a single cash distribution, a direct rollover distribution to an Individual Retirement Account (IRA) or new employer's eligible plan or 403(a) annuity, or a combination of a cash distribution and rollover. If the vested account balance is less than \$1,000, a participant receives a lump sum, unless the participant chooses a different payment option.

Hardship Withdrawals

A participant may make withdrawals from his or her participant deferral contributions account in the event of undue financial hardship, which includes payments for education expenses, medical or burial expenses, the purchase of a home or delinquent mortgage payments, and for the repair of damage to the participant's principal residence as defined by the Plan Agreement.

Administrative Expenses

Costs of administering the Plan are generally paid by the Company. Other fees are paid by the Plan participants. In situations where recordkeeping revenue received in connection with plan services exceeds agreed-upon compensation, the Plan Administrator deposits amounts equal to such excess revenue in a suspense account in the Plan. These amounts are used to reduce future Company contributions or administrative expenses. At December 31, 2021 and 2020, the available revenues to offset expenses were \$45,839 and \$20,794, respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security, or CARES, Act was passed into law. The CARES Act outlines special rules for use of retirement funds for those affected by COVID-19 that temporarily allow for the following: tax-favored withdrawals, increased loan limits to \$100,000, suspension of repayment of loans for up to a year, and delay of minimum required distributions. The Plan has adopted these provisions. The provisions under the CARES Act ceased on December 31, 2020.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Estimates And Assumptions

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation presents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Fidelity Management Trust Company, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company that the information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	2021	2020
Investments - At Fair Value		
Mutual funds	\$ 80,639,383	\$ 75,355,743
Common/collective trusts	4,713,371	4,091,608
Self-directed brokerage accounts	675,956	938,667
Notes Receivable From Participants	941,228	872,866

Fidelity Management Trust Company also certified to the completeness and accuracy related to the following investment income and interest income on notes receivable from participants for the years ended December 31:

	2021	2020
Interest and dividends	\$ 4,673,774	\$ 2,004,223
Net change in fair value of investments	6,556,737	10,278,730
Interest income on notes receivable from participants	45,938	51,157

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Self-directed brokerage accounts are comprised of mutual funds.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements (Continued)

Common/Collective Trust

Valued at the unit value or NAV of shares held by the Plan at year-end. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The common/collective trust held by the Plan is not required to be reported in the fair value hierarchy. The common/collective trust held by the Plan files an annual report on Form 5500 as a direct filing entity. The common/collective trust has no unfunded capital commitments, and this investment may be redeemed daily.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 80,639,383	\$ —	\$ —	\$ 80,639,383
Self-directed brokerage accounts	675,956	—	—	675,956
Total Assets In The Fair Value Hierarchy	\$ 81,315,339	\$ —	\$ —	81,315,339
Common/collective trust measured at net asset value {a}				4,713,371
Total investments at fair value				\$ 86,028,710

	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 75,355,743	\$ —	\$ —	\$ 75,355,743
Self-directed brokerage accounts	938,667	—	—	938,667
Total Assets In The Fair Value Hierarchy	\$ 76,294,410	\$ —	\$ —	76,294,410
Common/collective trust measured at net asset value {a}				4,091,608
Total investments at fair value				\$ 80,386,018

{a} Certain investments that are measured at fair value using the net asset per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

5. Party In Interest Transactions

The Plan investments include mutual funds managed by an affiliate of the Trustee and, therefore, qualify as party in interest transactions allowable under ERISA. Fees incurred by the Plan for the investment management services are included in the net appreciation fair value of investments, as they are paid through revenue sharing.

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These loans are considered party in interest transactions and are allowable under ERISA.

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

8. Income Tax Status

The Plan used a prototype plan document sponsored by Fidelity Management & Research Company (FMRC) through September 26, 2021. FMRC received an opinion letter from the IRS, dated March 31, 2014, which stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Effective September 27, 2021, the Plan was restated and uses a pre-approved plan document sponsored by FMRC. FMRC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 86,969,938	\$ 81,258,884
Deemed distributed loans	<u>(64,750)</u>	<u>(106,212)</u>
Net assets available for benefits per form 5500	<u>\$ 86,905,188</u>	<u>\$ 81,152,672</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase per the financial statements	\$ 5,711,054
Change in deemed distributed loans	<u>41,462</u>
Net income per form 5500	<u>\$ 5,752,516</u>

Independent Auditors' Report

Plan Administrator
DeLaval Inc. Retirement Savings Plan
Kansas City, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of DeLaval, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of DeLaval Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DeLaval Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of DeLaval Inc. Retirement Savings Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated August 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DELAVAL INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 And 2020

