INDEPENDENT AUDITOR'S REPORT

To the Investment Committee of the  
Federated Hermes, Inc. Employees Profit Sharing/401(k) Plan  
Pittsburgh, Pennsylvania

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of the Federated Hermes, Inc. Employees Profit Sharing/401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### ***Other Matters***

##### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the trustee, an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) DESCRIPTION OF THE PLAN

(A) GENERAL

The Federated Hermes, Inc. Employees Profit Sharing/401(k) Plan (the Plan), is sponsored by Federated Hermes, Inc. (Federated Hermes), for the benefit of current and former employees of Federated Hermes and its domestic subsidiaries (Employee, Employees, Participant or Participants). The Plan trustee, Great-West Trust Company, LLC (the Trustee) has been appointed by Federated Hermes' Board of Directors (the Board). The recordkeeping and custodial functions are performed by Empower Retirement, a division of Great-West Life & Annuity Insurance Company. A brief description of the provisions of the Plan is contained in the Summary Plan Description distributed to Employees. Participants should refer to this document and the Plan document for a more complete description of the Plan's provisions.

(B) PROFIT SHARING PLAN

The Profit Sharing Plan component is a defined contribution plan to which Federated Hermes may make contributions as authorized by the Board. Federated Hermes made no contributions to the Profit Sharing Plan in 2021. An Employee becomes eligible for participation in the Profit Sharing Plan if they are employed on the last day of the year and have worked at least 500 hours during that year. Federated Hermes' contributions are allocated to the accounts of Participants on the basis of a uniform percentage of each Participant's Plan-defined compensation for the Plan year. Earnings are allocated to the accounts of the Participants based upon the average daily balances for the specific periods and investments to which the respective earnings relate.

(C) 401(k) PLAN

The 401(k) Plan component is a voluntary employee salary deferral program pursuant to Section 401(k) of the Internal Revenue Code (IRC). Generally, an Employee becomes eligible for participation in the 401(k) Plan upon hire. All Employees may make contributions upon enrollment with the Plan's recordkeeper, Empower Retirement, beginning on the first day of the month following their date of hire with the exception of Employees who are expected to work less than 910 hours in a calendar year. Such Employees become eligible to participate in the Plan as of the first day of the month following the date on which the Employee first works 910 hours or more in a calendar year.

Employee salary deferral contributions are made at a rate of 1% to 50% of an Employee's annual compensation, as defined in the Plan document, not to exceed the contribution limits prescribed by the IRC. In 2021, there was a pre-tax limit of \$19,500 with an additional \$6,500 limit on catch-up contributions for Participants who attained age 50 by the end of the calendar year. An Employee may choose to contribute their annual salary deferral contribution as well as the annual catch-up contribution to the pre-tax 401(k) option, the after-tax Roth 401(k) option or a combination of both.

At its discretion, Federated Hermes may make employer matching contributions to the Plan. These matching contributions are made twice a month in an amount determined by Federated Hermes. In 2021, this amount was equal to 100% of the first 4% of compensation and 50% of the next 2% of compensation that each Participant contributed for a total possible match of 5%. In 2021, Federated Hermes made employer matching contributions of \$6.8 million to the Plan. Forfeitures of unvested matching contributions are used to offset future matching contributions and totaled \$169,000 for the year ended December 31, 2021.

In certain situations, a Participant may borrow against their 401(k) Plan account at a fixed interest rate equal to the prime rate plus one percent. A Participant may borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The maximum repayment period is five years. Loan repayments and interest are reinvested using the same allocation methodology as the Participant's salary deferral contributions.

(1) DESCRIPTION OF THE PLAN (continued)

(D) DIRECTING INVESTMENTS

Under the Plan, Participants have the ability to direct the investments of their Profit Sharing/401(k) accounts into any of the mutual funds or the collective investment fund offered by the Plan (collectively, Funds). All Federated Hermes Funds offered by the Plan (affiliated registered investment companies and an affiliated collective investment fund) are advised or managed by subsidiaries of Federated Hermes. The Participants' contributions and Federated Hermes' matching contributions are invested based on Participant investment elections. Participants cannot invest directly into Federated Hermes Inc. Class B Common Stock (the Stock); however, Participants with existing Plan investment balances in the Stock may direct account balances from the Stock to Funds offered by the Plan, subject to certain black-out periods.

Participants also have the option of directing investments into the Schwab Personal Choice Retirement Account (Schwab PCRA). This option is a self-directed brokerage account offered through Charles Schwab & Co., Inc. and investment options are limited to mutual funds.

(E) VESTING

Federated Hermes' employer matching contributions vest based on the following schedule:

A Year of Service is generally each year during which an Employee is credited with 1,000 or more hours of service. Employees are immediately vested in their 401(k) Plan salary deferral contributions and any rollover contributions.

