To the Retirement Committee
The Myers Industries Profit Sharing and 401(k) Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Myers Industries Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Myers Industries Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Principal Life Insurance Company, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of The Myers Industries Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Myers Industries Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Myers Industries Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Myers Industries Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

1 Description of Plan

The following description of The Myers Industries Profit Sharing and 401(k) Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General:

The Plan was established in 1975 by Myers Industries, Inc. ("Company" and "Plan Administrator") to provide retirement benefits to eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The assets of the Plan are maintained, and transactions therein are executed, by Principal Life Insurance Company, the Plan's Trustee.

The Plan was amended effective January 1, 2020 to allow Post-Tax "Roth" contributions and to update Plan definitions. The Plan was amended effective January 1, 2021 related to the acquisition of Elkhart Plastics during 2020. Participant balances from the Elkhart Plastics 401(k) Plan were transferred into the Plan on February 1, 2021 in the amount of \$15,476,569.

Eligibility:

An employee is eligible to participate in the Plan if they are not a member of a union in which retirement benefits have been subjected to collective bargaining and are not covered under another qualified pension or profit-sharing plan maintained by the Company.

An employee must complete 30 days of service with the Company to be eligible for employee deferrals and the employer safe-harbor match.

Contributions:

Plan participants may make tax-deferred contributions to the Plan of 1% to 75% of their total compensation and may make Roth contributions starting January 1, 2020. Voluntary after-tax contributions to the Plan are not permitted. The Plan also allows catch up contributions up to the Internal Revenue Service limits for certain participants who are eligible.

Employees who have completed 30 days of service are automatically enrolled in the Plan with a deferral withholding rate of 3%. Participants have the ability to opt out of the Plan prior to automatic enrollment. Effective January 1, 2019, the automatic salary deferral will increase by 1% per Plan year up to a maximum of 6% of eligible compensation, as defined by the Plan. Effective January 1, 2021, the maximum percentage that participants will be automatically escalated to was increased from 6% to 10%.

The Company makes safe-harbor contributions to each eligible participant's account by matching 100% of the first 3%, and 50% of the next 2% of their total compensation.

Rollover contributions are permitted to be deposited into the Plan at the discretion of the Trust Committee.

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

1 Description of Plan, Continued

Participants' Accounts:

401(k) Accounts - Each participant's account is credited with the participant's elective contributions, employer matching contributions, earnings and losses, and expenses thereon.

Vesting:

Prior to January 1, 2019, participants were immediately vested in their tax-deferred, safe-harbor employer match and rollover contributions. Effective January 1, 2019, participants are 100% vested in safe-harbor employer matching contributions after one year of service. If a participant has a separation from service on account of death, retirement or disability retirement, the participant will be deemed fully vested in their profit sharing contributions. Otherwise, vesting in the profit sharing portion of the Plan shall be 0% until the employee has completed two years of vesting service, at which time they will become 20% vested with an additional 20% for each additional year of service completed. Participants are fully vested upon completion of six years of service.

Forfeitures:

Forfeitures are deposited into a suspense account maintained and invested by Principal Life Insurance Company. The forfeiture suspense account is adjusted for earnings and losses until it is allocated among the eligible participants or used to reduce the employer matching contribution, in accordance with Plan provisions. As of December 31, \$13,811 (2021) and \$27,980 (2020) were available for allocation to participants.

Notes Receivable from Participants:

Participant loans are classified as notes receivable from participants, which are segregated from Plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

The Plan allows for participants to borrow from the 401(k) portion of their account a minimum of \$1,000 and a maximum of 50% of their vested balance up to \$50,000. The interest rate must be a reasonable rate as determined by the Plan Administrator. Maturities on these loans must be greater than six months and not exceed five years, unless the loan is for the purchase of a home, in which case the loan maturity may be for a period of up to ten years. The loans are secured by the balance in the participant's account.

During 2020, Plan management implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. The provisions allowed an increase in the available loan amount for loans made to qualified individuals from March 27, 2020 through September 22, 2020 to the lesser of \$100,000 or 10% of the participant's vested account balance. Payments on CARES Act loans can be deferred until December 31, 2020, with the first repayment due in January 2021.

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

1 Description of Plan, Continued

Other Plan Provisions:

Normal retirement age is 65, however, a participant may elect early retirement on or after age 60. The Plan also provides for early payment of benefits after reaching age 59-1/2.

Payment of Benefits:

Upon retirement at age 65, with provisions for early or delayed retirement, total and permanent disability, death, termination or financial hardship, the participant or beneficiary may elect to receive a benefit payment.

Benefit payments are paid directly to the participant from the net assets available for benefits and are made in lump sum amounts subject to the provisions of the Plan. As of December 31, 2021 and 2020, there were no participants who elected to withdraw funds, but had not been paid.

During 2020, Plan management implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The provisions allowed qualified coronavirus related distributions, in the form of in-service hardship distributions, of up to \$100,000 during the period beginning January 1, 2020 to December 31, 2020.

Hardship Withdrawals:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

Investment Options:

Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the participant-directed portion of the Plan.

2 Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's transactions are reported on the accrual basis of accounting.

Valuation of Investments:

Investments are stated at fair value. Marketable securities (mutual funds) are reported at fair market value as of the balance sheet date. Fair market values of the mutual funds represent quoted market prices or, if quoted market prices are not available, estimated fair values as determined by the Plan's investment broker. Fair market values of the pooled separate accounts are based on the net fair value of the underlying assets and the net asset value. The fair value of the stable value fund is based on the contract value of the fund (contract value approximates fair value).

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

2 Summary of Significant Accounting Policies, Continued

Valuation of Investments, Continued:

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as held during the year.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Fees:

Administrative expenses of the Plan are primarily paid by the Plan.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Risks and Uncertainties:

The Plan's investment includes investments in mutual funds, pooled separate accounts and a stable value fund with varying degrees of risk, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statement of Net Assets Available for Plan Benefits.

Subsequent Events:

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements.

Subsequent events have been evaluated through September 13, 2022, which is the date the financial statements were available to be issued.

3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- * Quoted prices for similar assets or liabilities in active markets.
- * Quoted prices for identical or similar assets or liabilities in inactive markets.
- * Inputs other than quoted prices that are observable for the asset or liability.
- * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds:

The fair value of the mutual funds are based on quoted market prices and are classified in the Level 1 category of the valuation hierarchy.

Stable Value Fund/Common Collective Trust:

The fair value of the stable value fund is based on the contract value of the fund (contract value approximates fair value). The fair value is expressed in units. The stable value fund is valued based on NAV as the practical expedient, as they can be redeemed at their net asset value on their measurement date. The stable value fund can be redeemed on a daily basis, and there are no unfunded commitments.

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

3 Fair Value Measurements, Continued

Pooled Separate Accounts:

The fair values of the pooled separate accounts are based on the net fair value of the underlying assets. The underlying investments are valued at fair value based on commercial quotation services. The fair value is allocated among the contract holders based on a unit value. The pooled separate accounts are valued based on NAV as the practical expedient, as they can be redeemed at their net asset value on their measurement date. The pooled separate accounts can be redeemed on a daily basis, and there are no unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

The Myers Industries Profit Sharing and 401(k) Plan

4 Tax Status, Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities.

The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2021, there were no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress.
