Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule (see accompanying table of contents), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STANDARD HEATING & AIR CONDITIONING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description –

The following description is provided for information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan adopted by Standard Heating & Air Conditioning, Inc. (the Company). The Plan was amended and restated effective April 24, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan. The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings and monitors investment performance, and reports to the plan administrator and management of the Company.

Plan Amendments

In 2020, the Plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allow certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments to be deferred up to one year and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Eligibility

Prior to April 24, 2020, employees became eligible to participate upon attaining age 18. Effective April 24, 2020, employees become eligible to participate upon attaining age 21. Employees are eligible to make salary deferral contributions on the first day of the month following their date of hire. Participants must attain 1,000 hours of service during the Plan year and must be employed on the last day of the Plan year to be eligible for discretionary profit sharing contributions. Union and nonresident alien employees are not eligible to participate in the Plan.

Contributions

Participants may elect to make pre-tax salary deferral contributions, not to exceed annual limitations specified in the Plan. Pre-tax salary deferral contributions cannot exceed the amount allowable under Section 415 of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also make after-tax Roth 401(k) deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Prior to April 24, 2020, the Company made safe harbor matching contributions equal to 100% of employee deferrals up to three percent of eligible earnings plus 50% of employee deferrals from three percent to seven percent of eligible earnings. Effective April 24, 2020, the Company may make discretionary matching contributions as determined annually by the Company. The Company made discretionary matching contributions equal to 100% of employee deferrals up to three percent of eligible earnings plus 50% of employee deferrals from three percent to seven percent of eligible earnings during 2021. The Company may also make discretionary profit sharing contributions. There were no profit sharing contributions for the year ended December 31, 2021.

(continued)

STANDARD HEATING & AIR CONDITIONING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description – (continued)

Contributions (continued)

Effective January 1, 2022, the Plan was amended to allow safe harbor matching contributions up to 5% of eligible wages.

Effective January 1, 2020 the Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in Dodge & Cox Balanced Fund until changed by the participant.

Participants whose 401(k) deferrals are less than 10% of their compensation will automatically have their deferrals increased 1% each January 1 until their deferrals equal 10% of their compensation. Participants may elect not to have their deferral increase automatically.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of plan earnings. Discretionary profit sharing contributions are allocated in the same proportion that each participant's eligible compensation bears to the total eligible compensation of all participants. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their pre-tax salary reduction contributions, Roth contributions, rollover contributions, and related earnings. Participants are 100% vested in their safe harbor matching contributions prior to April 24, 2020. Participants vest 20% each year beginning after one year of service in their employer-derived discretionary matching and profit sharing contributions, and related earnings. Upon termination of employment, any nonvested amount of employer-derived contributions is forfeited.

Effective January 1, 2022, participants are 100% vested in their safe harbor matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. Loan terms range from one to five years with longer term loans available for the purchase of a primary residence. The loan interest rate is set at prime (3.25% at December 31, 2021 and 2020) plus 1%. Interest rates on outstanding loans range from 4.25% to 6.25%. Principal and interest are paid ratably through payroll deductions, with the last loan maturing in July 2047.

Pursuant to the CARES Act, as implemented by the Plan, plan participants could elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020 for up to one year. Also pursuant to the CARES Act, the available loan amount increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The ability to request to defer loan repayments and increase in loan amount available under the CARES Act ceased as of December 31, 2020.

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description – (continued)

Normal Retirement

Normal retirement age is 65. Participants vest 100% in their account balances at age 65. Participants may also vest upon attaining an early retirement age of 60 along with at least 10 years of service. Actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan.

Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Pursuant to the SECURE Act enacted, effective operationally January 1, 2020, the age at which required minimum distributions must begin was increased from 70½ to 72. Prior to April 24, 2020, vested benefits of \$1,000 or less were distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution. Effective April 24, 2020, vested balances of \$1,000 or less are distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution and balances greater than \$1,000 up to \$5,000 after rolled over into an IRA by the plan administrator. Vested benefits that exceed \$5,000 are distributed either in a single lump-sum payment, in installments over a period not more than the participant's life expectancy, or may be left in the Plan.

Forfeitures

Forfeited nonvested accounts totaled \$4,963 and \$817 at December 31, 2021 and 2020 respectively. These accounts will be used by the Company to reduce future employer contributions.

Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their employer contributions.

2. The Plan and Summary of Significant Accounting Policies –

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee/custodian. See Note 4 for a discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

2. The Plan and Summary of Significant Accounting Policies – (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021, and investment income, including interest on notes receivable from participants, for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus, LLC as an agent for Ascensus Trust Company, the trustee/custodian of the Plan. Ascensus, LLC, Ascensus Trust Company, and affiliates are collectively referred to as Ascensus.

