INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Q2 Holdings, Inc. 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Q2 Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Q2 Holdings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Q2 Holdings, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Q2 Holdings, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Q2 Holdings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Q2 Holdings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of the year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Q2 Holdings, Inc. 401(k) Plan were audited by Holtzman Partners, LLP, whose practice became part of Armanino^{LLP} as of January 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated August 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

Q2 Holdings, Inc. 401(k) Plan (the "Plan") is a defined contribution plan covering eligible employees of Q2 Holdings, Inc. (the "Company" or "Plan Sponsor"), including eligible employees of Q2 Software, Inc., a wholly-owned subsidiary of the Company and an adopting employer of the Plan. The Plan became effective January 1, 2009 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All Plan assets are held by Fidelity Management Trust Company ("FMTC"). Complete information regarding the Plan is included in the Plan Agreement. Significant Plan provisions are summarized below.

Plan amendments

Effective January 1, 2021, the Plan was amended to add Lender Performance Group, LLC as a predecessor employer for vesting purposes. Additionally, vesting schedules for participants that merged in from the Lender Performance Group, LLC 401(k) Plan on January 1, 2021 were added as follows: (1) all participants are 100% vested in the frozen safe harbor profit sharing contributions and (2) the frozen employer profit sharing contributions have a 4 year vesting schedule.

Effective June 30, 2021, the Plan was amended and restated to comply with legislative and regulatory changes set forth in Internal Revenue Service ("IRS") Notice 2017-37. No significant Plan provisions were modified upon restatement.

Eligibility

Employees of the Company are eligible to participate in the Plan provided that they are not residents of Puerto Rico, covered by a collective bargaining agreement, a nonresident alien with no income from a U.S. source, or an intern. Additionally, employees must be at least 18 years of age and complete three months of service, as defined. Participation begins the first of the month after the eligibility requirements have been met.

Contributions

Participants are allowed to make elective pretax or Roth contributions to the Plan in an amount equal to not more than 50% of eligible Plan compensation, as defined, subject to limitation under the Internal Revenue Code ("IRC"). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans or individual retirement accounts.

The Plan includes an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of annual eligible Plan compensation and their contributions are invested in a designated balanced fund, unless changed by the participant.

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Plan allows for employer discretionary matching contributions to all eligible participants or to a designated group of eligible participants. During 2021, the Company matched 50% of the participant's contribution, up to 6% of the participant's compensation.

Forfeitures

Non-vested balances of participants' accounts may be subject to forfeiture upon termination of their employment with the Company. A forfeiture occurs in the Plan year in which the participant either receives a distribution of their vested account or has five consecutive one-year breaks in service, as defined by the Plan. Forfeitures are retained in the Plan and used either to pay Plan administrative expenses or to reduce future employer contributions. The forfeited unvested account balance totaled \$17,176 and \$24,652 at December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, forfeitures totaling \$66,337 were used to pay Plan administrative expenses and forfeitures totaling \$179,964 were used to reduce the 2021 employer discretionary matching contributions.

Participant accounts

Participants direct the investment of their accounts among various investment options offered by the Plan. Participants may change their investment options daily.

Each participant's account is credited with (a) participant's contributions, (b) an allocation of employer contributions and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, including rollover contributions, and employer qualified nonelective contributions plus actual earnings thereon. Employer discretionary matching contributions are subject to a two-year vesting period. Participants are 50% vested after one year of service and 100% vested after two years of service.

Certain employer contributions from merged plans follow vesting schedules specified in the plan document.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Upon termination of service due to death, disability, normal retirement or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in a lump-sum form. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant's account balances that are less than \$5,000, but in excess of \$1,000 (the involuntary cash-out amount) will be paid as a direct rollover to an individual retirement account. However, regardless of participant election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is less than the involuntary cash-out amount. Distributions are subject to the applicable provisions of the Plan Agreement.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available distributions prior to requesting a hardship withdrawal.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of i) \$50,000 reduced by the highest outstanding note receivable balance over the prior twelve months less the outstanding balance on the date a new note receivable is made or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years unless the funds are used for purchase of a principal residence in which case repayment terms may be extended.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and expenses charged to the Plan for investments in mutual fund accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs (i.e. as termination of employment).

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and through September 6, 2022, the date the financial statements and supplemental schedule were available to be issued. See specific subsequent events disclosed in Note 9.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs developed using the Plan's estimates and assumptions which reflect those that market participants would use.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Money market funds: Valued as cash equivalents, which approximates fair value due to their short-term maturities.
- Common collective trusts: Valued at NAV per unit as a practical expedient. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The NAV is not a publicly quoted price in an active market. Accounting Standards Codification ("ASC") 820 information on the common collective trusts' underlying assets and their assigned fair value hierarchy was obtained from the financial statement that are made available to applicable plan sponsors.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$115,710,625	\$ -	\$ -	\$115,710,625

3. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 78,229,207	\$ -	\$ -	\$ 78,229,207

Investments measured at net asset value				<u>2,340,060</u>
				<u>\$ 80,578,296</u>

4. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.1038 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FMTC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Total investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan assets include investments in funds managed by FMTC and notes receivable from participants. FMTC serves as the Plan's trustee and as such, these transactions qualify as party in interest transactions under ERISA. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Q2 Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

6. INCOME TAXES

The Plan previously adopted a volume submitter plan document that received an advisory letter from the IRS on March 31, 2014, which stated that the volume submitter plan document is designed in accordance with the applicable sections of the IRC. Effective June 30, 2021, the Plan adopted a non-standardized pre-approved plan document which received an opinion letter from the IRS on June 30, 2020, which stated that the pre-approved plan document is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan, as adopted, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, the individual accounts of all members shall become fully vested. After deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

8. TRANSFER OF ASSETS INTO THE PLAN

In August 2020, the Plan Sponsor approved the merger of the Lender Performance Group, LLC 401(k) Plan into the Plan effective January 1, 2021. Participants in the merging plan were eligible to begin participating in the Q2 Holdings, Inc. 401(k) Plan effective January 1, 2021. Assets in the amount of \$10,274,181, including approximately \$8,000 of outstanding notes receivable from participants were transferred into the Plan on January 14, 2021.

9. SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to remove the three month service requirement for Plan eligibility and to make employer discretionary matching contributions 100% vested.
