**Independent Auditor's Report**

Audit Committee of Health First Shared Services, Inc.  
Health First Medical Group Retirement Savings Plan

**Opinion**

We have audited the financial statements of Health First Medical Group Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of January 1, 2022, December 31, 2021 and 2020, the related statements of changes in net assets available for benefits for the period ended January 1, 2022, and the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of January 1, 2022, December 31, 2021 and 2020, and the changes in its net assets available for benefits for the period ended January 1, 2022, and the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Emphasis of Matter**

As discussed in Note 1 to the financial statements, the Board of Trustees of Health First Shared Services, Inc., the Plan's Sponsor, voted on October 21, 2021, to merge the Health First Medical Group Retirement Savings Plan into the Health First Retirement Savings Plan effective January 1, 2022. All Plan assets were transferred from the Health First Medical Group Retirement Savings Plan into the Health First Retirement Savings Plan on January 3, 2022. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## Health First Medical Group Retirement Savings Plan

### Notes to Financial Statements

---

#### Note 1. Description of Plan

The following description of the Health First Medical Group Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Effective January 3, 2020, Health First Foundation, Inc. (HFF), a not-for-profit entity that performed philanthropic activities, became the controlling member of Health First, Inc. and its controlled entities (HFI). HFF was previously a subsidiary of HFI, the restructure was due to the sale of a minority interest in HFI to a noncontrolling member.

As a result of the restructure, Health First, Inc. was renamed Health First Shared Services, Inc. (HFSS) and Health First Foundation, Inc. became Health First, Inc. The restructure did not affect the Plan and HFSS remains the Plan Sponsor.

**General:** The Plan is a single-employer defined contribution profit-sharing plan sponsored by Health First Medical Group, Inc. and its affiliates (the Company), established on January 1, 2010, which covers all employees of Health First Medical Group, Inc., who have an hour of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Investment Committee of Health First Shared Services, Inc. is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

On October 21, 2021, the Plan Sponsor's Board of Trustees voted to merge the Health First Medical Group Retirement Savings Plan into the Health First Retirement Savings Plan effective January 1, 2022. On January 3, 2022, all net assets of the Health First Inc. Retirement Savings Plan, totaling \$236,074,783, were transferred into the new Plan.

**Contributions:** Each year, participants may contribute up to 75% of annual compensation as a pre-tax or Roth contribution, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common collective trust fund, unit investment trusts, common stock and money market investment accounts as the most significant investment options for participants.

The Company makes the following contributions:

- 3% of eligible compensation of a non-highly-compensated participant.
- 2.25% of eligible compensation of a highly-compensated participant. A highly-compensated participant is defined as a participant earning \$125,000 or more for the year.
- Physicians may receive a discretionary profit sharing contribution of 9% of eligible compensation.
- Additional matching profit sharing amounts may be contributed at the option of the Company's Board of Directors.

Employees are eligible to receive Company contributions on the first day of the month coincident with or immediately following the 30-day anniversary from which they have completed one hour of service and have attained age 18.

#### Note 1. Description of Plan (Continued)

For the period ended January 1, 2022, and the year ended December 31, 2021, the Company made \$0 and \$6,128,490 in contributions to the Plan, respectively, including contributions receivable of \$0 and \$119,452, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions and an allocation of: (a) the Company's contribution, (b) Plan earnings and (c) charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in all contributions plus actual earnings to their accounts.

**Notes receivable from participants:** Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the vested balance in the participant's account and bear interest at a rate of prime plus 1% (4.25% at December 31, 2021), which is commensurate with local prevailing rates, as determined by the Plan Administrator. These rates range from 4.25% to 6.5% on loans outstanding at December 31, 2021, and the loans mature through 2031. Principal and interest is paid ratably through payroll deductions.

**Payment of benefits:** A participant is eligible to receive in-service benefit payments of the vested portion of his or her participant account upon reaching age 59½. On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additional distribution options are available for participants and provide partial and installment distribution payment options for a period of up to 20 years, not to exceed life expectancy.