1. Description Of The Plan

The following description of the DeLaval Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of DeLaval Inc. (the Company) generally not subject to a collective bargaining agreement, with the exception of West Agro Inc., and Warehouse, Mail Order, Office, Technical and Professional Employee Union Local No. 743, who have 3 months of service and are age 21 or older. Effective September 27, 2021, the Plan was restated and reduced the eligibility age to 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed certain Internal Revenue Service (IRS) limitations. Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Company contribution consists of a discretionary matching contribution and a nonelective contribution. For the years ended December 31, 2021 and 2020, the Company made a discretionary matching contribution. The Company matched up to 50% of the first 6% deferred by the participant. For the years ended December 31, 2021 and 2020, the Company also made a nonelective contribution. The Company's nonelective contribution is an amount equal to 3% of compensation for each participant who has completed less than ten years of service. The nonelective contribution is increased to 4% of compensation for participants who have completed ten or more years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions and nonelective contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a participant directed brokerage account or various investment options maintained by Fidelity Management Trust Company. Participants may change their investment options at any time.

Vesting

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, 40% after three, 70% after four and 100% after five years. Participants who are 65 years of age or older are automatically 100% vested.

Forfeitures

Forfeitures of nonvested benefits are used to pay administrative expenses related to the operation of the Plan. Remaining forfeitures, if any, are used to reduce any Company contributions. Forfeitures which were utilized to reduce Plan expenses for the Plan years ended December 31, 2021 and 2020 were \$60,321 and \$72,516, respectively. Forfeitures which were utilized to reduce Company contributions for the Plan years ended December 31, 2021 and 2020 were \$20,793 and \$3,253, respectively. At December 31, 2021 and 2020, available forfeited nonvested accounts totaled \$349,960 and \$172,976, respectively.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the total value of the participant's vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Participants can have one loan outstanding at a time. Loans are secured by participants' vested account balances. At December 31, 2021, outstanding loans bear interest at rates ranging from 5.25% to 7.50%. Principal and interest are repaid through payroll withholdings, with maturity dates through October 2031.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Payment Of Benefits

The Plan provides for retirement at age 65. On termination of service or other distributable event with a vested account balance of \$1,000 or more, a participant may elect to receive a single cash distribution, a direct rollover distribution to an Individual Retirement Account (IRA) or new employer's eligible plan or 403(a) annuity, or a combination of a cash distribution and rollover. If the vested account balance is less than \$1,000, a participant receives a lump sum, unless the participant chooses a different payment option.

Hardship Withdrawals

A participant may make withdrawals from his or her participant deferral contributions account in the event of undue financial hardship, which includes payments for education expenses, medical or burial expenses, the purchase of a home or delinquent mortgage payments, and for the repair of damage to the participant's principal residence as defined by the Plan Agreement.

Administrative Expenses

Costs of administering the Plan are generally paid by the Company. Other fees are paid by the Plan participants. In situations where recordkeeping revenue received in connection with plan services exceeds agreed-upon compensation, the Plan Administrator deposits amounts equal to such excess revenue in a suspense account in the Plan. These amounts are used to reduce future Company contributions or administrative expenses. At December 31, 2021 and 2020, the available revenues to offset expenses were \$45,839 and \$20,794, respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security, or CARES, Act was passed into law. The CARES Act outlines special rules for use of retirement funds for those affected by COVID-19 that temporarily allow for the following: tax-favored withdrawals, increased loan limits to \$100,000, suspension of repayment of loans for up to a year, and delay of minimum required distributions. The Plan has adopted these provisions. The provisions under the CARES Act ceased on December 31, 2020.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Estimates And Assumptions

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation presents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Fidelity Management Trust Company, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company that the information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	2021	2020
Investments - At Fair Value		
Mutual funds	\$ 80,639,383	\$ 75,355,743
Common/collective trusts	4,713,371	4,091,608
Self-directed brokerage accounts	675,956	938,667
Notes Receivable From Participants	941,228	872,866

Fidelity Management Trust Company also certified to the completeness and accuracy related to the following investment income and interest income on notes receivable from participants for the years ended December 31:

	2021	2020
Interest and dividends	\$ 4,673,774	\$ 2,004,223
Net change in fair value of investments	6,556,737	10,278,730
Interest income on notes receivable from participants	45,938	51,157

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements (*Continued*)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Self-directed brokerage accounts are comprised of mutual funds.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements (Continued)