(F) PLAN TERMINATION

Federated Hermes anticipates that the Plan will continue without interruption but reserves the right to discontinue the Plan. In the event that such discontinuance results in the termination of the Plan, the rights of Participants to their accounts and benefits under the Plan shall become 100% vested and the Trustee shall liquidate the assets held in the trust and distribute the net assets to each Participant.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (GAAP). In preparing the financial statements, management is required to make estimates that affect the amounts reported in the financial statements, accompanying notes and supplemental schedule. Actual results may differ from those estimates, and such differences may be material to the financial statements.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(B) VALUATION OF INVESTMENTS

Investments held by the Plan are stated at fair value. For the registered investment companies (affiliated registered investment companies and Schwab PCRA) held by the Plan, fair value is determined by the net asset value calculated on the last business day of the Plan year. For the Stock, fair value is determined by the closing price per share on the New York Stock Exchange on the last business day of the Plan year.

The affiliated collective investment fund, the Federated Hermes Capital Preservation Fund (CPF), invests in fully benefit-responsive investment contracts. Investment contracts held by a defined contribution plan are required to be reported at fair value. CPF is designed to deliver safety and stability by preserving principal and accumulating earnings. CPF typically invests in guaranteed investment contracts (GICs), separate account GICs and synthetic GICs. Participant-directed redemptions have no restrictions. The fair value of CPF is based on the net asset value as determined by Federated Hermes. Units held in the affiliated collective investment fund are valued at the unit value as reported by the investment manager as of the last business day of the Plan year.

Any unrealized appreciation or depreciation, as well as realized gains or losses for the year, are reflected as net appreciation or depreciation in fair value of investments as shown on the Statement of Changes in Net Assets Available for Benefits. Dividends are recorded on the ex-dividend date. Interest is accrued on a daily basis. Purchases and sales of securities are recorded on a trade-date basis.

(C) PAYMENT OF BENEFITS

Participants may elect to have their vested account balance paid to them following termination of employment, death, total disability, reaching age 59½ or retirement, at any time of the year, with the exception of the Stock, which is subject to certain black-out periods during the year. Benefits are recorded when paid.

(D) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants represent Participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest rates as of December 31, 2021 range from 4.25% to 6.50% with maturity dates through 2026. Interest income on notes receivable from Participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a Participant ceases to make loan repayments and the plan administrator deems the Participant loan to be a distribution, the Participant loan balance is eliminated and a benefit payment is recorded.

(3) FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or the price that would be paid to transfer a liability as of the measurement date. A fair-value reporting hierarchy exists for disclosure of fair value measurements based on the observability of the inputs to the valuation of financial assets and liabilities. The levels are:

Level 1 – Quoted prices for identical instruments in active markets. Level 1 assets may include equity and debt securities that are traded in an active exchange market, including shares of mutual funds.

Level 2 – Quoted prices for similar instruments in active markets and quoted prices for identical or similar instruments in markets that are not active.

Level 3 – Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable in active markets.

(4) TRUSTEE CERTIFICATION

Management has elected the method of annual reporting permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.130-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivables from participants shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020;
- Interest, dividends, other income and net appreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021; and
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of management, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

(5) TAX STATUS OF THE PLAN

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated May 20, 2014, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Pursuant to the 2014 determination letter, the Plan is required at all times to operate in conformity with the IRC to maintain its qualified status. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore believes the Plan, as amended, is qualified and the related trust is tax-exempt.

(5) TAX STATUS OF THE PLAN (continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods. Management believes that the Plan is no longer subject to income tax examinations for years prior to 2018.

(6) TRANSACTIONS WITH PARTIES-IN-INTEREST

Investments of the Plan are made primarily in Funds managed by Federated Hermes or in the Stock. Federated Hermes receives revenue from the Funds it manages. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. During 2021, the Plan received \$339,000 in dividends from the Stock. The remaining investments are provided through the Schwab PCRA, which offers investment elections in various mutual funds, including certain Federated Hermes funds not directly available through the Plan.

The Plan's administrative functions are performed by officers or employees of Federated Hermes at no cost to the Plan. In 2021, audit expenses were paid by Federated Hermes and were subsequently reimbursed by the Plan. All trustee, recordkeeping and custodial services are billed to Participants on a quarterly basis. These fees are included in Administrative expenses on the Statement of Changes in Net Assets Available for Benefits.

(7) RISKS AND UNCERTAINTIES

At the direction of the Participant, the Plan invests in various investment securities, including stocks and mutual funds. Investment securities are exposed to various risks, such as interest rates, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(8) COMMITMENTS AND CONTINGENCIES

No known claims were asserted or threatened against the Plan as of December 31, 2021.

(9) SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 27, 2022, the date these financial statements were available to be issued, and did not identify any events requiring recording or additional disclosure.
