To the Board of Trustees of the
First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Newport Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

First Bankers Trustshares, Inc.
401(k) Profit Sharing Plan

Plan # 003

Notes to Financial Statements

December 31, 2021 and 2020

A. Description of Plan

The following description of First Bankers Trustshares, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complex description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees from First Bankers Trust Company, N.A. and First Bankers Trust Services, Inc., provided they are not an excluded employee. Employees will be eligible to participate in the Plan once they satisfy the age and service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During the year ended December 31, 2019, First Bankers Trust Services, Inc. formed its own corporation, TI-Trust, Inc. As a result, the accounts of all TI-Trust, Inc. employees were transferred out of the Plan to Singer Bea, LLP 401(k) Profit Sharing Plan in July 2020.

For salary reduction contributions and after-tax voluntary contributions, employees will be eligible to participate in the Plan if they have attained age 21.

For matching and discretionary profit-sharing contributions, employees will be eligible to participate in the Plan if they have completed one (1) year of service and have also attained age 21.

2. Excluded Employees

If an employee is a member of a class of employees identified below, they are an excluded employee for purposes of the Plan. The excluded employees are:

- Union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining.
- Certain non-resident aliens who have no earned income from sources within the United States.

3. Contributions to the Plan

Employee Contributions

Eligible employees may defer up to 100% of their gross wages into the Plan on a pre-tax basis to a regular 401(k) account or on an after-tax basis to a Roth 401(k), however the maximum salary reduction for the 2021 and 2020 calendar years was \$19,500, and \$26,000 for participants age 50 or older. These levels are set by the IRS and are subject to change each year. Total deferrals for the Plan Years ended December 31, 2021 and 2020 were \$663,032 and \$615,297, respectively.

Employer Contributions

The Plan Sponsor may contribute to the Plan discretionary matching contributions and discretionary profit-sharing contributions.

Discretionary Contributions

The Plan Sponsor may make a matching contribution equal to a uniform percentage of salary deferrals; the Plan Sponsor will determine the percentage each year.

In applying this matching percentage however, the Plan Sponsor has the option to disregard salary deferrals made each year that exceed a certain dollar amount or a certain percentage of compensation for such period.

To share in the matching contribution, an Employee must satisfy the following conditions:

- If an employee is actively employed on the last day of the Plan Year, the employee will share in the matching contribution if they have completed a year of service during the Plan Year.
- The employee will share in the matching contribution for the year regardless of the number of Hours of Service credited in the year of the employee's death, disability, or retirement.

A. Description of Plan (Continued)

3. Contributions to the Plan (Continued)

Total matching contributions for the years ended December 31, 2021 and 2020, were 50% of the employee deferral up to 4% (2% max) that a participant elects to defer. Total matching contributions were \$173,584 and \$163,835 for the years ending December 31, 2021 and 2020, respectively.

The Plan Sponsor may make a discretionary profit-sharing contribution.

In order to share in the discretionary profit-sharing contribution, an employee must satisfy the following:

- If the employee is actively employed on the last day of the Plan Year, the employee will share in the discretionary profit-sharing contribution if they have completed a year of service during the Plan Year.
- If the employee terminates employment (not actively employed on the last day of the Plan Year), they will not receive a discretionary profit-sharing contribution regardless of the number of hours of service credited for the Plan Year.
- The employee will share in the discretionary profit-sharing contribution for the year regardless of the number of hours of service credited in the year of the employee's death, disability, or retirement.

Any discretionary profit-sharing contribution will be "allocated" or divided among participants eligible to share in the contribution for the Plan Year.

Total discretionary profit-sharing contributions for the years ended December 31, 2021 and 2020 were \$331,219 and \$317,146, respectively.

4. Investment Options

Participants have a choice of investments to elect from which to contribute. The allocation can be changed by participants at any time on the website of its investment provider. An enrollment kit explaining these choices is available to all participants.

5. Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may first be used to pay plan expenses and any forfeitures left will be added to any employer discretionary profit-sharing contributions. However, forfeitures attributable to matching contributions will be allocated in the same proportion that individual compensation bears to the total compensation of all participants. The employee will receive this allocation if they are eligible to receive a matching contribution regardless of whether they made any salary deferrals.

Forfeited nonvested accounts totaled \$8,265 and \$360 at December 31, 2021 and 2020, respectively. During the years ended December 31, 2021 and 2020, forfeitures of \$11,087 and \$9,828, respectively were used to pay plan expenses.

6. Transfers from Qualified Plans (Rollovers)

At the discretion of the Administrator, employees may be permitted to deposit into the Plan distributions employees have received from other plans.

Rollovers will be placed in a separate account called participant's rollover account.