Common/Collective Trust

Valued at the unit value or NAV of shares held by the Plan at year-end. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The common/collective trust held by the Plan is not required to be reported in the fair value hierarchy. The common/collective trust held by the Plan files an annual report on Form 5500 as a direct filing entity. The common/collective trust has no unfunded capital commitments, and this investment may be redeemed daily.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 80,639,383	\$ —	\$ —	\$ 80,639,383
Self-directed brokerage accounts	675,956	—	—	675,956
Total Assets In The Fair Value Hierarchy	\$ 81,315,339	\$ —	\$ —	81,315,339
Common/collective trust measured at net asset value {a}				4,713,371
Total investments at fair value				\$ 86,028,710

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 75,355,743	\$ —	\$ —	\$ 75,355,743
Self-directed brokerage accounts	938,667	—	—	938,667
Total Assets In The Fair Value Hierarchy	\$ 76,294,410	\$ —	\$ —	76,294,410
Common/collective trust measured at net asset value {a}				4,091,608
Total investments at fair value				\$ 80,386,018

{a} Certain investments that are measured at fair value using the net asset per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

5. Party In Interest Transactions

The Plan investments include mutual funds managed by an affiliate of the Trustee and, therefore, qualify as party in interest transactions allowable under ERISA. Fees incurred by the Plan for the investment management services are included in the net appreciation fair value of investments, as they are paid through revenue sharing.

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These loans are considered party in interest transactions and are allowable under ERISA.

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

8. Income Tax Status

The Plan used a prototype plan document sponsored by Fidelity Management & Research Company (FMRC) through September 26, 2021. FMRC received an opinion letter from the IRS, dated March 31, 2014, which stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Effective September 27, 2021, the Plan was restated and uses a pre-approved plan document sponsored by FMRC. FMRC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 86,969,938	\$ 81,258,884
Deemed distributed loans	<u>(64,750)</u>	<u>(106,212)</u>
Net assets available for benefits per form 5500	<u>\$ 86,905,188</u>	<u>\$ 81,152,672</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase per the financial statements	\$ 5,711,054
Change in deemed distributed loans	<u>41,462</u>
Net income per form 5500	<u>\$ 5,752,516</u>

Independent Auditors' Report

Plan Administrator
DeLaval Inc. Retirement Savings Plan
Kansas City, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of DeLaval, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of DeLaval Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DeLaval Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeLaval Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of DeLaval Inc. Retirement Savings Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated August 2, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DELAVAL INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 And 2020

1. Description Of The Plan

The following description of the DeLaval Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of DeLaval Inc. (the Company) generally not subject to a collective bargaining agreement, with the exception of West Agro Inc., and Warehouse, Mail Order, Office, Technical and Professional Employee Union Local No. 743, who have 3 months of service and are age 21 or older. Effective September 27, 2021, the Plan was restated and reduced the eligibility age to 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, not to exceed certain Internal Revenue Service (IRS) limitations. Salary deferral contributions can be made as either pre-tax or Roth (after-tax) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). The Company contribution consists of a discretionary matching contribution and a nonelective contribution. For the years ended December 31, 2021 and 2020, the Company made a discretionary matching contribution. The Company matched up to 50% of the first 6% deferred by the participant. For the years ended December 31, 2021 and 2020, the Company also made a nonelective contribution. The Company's nonelective contribution is an amount equal to 3% of compensation for each participant who has completed less than ten years of service. The nonelective contribution is increased to 4% of compensation for participants who have completed ten or more years of service.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions and nonelective contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a participant directed brokerage account or various investment options maintained by Fidelity Management Trust Company. Participants may change their investment options at any time.

Vesting

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after two years of credited service, 40% after three, 70% after four and 100% after five years. Participants who are 65 years of age or older are automatically 100% vested.

Forfeitures

Forfeitures of nonvested benefits are used to pay administrative expenses related to the operation of the Plan. Remaining forfeitures, if any, are used to reduce any Company contributions. Forfeitures which were utilized to reduce Plan expenses for the Plan years ended December 31, 2021 and 2020 were \$60,321 and \$72,516, respectively. Forfeitures which were utilized to reduce Company contributions for the Plan years ended December 31, 2021 and 2020 were \$20,793 and \$3,253, respectively. At December 31, 2021 and 2020, available forfeited nonvested accounts totaled \$349,960 and \$172,976, respectively.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the total value of the participant's vested account balance. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Participants can have one loan outstanding at a time. Loans are secured by participants' vested account balances. At December 31, 2021, outstanding loans bear interest at rates ranging from 5.25% to 7.50%. Principal and interest are repaid through payroll withholdings, with maturity dates through October 2031.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Payment Of Benefits

The Plan provides for retirement at age 65. On termination of service or other distributable event with a vested account balance of \$1,000 or more, a participant may elect to receive a single cash distribution, a direct rollover distribution to an Individual Retirement Account (IRA) or new employer's eligible plan or 403(a) annuity, or a combination of a cash distribution and rollover. If the vested account balance is less than \$1,000, a participant receives a lump sum, unless the participant chooses a different payment option.

