INDEPENDENT AUDITOR'S REPORT

To the Trustees
COMTEX 401(k) Retirement Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the COMTEX 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the COMTEX 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in the notes to the financial statements.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the COMTEX 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about COMTEX 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued. Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of COMTEX 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about COMTEX 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to the Notes to Financial Statements, which describes the basis of accounting. The financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the COMTEX 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COMTEX 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

DESCRIPTION OF PLAN

The following brief description of the COMTEX 401(k) Retirement Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers all eligible employees of COMTEX (the Plan Sponsor). Effective January 1, 2007, the Plan was amended and restated as a safe harbor 401(k) Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee shall be eligible to participate in the Plan upon completing three months of service and attainment of age 18.

Contributions

Participants may elect to contribute up to 100% of their pre-tax annual compensation, as defined by the Plan, subject to a maximum established by law.

The employer safe harbor matching contribution is 100% of the employee's deferral not to exceed 5% of eligible compensation. Further, the profit sharing contribution is calculated in a manner that is discretionary and is determined by the employer. The employer contributed \$325,000 and \$307,000 in discretionary profit sharing contributions related to the plan years ended December 31, 2021 and 2020, respectively. Participants are eligible to receive discretionary profit sharing contributions and the employer match once the eligibility requirements are met. Participants must be employed on the last day of the plan year to be eligible to receive the discretionary profit sharing contribution.

Forfeitures

During the years ended December 31, 2021 and 2020, forfeited nonvested accounts totaled \$15,560 and \$8,160, respectively. During the years ended December 31, 2021 and 2020, \$5,397 and \$7,262 were used to reduce employer contributions, respectively. At December 31, 2021 and 2020, \$15,544 and \$5,381, respectively, remained available to reduce future employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's matching contributions and allocations of the Plan Sponsor's profit sharing contribution and Plan earnings. Allocations are based on participants' earnings or account balances, as provided in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Notes Receivable from Participants

Effective February 1, 2019, participants may not borrow from their fund accounts. Outstanding notes receivable from participants that mature between April 2022 and August 2023 may continue to be held until they are paid in full, off-set, or otherwise distributed from the plan. A note receivable from a participant that is in default continues to be treated as an obligation of the participant until it is paid in full or determined to be uncollectable.

Payment of Benefits

On termination of service due to death, disability, or normal retirement, a participant, or his or her beneficiary, will receive a lump-sum amount equal to 100% of the participant's account balance. In-service withdrawals are permitted for participants who have reached age 59 ½. For termination of service due to other reasons, a participant may receive the value of the vested interest as a lump-sum distribution. Benefits are recorded when paid.

DESCRIPTION OF PLAN - Continued

Administrative Fees and Expenses

The Plan paid administrative expenses of \$25,141 and \$21,140 to the custodian for the years ended December 31, 2021 and 2020, respectively. Certain professional fees for the administration and audit of the Plan are paid by the Plan Sponsor on behalf of the Plan.

Vesting

Participants are immediately vested in their elective deferrals, safe harbor match, and actual earnings thereon. Participants shall have a vested percentage in discretionary profit sharing contributions in accordance with a graded schedule with 100% vesting after three years of accredited service.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Following are the significant accounting policies adopted by the Plan and used in the preparation of these financial statements:

Basis of Accounting

The accompanying financial statements for the Plan have been prepared in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Certain revenue and related assets are recognized when received rather than when earned and certain expenses and related liabilities are recognized when paid rather than when the obligation is incurred.

Investment Valuation and Income Recognition

At December 31, 2021 and 2020, the Plan was invested in various mutual funds. Investments in mutual funds are recorded at fair value based upon quoted market prices (net asset value) at year end. Cost of investments is determined using average cost and is used when determining realized gains and losses upon disposition.