**Forfeitures:** The nonvested portion of a terminated participant's account is forfeited and may be used to reduce future employer contributions or pay Plan expenses. At January 1, 2022, December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0, \$1 and \$10,562, respectively. During 2021, \$18,217 was used to reduce employer matching contributions and no forfeitures were used to pay administrative expenses.

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 7 for disclosure of fair value measurements.

#### **Note 2. Summary of Significant Accounting Policies (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make the scheduled repayments and the Plan Administrator deems the participant note to be in default, the defaulted note is reclassified as a deemed distribution and remains with the Plan assets. The defaulted note is removed from Plan assets upon the occurrence of a distributable event. No allowance for credit losses has been recorded as of January 1, 2022, December 31, 2021 and 2020.

**Excess contributions payable:** Participant contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

**Subsequent events:** The Plan Administrator has evaluated subsequent events (events occurring after January 1, 2022) through September 26, 2022, the date the financial statements were available to be issued.

| Notes receivable from participants | <u>\$ -</u> | <u>\$ 1,487,182</u>   | <u>\$ 1,399,666</u>   |

The Plan's net appreciation in fair value of investments (including gains and losses on investments bought and sold, as well as held during the period or year) was \$0 and \$14,346,565, with dividends and interest in the amount of \$0 and \$13,891,465 for the period ended January 1, 2022, and the year ended December 31, 2021.

#### Note 4. Related Party and Party-in-Interest Transactions

Certain plan investments represent a pooled separate account which is managed by Prudential Retirement Insurance and Annuity Company (PRIAC). PRIAC is custodian for the separate account; therefore, these transactions qualify as party-in-interest transactions. In addition, shares of money market accounts are managed by The Charles Schwab Trust Company. The Charles Schwab Trust Company is the trustee, therefore, transactions with the trustee qualify as party-in-interest transactions. Plan participants pay daily fees through the general and money market accounts for investment management fees. Total administrative expenses paid during 2021 were \$106,422.

#### Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### Note 6. Tax Status

The Plan has received a determination letter from the IRS dated November 13, 2017, stating that the Plan is qualified under Section 401(k) of the Internal Revenue Code (the Code), and therefore, the related trust is exempt from taxation. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

## Health First Medical Group Retirement Savings Plan

### Notes to Financial Statements

---

#### Note 6. Tax Status (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 7. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of the unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 1, 2022, December 31, 2021 and 2020:

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. Unit investment trusts represent exchange traded funds that are traded on a national stock exchange. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

## Health First Medical Group Retirement Savings Plan

### Notes to Financial Statements

#### Note 7. Fair Value Measurements (Continued)

**Common collective trust stable value fund:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

**Pooled separate account:** Valued at the NAV of shares in each account held by the Plan at year-end. The net asset value is not a publicly-quoted price in the active market. The NAV, as provided by the insurance carrier, is used as a practical expedient to estimating fair value.

**Self-directed brokerage accounts:** Accounts primarily consist of mutual funds, common and preferred stocks, and unit investment trusts that are valued on the basis of readily determinable market prices.

**Cash and cash equivalents:** Interest-bearing investment funds, comprised of short-term securities, with original maturities of one year or less. The funds are stated at fair value based on quoted market prices.

**Common stock:** Are based on the closing price reported on the active market where the individual securities are traded.

**Closely held company:** Based on receipt of either: (i) net asset values specifically calculated and reported in accordance with U.S. GAAP and provided by issuers or their agents, (ii) valuations determined and reported by an independent third-party valuation firm at the direction of a client, or (iii) a direct instruction from a Plan fiduciary to use a specific value, including those they may have obtained directly from an independent third party valuation firm.

**Corporate bond:** Valued using a pricing model that utilizes various pricing models and methodologies. Valuation is based on quoted prices for similar investments in active markets.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 1, 2022, December 31, 2021 and 2020:

| Description                      | Assets at Fair Value as of January 1, 2022 |             |             |             |