Hardship Withdrawals

A participant may make withdrawals from his or her participant deferral contributions account in the event of undue financial hardship, which includes payments for education expenses, medical or burial expenses, the purchase of a home or delinquent mortgage payments, and for the repair of damage to the participant's principal residence as defined by the Plan Agreement.

Administrative Expenses

Costs of administering the Plan are generally paid by the Company. Other fees are paid by the Plan participants. In situations where recordkeeping revenue received in connection with plan services exceeds agreed-upon compensation, the Plan Administrator deposits amounts equal to such excess revenue in a suspense account in the Plan. These amounts are used to reduce future Company contributions or administrative expenses. At December 31, 2021 and 2020, the available revenues to offset expenses were \$45,839 and \$20,794, respectively.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security, or CARES, Act was passed into law. The CARES Act outlines special rules for use of retirement funds for those affected by COVID-19 that temporarily allow for the following: tax-favored withdrawals, increased loan limits to \$100,000, suspension of repayment of loans for up to a year, and delay of minimum required distributions. The Plan has adopted these provisions. The provisions under the CARES Act ceased on December 31, 2020.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Estimates And Assumptions

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation presents the difference between the aggregate fair value of investments at year end and the values at the beginning of the year and includes any realized gains and losses in securities that were bought and sold during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by Fidelity Management Trust Company, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company that the information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	2021	2020
Investments - At Fair Value		
Mutual funds	\$ 80,639,383	\$ 75,355,743
Common/collective trusts	4,713,371	4,091,608
Self-directed brokerage accounts	675,956	938,667
Notes Receivable From Participants	941,228	872,866

Fidelity Management Trust Company also certified to the completeness and accuracy related to the following investment income and interest income on notes receivable from participants for the years ended December 31:

	2021	2020
Interest and dividends	\$ 4,673,774	\$ 2,004,223
Net change in fair value of investments	6,556,737	10,278,730
Interest income on notes receivable from participants	45,938	51,157

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Self-directed brokerage accounts are comprised of mutual funds.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements (Continued)

Common/Collective Trust

Valued at the unit value or NAV of shares held by the Plan at year-end. The NAV, as provided by the trustee of the fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The common/collective trust held by the Plan is not required to be reported in the fair value hierarchy. The common/collective trust held by the Plan files an annual report on Form 5500 as a direct filing entity. The common/collective trust has no unfunded capital commitments, and this investment may be redeemed daily.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 80,639,383	\$ —	\$ —	\$ 80,639,383
Self-directed brokerage accounts	675,956	—	—	675,956
Total Assets In The Fair Value Hierarchy	\$ 81,315,339	\$ —	\$ —	81,315,339
Common/collective trust measured at net asset value {a}				4,713,371
Total investments at fair value				\$ 86,028,710

	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 75,355,743	\$ —	\$ —	\$ 75,355,743
Self-directed brokerage accounts	938,667	—	—	938,667
Total Assets In The Fair Value Hierarchy	\$ 76,294,410	\$ —	\$ —	76,294,410
Common/collective trust measured at net asset value {a}				4,091,608
Total investments at fair value				\$ 80,386,018

{a} Certain investments that are measured at fair value using the net asset per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

5. Party In Interest Transactions

The Plan investments include mutual funds managed by an affiliate of the Trustee and, therefore, qualify as party in interest transactions allowable under ERISA. Fees incurred by the Plan for the investment management services are included in the net appreciation fair value of investments, as they are paid through revenue sharing.

Certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These loans are considered party in interest transactions and are allowable under ERISA.

6. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

DELAVAL INC. RETIREMENT SAVINGS PLAN

Notes To Financial Statements *(Continued)*

8. Income Tax Status

The Plan used a prototype plan document sponsored by Fidelity Management & Research Company (FMRC) through September 26, 2021. FMRC received an opinion letter from the IRS, dated March 31, 2014, which stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). Effective September 27, 2021, the Plan was restated and uses a pre-approved plan document sponsored by FMRC. FMRC received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 86,969,938	\$ 81,258,884
Deemed distributed loans	<u>(64,750)</u>	<u>(106,212)</u>
Net assets available for benefits per form 5500	<u>\$ 86,905,188</u>	<u>\$ 81,152,672</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Net increase per the financial statements	\$ 5,711,054
Change in deemed distributed loans	<u>41,462</u>
Net income per form 5500	<u>\$ 5,752,516</u>