4. Fair Value Measurements –

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

(continued)

STANDARD HEATING & AIR CONDITIONING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

4. Fair Value Measurements – (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTES TO THE FINANCIAL STATEMENTS

5. Related-Party Transactions and Party-in-Interest Transactions –

Ascensus is the trustee/custodian, The Vanguard Group, Inc. is the third-party administrator, and IFS Advisory, LLC is the investment advisor for the Plan. Therefore, transactions with these parties qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan to these providers were \$44,688 during 2021.

6. Tax Status –

The Company adopted a nonstandardized prototype plan sponsored by Ascensus. The prototype plan sponsor obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the plan sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

7. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In addition, it is possible that the Plan could be adversely affected in subsequent periods by future economic disruptions caused by the COVID-19 pandemic and the associated governmental responses.

8. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

Investment	December 31,	
	2021	2020
Dodge & Cox Balanced Fund	\$ 2,809,697	\$ 1,973,838
Federated Hermes Government Obl PRM	2,377,693	1,541,192
T. Rowe Price Blue Chip Growth Inv	*	1,553,016

* Represents less than 10% of the Plan's total investment balance

9. Reconciliation of Financial Statements to IRS Form 5500 – (continued)

The following is a reconciliation of the net increase in net assets available for benefits from the financial statements to IRS Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits - financial statements	\$ 2,053,042
Prior year employer contributions receivable	<u>51,978</u>
Net income – IRS Form 5500	<u>\$ 2,105,020</u>

10. Corrective Action –

During 2021, the Company identified certain administrative errors in the calculation of participant deferrals for the plan years ended December 31, 2021, 2020, 2019, and 2018. The Company calculated corrective contributions due to participants related to these administrative errors to be approximately \$52,000 as of December 21, 2020, which were recorded as employer contributions receivable in the statement of net assets available for benefits as of December 31, 2020. The correction for all years was remitted to participants during 2021. The Company also determined the lost earnings on the corrective contributions and remitted amounts calculated to the Plan in 2021.

11. Subsequent Events –

The Plan has evaluated subsequent events through September 7, 2022, the date at which the financial statements were available to be issued.

Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule (see accompanying table of contents), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 19, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description –

The following description is provided for information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Standard Heating & Air Conditioning, Inc. 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan adopted by Standard Heating & Air Conditioning, Inc. (the Company). The Plan was amended and restated effective April 24, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan. The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings and monitors investment performance, and reports to the plan administrator and management of the Company.

Plan Amendments

In 2020, the Plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allow certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments to be deferred up to one year and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Eligibility

Prior to April 24, 2020, employees became eligible to participate upon attaining age 18. Effective April 24, 2020, employees become eligible to participate upon attaining age 21. Employees are eligible to make salary deferral contributions on the first day of the month following their date of hire. Participants must attain 1,000 hours of service during the Plan year and must be employed on the last day of the Plan year to be eligible for discretionary profit sharing contributions. Union and nonresident alien employees are not eligible to participate in the Plan.

Contributions

Participants may elect to make pre-tax salary deferral contributions, not to exceed annual limitations specified in the Plan. Pre-tax salary deferral contributions cannot exceed the amount allowable under Section 415 of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also make after-tax Roth 401(k) deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Prior to April 24, 2020, the Company made safe harbor matching contributions equal to 100% of employee deferrals up to three percent of eligible earnings plus 50% of employee deferrals from three percent to seven percent of eligible earnings. Effective April 24, 2020, the Company may make discretionary matching contributions as determined annually by the Company. The Company made discretionary matching contributions equal to 100% of employee deferrals up to three percent of eligible earnings plus 50% of employee deferrals from three percent to seven percent of eligible earnings during 2021. The Company may also make discretionary profit sharing contributions. There were no profit sharing contributions for the year ended December 31, 2021.

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description – (continued)

Contributions (continued)

Effective January 1, 2022, the Plan was amended to allow safe harbor matching contributions up to 5% of eligible wages.

Effective January 1, 2020 the Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in Dodge & Cox Balanced Fund until changed by the participant.

Participants whose 401(k) deferrals are less than 10% of their compensation will automatically have their deferrals increased 1% each January 1 until their deferrals equal 10% of their compensation. Participants may elect not to have their deferral increase automatically.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of plan earnings. Discretionary profit sharing contributions are allocated in the same proportion that each participant's eligible compensation bears to the total eligible compensation of all participants. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their pre-tax salary reduction contributions, Roth contributions, rollover contributions, and related earnings. Participants are 100% vested in their safe harbor matching contributions prior to April 24, 2020. Participants vest 20% each year beginning after one year of service in their employer-derived discretionary matching and profit sharing contributions, and related earnings. Upon termination of employment, any nonvested amount of employer-derived contributions is forfeited.