Employees will always be 100% vested in their rollover account.

\$1,235 and \$42,456 in participant rollovers were received during the plan year ended December 31, 2021 and 2020, respectively.

7. Vesting

A participant shall at all times be one hundred percent (100%) vested and have a non-forfeitable interest in their Elective Contribution Account, After Tax Voluntary Account and Segregated Rollover Account. The "vested percentage" in an account attributable to discretionary profit sharing and matching contributions is determined under the following schedule and is based on vesting years of service. An employee will always be 100% vested if employed on or after normal retirement age.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

8. Benefit Payment Options

There are various methods by which benefits may be distributed from the Plan. The method depends on employee marital status, as well as the elections they and their spouse make.

9. Year of Service and Hour Of Service

An employee will have completed one year of service if, at the end of their first twelve consecutive months of employment they have been credited with at least 1,000 hours of service. If an employee has not been credited with 1,000 hours of service by the end of their first twelve consecutive months of employment, they will have completed one year of service at the end of any following Plan Year during which they were credited with 1,000 hours of service.

10. Loans

Loan provisions do not apply to this Plan.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

B. Summary of Accounting Policies (Concluded)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred to maintain the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

C. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Fair Value Measurements

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: a). Quoted prices for similar assets or liabilities in active markets, b). Quoted prices for identical or similar assets or liabilities in inactive markets, c). Inputs other than quoted prices that are observable for the asset or liability, d). Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchase and sales) may occur daily.

Notes to Financial Statements

December 31, 2021 and 2020

C. Fair Value Measurements (Concluded)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Fair Value Measurements at Reporting Date				
	Total	Level 1	Level 2	Level 3
December 31, 2021:				
Mutual funds	\$ 19,743,413	\$ 19,743,413	\$ -	\$ -
Collective Trust Fund measured at NAV	433,754	-	-	-
	<u>\$ 20,177,167</u>	<u>\$ 19,743,413</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2020:				
Mutual funds	\$ 16,736,850	\$ 16,736,850	\$ -	\$ -
Collective Trust Fund measured at NAV	497,186	-	-	-
	<u>\$ 17,234,036</u>	<u>\$ 16,736,850</u>	<u>\$ -</u>	<u>\$ -</u>

For years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. The portfolio's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. The portfolio invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements) and enters into "wrap contracts" issued by third parties and invests in cash equivalents represented by shares in money market funds. There are no unfunded commitments on December 31, 2021 and 2020. The fund has a daily redemption frequency and redemption notice period.

The value of the life insurance policies is determined by the cash surrender values provided by the insurance company. The following table sets forth a summary of changes in the cash surrender value for the year ended December 31, 2021 and 2020.

	Life Insurance Contract
December 31, 2021:	
Beginning balance	\$ 6,340
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	353
Purchases, sales, issuances, and settlements (net)	(2)
Ending balance	<u>\$ 6,691</u>
December 31, 2020:	
Beginning balance	\$ 6,000
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	342
Purchases, sales, issuances, and settlements (net)	(2)
Ending balance	<u>\$ 6,340</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation (depreciation) in fair value of investments.

Notes to Financial Statements

December 31, 2021 and 2020

D. Investments

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Newport Trust Company, the custodian of the plan, and furnished to the Plan's management. The Plan's management has obtained certifications from the custodian that the information is complete and accurate as of and for the years ended December 31, 2021 and 2020.

- Total investments as shown in the accompanying statements of net assets available for plan benefits of \$20,183,858 as of December 31, 2021, and \$17,240,376 as of December 31, 2020.
- Dividend income reported by the custodian totaled \$1,396,272 and \$549,798 for the years ending December 31, 2021 and 2020, respectively.

During 2021 and 2020, the Plan's investments (including investments bought, sold, and held during the year), as reported by the custodian, appreciated (depreciated) in current value by \$1,129,867 and \$1,949,055, respectively.

- All investment-related information in the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is as of December 31, 2021.

E. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

F. Administrative Expenses

Most administrative expenses, plan administration, and other costs associated with the Plan, are paid directly by First Bankers Trustshares, Inc.

Other costs such as brokerage commissions in association with security buys and sells are added to the cost of the security when purchased or used to reduce the gain or increase the loss when the asset is sold.

G. Commitments and Contingencies

The Plan Sponsor is aware of no commitments or contingencies concerning the Plan. In addition, the Plan Sponsor is aware of no transactions prohibited by ERISA that have occurred.

H. Tax Status

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated October 5, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

K. Subsequent Events

The plan administrator has evaluated events and transactions subsequent to the statement of net assets (in liquidation) available for benefits date through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
