INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
Southern Wesleyan University
Central, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Southern Wesleyan University Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we, continued:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator and Plan Participants
Southern Wesleyan University
Central, South Carolina

Other Matter –Supplemental Schedule Required by ERISA, continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter –Auditors’ Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and related statement of changes in net assets available for benefits for the year ended December 31, 2020 (the 2020 financial statements). As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the custodian of the Plan. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the custodian of the Plan were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

DEFINED CONTRIBUTION PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN:

The following brief description of the Southern Wesleyan University Defined Contribution Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan document, as amended, for a more complete description of the Plan's provisions.

GENERAL

The Plan, established January 1, 1971, is a defined contribution employee benefit plan providing retirement benefits to eligible employees of Southern Wesleyan University (the University) under section 403(b) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The University's finance committee is responsible for oversight of the Plan. The finance committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the University's board of directors.

The University also previously sponsored a Tax Deferred Annuity plan, which merged into this plan effective December 31, 2020.

PARTICIPATION

Employees may enroll and make elected deferrals into the plan on their hire date excluding students who are enrolled and regularly attending classes offered by the University or part-time employees working less than 20 hours per week. In order to receive employer contributions, the employee must be 21 years of age and must have one year of service. Plan entry dates are the first payroll period following completion of the eligibility requirements.

CONTRIBUTIONS

The Plan is a contributory plan whereby an employee who elects to participate can contribute a percentage of their compensation into the Plan, subject to limitations as defined by the Internal Revenue Code (the Code). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employee contributions are subject to the maximum amount allowed by law (\$19,500 and \$19,500 per participant for 2021 and 2020, respectively). Participants with 15 years of service at a qualified institution or who are age 50 or older before the close of the plan year are eligible to make catch-up contributions, subject to certain Internal Revenue Code limits. Participants may also contribute rollover amounts representing distributions from other defined benefit or defined contribution plans.

The University makes non-elective employer contributions of three percent of the participant's contribution to the Plan, upon completion of one year of service. In addition, the Plan document allows for matching contributions in an amount to be determined each year at the employer's discretion; no matching contributions were made during the years ended December 31, 2021 and 2020.

SOUTHERN WESLEYAN UNIVERSITY

DEFINED CONTRIBUTION PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN, continued:

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the University's contribution, and an allocation of plan earnings. Plan earnings are allocated to each participant based on participant account balances as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their TIAA-CREF accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment fund and notes receivable from participants. These loans are carried at the loan's unpaid principal balance plus accrued interest and are recorded as notes receivable from participants in the statements of net assets available for benefits.

VESTING

Participants are immediately vested in both employee and employer contributions plus related earnings.

BENEFITS

The Plan provides that a participant may begin receiving normal retirement benefits upon termination of employment, death or reaching age 59 1/2. Rollover balances may be withdrawn at any time. The Plan allows for hardship withdrawals if proper qualifications are met. Participants may elect a lump sum payment, partial payment, installment payment, or annuity payment of the vested interest in the participant's account. Participants may withdraw from their elective salary deferral contributions upon reaching age 59 1/2, termination of employment, hardship, death or disability. Employer matching or nonelective contributions may be withdrawn upon termination.

PLAN LOANS

Participants may borrow from TIAA and CREF using a portion of their Plan account as security for the loan. The Plan administrator has concluded that these loans are not Plan assets and that such arrangements are exempt transactions. There were \$24,848 and \$55,804 in loans outstanding as of December 31, 2021 and 2020, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Significant accounting policies adopted by the Plan are described below.

SOUTHERN WESLEYAN UNIVERSITY

DEFINED CONTRIBUTION PLAN

Notes to Financial Statements

December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on the trade date. Interest income is recorded when earned. The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation on those investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

All expenses of maintaining the Plan are paid by the University. Investment related expenses are included in net appreciation of fair value of investments.

3. INFORMATION PREPARED AND CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, investments and related investment income included in the accompanying financial statements as of and for the years ended December 31, 2021 and 2020, and supplemental schedule as of December 31, 2021, have been compiled from statements certified as complete and accurate by TIAA and CREF, the qualified institution, in accordance with DOL regulations.

SOUTHERN WESLEYAN UNIVERSITY

DEFINED CONTRIBUTION PLAN

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan measures fair value using Level 1 inputs because they generally provide the most evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Fair values of assets measured on a recurring basis at December 31, 2021 and 2020, are as follows:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	December 31, 2021			
Investments:

4. FAIR VALUE MEASUREMENTS, continued:

The following table sets forth a summary of certain changes in the fair value of the Plan's Level 3 assets for the years ended December 31, 2021 and 2020:

	Fixed Annuity Contracts
Year Ended December 31, 2021:	
Purchases	<u>\$ 468,660</u>
Sales	<u>\$ (1,063,281)</u>
Year Ended December 31, 2020:	
Purchases	<u>\$ 1,054,212</u>
Sales	<u>\$ (870,647)</u>

VALUATION TECHNIQUES

Non-benefit responsive fixed annuity contracts are reported at contract value, which represents fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Certain variable annuity contracts and pooled separate account units are valued using Level 1 inputs, and are primarily valued using market quotations. Certain other variable annuity contracts are valued based on the underlying investments, which are primarily valued using market quotations.

Changes in valuation techniques: There were no changes in valuation techniques during the year.

5. RISK AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. The full impact of the COVID-19 outbreak continues to evolve as of the report date. Because of the uncertainty, the extent to which the COVID-19 outbreak will financially impact the Plan's operations or its financial results cannot be reasonably estimated at this time.

Notes to Financial Statements

December 31, 2021 and 2020

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, Southern Wesleyan University has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested.

7. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES:

The Plan has a benefit-responsive guaranteed investment contract with TIAA. TIAA maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$229,985 and \$323,657, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%-3%, depending on the specific contract. Such interest rates are declared on a monthly basis.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Notes to Financial Statements

December 31, 2021 and 2020

8. TAX STATUS:

The Plan has adopted a volume submitter plan document sponsored by TIAA. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated August 7, 2017, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator timely adopted the volume submitter plan. The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed, and is being operated, in compliance with the applicable requirements of the IRC.

9. PARTIES-IN-INTEREST:

All assets of the Plan are invested in funds managed by the TIAA and CREF, the Plan's third party administrator. Such investments involving TIAA and CREF qualify as party-in-interest transactions for the 2021 and 2020 Plan years. Indirect fees of \$133,930 and \$127,281 were incurred by the Plan for the years ended December 31, 2021 and 2020, respectively, for investment management services, and are included in net appreciation in fair value of investments. The Plan sponsor pays directly any other fees related to the Plan's operations.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through September 15, 2022, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