Notes Receivable from Participants

During the year ended December 31, 2019, the Plan was amended to no longer allow Participants to borrow from their accounts. Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income related to the notes receivable for the years ended December 31, 2020 and 2019 was \$849 and \$2,231 respectively. No allowance for notes receivables from participants have been recorded as of December 31, 2021 and 2020.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Although the estimates are based on Plan administration's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Recent Accounting Standards

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses*. The ASU revises the measurement of credit losses for financial assets from an incurred loss methodology to an expected loss methodology. These expected credit losses for financial assets held at the reporting date are to be based on historical experience, current conditions and reasonable and supportable forecasts. The ASU is effective for the years beginning after December 15, 2022. The Plan is currently evaluating the impact the adoption will have on its financial statements.

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Plan's significant accounting policies, net assets available for benefits, or changes in net assets available for benefits.

INCOME TAX STATUS

The Plan is based on a prototype plan which has received a favorable opinion letter from the Internal Revenue Service that the prototype plan is designed to qualify as being exempt from federal income taxes. The Plan Administrator has not separately applied for a determination letter from the Internal Revenue Service. However, the Plan Administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

The Plan complies with Accounting Standards Codification (ASC) 740-10 related to uncertain tax positions. This standard prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Plan administration is not aware of any tax positions taken by the Plan that it considers to be uncertain. Tax returns for the years ended 2018, 2019, and 2020 are open and subject to examination by the Internal Revenue Service.

PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by the Plan's investment advisor, as is customary in retirement plans. American Funds serves as third party administrator and BHM CPA Group, Inc. serves as the Plan's auditors. As a result, transactions with these parties qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee received compensation from the Plan. Certain administrative expenses of the Plan are paid directly by the Plan Sponsor and are not charged to the Plan. The Plan Sponsor contributed \$22,641 and \$17,805 during the years ended December 31, 2021 and 2020, respectively.

REPORTABLE TRANSACTIONS

The Plan's assets are participant-directed, and thus, the schedule of reportable transactions and certain cost information is not required.

RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Differences between the audited financial statements and the Form 5500 were not significant.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. No amendment to the Plan shall have the effect of eliminating or reducing a retirement benefit or eliminating an optional form of benefit with respect to benefits attributable to service before the amendment.

INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of:

Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

Net appreciation/depreciation in fair value of investments, dividends, and interest, reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Investments reflected on the schedule of assets (held at end of year).

INVESTMENTS

Capital Bank and Trust Company holds the Plan's investments and participant notes receivable and executes all related transactions. Those investments, notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by Capital Bank and Trust Company for 2021 and 2020.

At December 31, 2021 and 2020, the Plan was invested in mutual funds. The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$468,503 and \$459,841 for the years ended December 31, 2021 and 2020, respectively.

FAIR VALUE MEASUREMENTS

The Plan complies with ASC 820 *Fair Value Measurements and Disclosures* to account for and report fair value. ASC 820 provides a single definition of fair value, a framework for measuring fair value and expanded disclosures concerning fair value. It also defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Fair value of certain assets and liabilities are determined based on the fair value hierarchy established in the standard, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

COMTEX 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS - Continued

December 31, 2021 and 2020

FAIR VALUE MEASUREMENTS - Continued

The standard describes three levels within its hierarchy that may be used to measure fair value which are:

Level 1

Values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Values are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3

Values are generated from unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities. These unobservable inputs would reflect management's estimates of assumptions that market participants would use in pricing related assets or liabilities. Valuation techniques might include the use of pricing models, discounted cash flow models or similar techniques.

A financial asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Current Value</u>	<u>Fair Value Measurements Using:</u>		
		<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2021				
Mutual funds	\$ 6,363,497	\$ 6,363,497	\$ -	\$ -
Money market funds	442,439	-	442,439	-
December 31, 2020				
Mutual funds	\$ 6,202,504	\$ 6,202,504	\$ -	\$ -

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual funds represent bond, domestic equity, international equity, target retirement date, and balanced funds. They are valued at the net asset value (NAV) of shares held by the Plan at year end, as published on public exchanges, therefore they are classified as Level 1. Money market funds are listed as Level 2 since their value is based on the values of the underlying securities held by the funds.

SUBSEQUENT EVENTS

Subsequent events were evaluated through July 28, 2022, which is the date the financial statements were available to be issued.
