INDEPENDENT AUDITOR'S REPORT

September 21, 2022

To the Plan Administrator of
Wayne County Action Program, Inc. 403(b) Thrift Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Wayne County Action Program, Inc. 403(b) Thrift Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WAYNE COUNTY ACTION PROGRAM, INC. 403(B) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of Wayne County Action Program, Inc. 403(b) Thrift Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan established on April 1, 1990 to provide retirement benefits to employees of Wayne County Action Program, Inc. (Wayne CAP). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Board of Directors of Wayne CAP. Capital Group - American Funds is the recordkeeper of the Plan's assets and Rimkus, Marciano & Associates, Inc. is the third party administrator of the Plan. Capital Bank and Trust Company and Mutual of America Life Insurance Company (Mutual of America) are the custodians of the Plan.

Eligibility

All employees are immediately eligible to begin salary deferrals pursuant to a properly completed and valid salary reduction agreement. Employees who have completed 12 months of service (1,000 hours) are eligible to receive discretionary employer contributions and matching contributions throughout the plan year.

Contributions

Participants may make voluntary contributions subject to certain limitations under the terms of the Plan and the Internal Revenue Code (the Code). Wayne CAP made matching contributions of up to 3.25% of eligible participant compensation for 2021 and 2020. Wayne CAP can also make contributions at the discretion of the Board of Directors. In 2021 and 2020, Wayne CAP elected not to make discretionary contributions.

All investments are participant directed.

Rollover Contributions

The Plan will accept direct rollover contributions from a qualified plan, as defined by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, Wayne CAP's contribution, any earnings/losses thereon, and administrative expenses, if applicable. Allocations of earnings/losses and administrative expenses are based on participant account balances according to the specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary and employer contributions and actual earnings/losses thereon.

Notes Receivable from Participants

Plan participants may borrow up to the lesser of \$50,000 or 50% of the amount of the participant's vested interest in the Plan. The minimum loan is \$1,000. Participant loans are secured by their account balances and bear interest at rates ranging from 4.25% to 6.50%.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits

A participant's vested account balance may be distributed in a lump sum amount at any time after attainment of age 59 1/2, termination, death, disability, or upon incurring a hardship.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Plan Administration Costs

Expenses incurred in connection with the purchase or sale of securities are charged against the investment funds whose assets are involved in such transactions. Certain administrative costs of the Plan are paid by Wayne CAP. All other expenses relating to participant transactions are deducted from those participant accounts as transactions occur.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fully Benefit-Responsive Guaranteed Interest Accounts

All amounts allocated to the interest accumulation account become part of Mutual of America's general account. The amount in the interest accumulation account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Mutual of America assumes the investment risk of the underlying investments of the interest accumulation account. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. Mutual of America's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy, and a proper matching of assets and liabilities.

The general account is credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (1.00% for 2021 and 2020). The crediting rate determined by Mutual of America was 1.00% as of December 31, 2021 and 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fully Benefit-Responsive Guaranteed Interest Accounts (Continued)

The interest rate credited to amounts in the general account is a current rate and is not dependent upon the length of time the assets are invested with Mutual of America. Further, requests for withdrawal (subject to Plan provisions) can be made at any time and are processed on the day that they are received; they are not dependent on Mutual of America having to liquidate securities in order to generate a payment. The contract value is the redeemable value of the fund; there are no deferred sales charges, load assessments, interest rate adjustments, or surrender charges that would affect the value as a result of a withdrawal request. Therefore, the amounts held in the general account have been determined to be cash equivalents and are considered fully benefit-responsive.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan or (2) bankruptcy of the Plan Sponsor. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Fair Value Measurements

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

As of the date of issuance of these financial statements, the COVID-19 pandemic continues. The overall short-term and long-term consequences of COVID-19 on a national, regional, and local level are unknown, but there is the potential of a noteworthy negative economic impact. The impact of this situation on the Project, the Plan, and its future results and financial position is not presently determinable.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes are reclassified as distributions based upon terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates, particularly given the economic disruptions and uncertainties associated with the ongoing COVID-19 pandemic, and such differences may be significant.

3. INVESTMENTS

The following information was certified as complete and accurate by Capital Bank and Trust Company and Mutual of America as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments	\$ <u>2,499,924</u>	\$ <u>2,159,579</u>
Notes receivable from participants	\$ <u>101,913</u>	\$ <u>131,837</u>
Interest income on notes receivable from participants	\$ <u>6,858</u>	\$ <u>8,181</u>
Interest and dividends	\$ <u>110,754</u>	\$ <u>55,875</u>
Net appreciation on investments	\$ <u>184,575</u>	\$ <u>228,757</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ <u>2,442,862</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,442,862</u>

The Plan's assets at fair value, within the fair value hierarchy, were as follows December 31, 2020:

	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>	<u>Total</u>
Mutual funds	\$ <u>2,088,747</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,088,747</u>

During 2021, the Plan reclassified the interest accumulation account to a fully benefit-responsive guaranteed interest account at contract value due to a change in management's assessment and clarification of the inputs being more consistent with reporting at contract value. There was, however no change in the actual inputs utilized to value the interest accumulation account. In the prior year financial statements, the interest accumulation account has been reclassified to conform to the current year presentation. There were no other changes in the valuation methodologies used during 2021 and 2020.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the administrator of the Plan has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and nonforfeitable. All distributions would be made in accordance with any applicable requirements of the Employee Retirement Income Security Act of 1974 and the Code.

6. TAX STATUS

The Plan is exempt from federal and state income tax under Section 403(b) of the Code.

The Plan is required to operate in conformity with the Code to maintain its tax exemption. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of December 31, 2021 and 2020.

8. PARTY-IN-INTEREST TRANSACTION

Capital Bank and Trust Company and Mutual of America are the custodians of the Plan, Capital Group - American Funds is the recordkeeper of the Plan, Rimkus, Marciano & Associates, Inc. is the third party administrator of the Plan, and Wayne CAP is the Plan Sponsor. As such, transactions between Capital Bank and Trust Company, Mutual of America Life Insurance Company, Capital Group - American Funds, Rimkus, Marciano & Associates, Inc., Wayne CAP, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 21, 2022, which is the date the financial statements were available to be issued.