Effective January 1, 2022, participants are 100% vested in their safe harbor matching contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. Loan terms range from one to five years with longer term loans available for the purchase of a primary residence. The loan interest rate is set at prime (3.25% at December 31, 2021 and 2020) plus 1%. Interest rates on outstanding loans range from 4.25% to 6.25%. Principal and interest are paid ratably through payroll deductions, with the last loan maturing in July 2047.

Pursuant to the CARES Act, as implemented by the Plan, plan participants could elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020 for up to one year. Also pursuant to the CARES Act, the available loan amount increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The ability to request to defer loan repayments and increase in loan amount available under the CARES Act ceased as of December 31, 2020.

NOTES TO THE FINANCIAL STATEMENTS

1. Plan Description – (continued)

Normal Retirement

Normal retirement age is 65. Participants vest 100% in their account balances at age 65. Participants may also vest upon attaining an early retirement age of 60 along with at least 10 years of service. Actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan.

Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Pursuant to the SECURE Act enacted, effective operationally January 1, 2020, the age at which required minimum distributions must begin was increased from 70½ to 72. Prior to April 24, 2020, vested benefits of \$1,000 or less were distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution. Effective April 24, 2020, vested balances of \$1,000 or less are distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution and balances greater than \$1,000 up to \$5,000 after rolled over into an IRA by the plan administrator. Vested benefits that exceed \$5,000 are distributed either in a single lump-sum payment, in installments over a period not more than the participant's life expectancy, or may be left in the Plan.

Forfeitures

Forfeited nonvested accounts totaled \$4,963 and \$817 at December 31, 2021 and 2020 respectively. These accounts will be used by the Company to reduce future employer contributions.

Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their employer contributions.

2. The Plan and Summary of Significant Accounting Policies –

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee/custodian. See Note 4 for a discussion of fair value measurements.

NOTES TO THE FINANCIAL STATEMENTS

2. The Plan and Summary of Significant Accounting Policies – (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021, and investment income, including interest on notes receivable from participants, for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus, LLC as an agent for Ascensus Trust Company, the trustee/custodian of the Plan. Ascensus, LLC, Ascensus Trust Company, and affiliates are collectively referred to as Ascensus.

4. Fair Value Measurements –

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

(continued)

STANDARD HEATING & AIR CONDITIONING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

4. Fair Value Measurements – (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 16,159,316	\$ -	\$ -

STANDARD HEATING & AIR CONDITIONING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

5. Related-Party Transactions and Party-in-Interest Transactions –

Ascensus is the trustee/custodian, The Vanguard Group, Inc. is the third-party administrator, and IFS Advisory, LLC is the investment advisor for the Plan. Therefore, transactions with these parties qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan to these providers were \$44,688 during 2021.

6. Tax Status –

The Company adopted a nonstandardized prototype plan sponsored by Ascensus. The prototype plan sponsor obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the plan sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

7. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In addition, it is possible that the Plan could be adversely affected in subsequent periods by future economic disruptions caused by the COVID-19 pandemic and the associated governmental responses.

8. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

Investment	December 31,	
	2021	2020
Dodge & Cox Balanced Fund	\$ 2,809,697	\$ 1,973,838
Federated Hermes Government Obl PRM	2,377,693	1,541,192
T. Rowe Price Blue Chip Growth Inv	*	1,553,016

* Represents less than 10% of the Plan's total investment balance

9. Reconciliation of Financial Statements to IRS Form 5500 –

9. Reconciliation of Financial Statements to IRS Form 5500 – (continued)

The following is a reconciliation of the net increase in net assets available for benefits from the financial statements to IRS Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits - financial statements	\$ 2,053,042
Prior year employer contributions receivable	<u>51,978</u>
Net income – IRS Form 5500	<u>\$ 2,105,020</u>

10. Corrective Action –

During 2021, the Company identified certain administrative errors in the calculation of participant deferrals for the plan years ended December 31, 2021, 2020, 2019, and 2018. The Company calculated corrective contributions due to participants related to these administrative errors to be approximately \$52,000 as of December 21, 2020, which were recorded as employer contributions receivable in the statement of net assets available for benefits as of December 31, 2020. The correction for all years was remitted to participants during 2021. The Company also determined the lost earnings on the corrective contributions and remitted amounts calculated to the Plan in 2021.

11. Subsequent Events –

The Plan has evaluated subsequent events through September 7, 2022, the date at which the financial statements were available to be issued.
