INDEPENDENT AUDITORS' REPORT

To the Board of Directors
403(b) Thrift Plan of
Neighborhood Legal Services of Los Angeles County

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

- In performing an audit in accordance with generally accepted auditing standards, we:
- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We have previously audited the 2020 financial statements of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 1, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN OF NEIGHBORHOOD LEGAL SERVICES OF LOS ANGELES COUNTY

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of 403(b) Thrift Plan of Neighborhood Legal Services of Los Angeles County (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Neighborhood Legal Services of Los Angeles County (“NLSLA”) except for nonresident aliens with no U.S. source of income, those considered to be leased employees and employees who normally work less than 17 ½ hours a week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and Section 403(b) of the Internal Revenue Code.

The Board of Directors is responsible for oversight of the Plan. The appropriateness of the Plan’s investment options, and the investment performance are monitored by the Board with the assistance of the Plan’s third-party administrator.

Contributions

Each year NLSLA will contribute to the Plan 3%, 6% or 9% of the employees’ annual compensation depending on their years of service. To be eligible, employees must have completed six months of service regardless of whether or not they are making voluntary employee contributions.

Each year the participants may contribute any percentage of their annual compensation, as defined in the Plan, up to the maximum permitted by the Internal Revenue Code. In addition, participants qualifying for age-based provisions may contribute additional catch-up deferrals. Participants may also contribute amounts representing distributions from other eligible retirement plans.

Participants may make either or both of the following types of contributions to the Plan:

- Before tax contributions - deducted from salary before federal income tax is imposed
- Designated Roth contributions - deducted from salary after federal income tax is imposed

Participant Accounts

Each participant’s account is credited with the participant’s voluntary contribution, the participant’s rollover contribution transferred into the Plan, an allocation of NLSLA’s contribution and the Plan’s earnings. Allocations are based on account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

Vesting

Participants are fully vested in their contributions and in the employer base contribution plus actual earnings.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the investment options offered by Mutual of America Life Insurance Company (“the Custodian”). Participants may change their investment options at any time.

Payment of Benefit

Upon termination of service, a participant may elect to receive payments as: 1) lump sum distribution, 2) income under an annuity, 3) transfer to an individual retirement arrangement, or 4) purchase of a guaranteed lifetime annuity.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Presentation

The financial statements of the Plan are reported on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan’s gains on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

403(B) THRIFT PLAN OF NEIGHBORHOOD LEGAL SERVICES OF LOS ANGELES COUNTY

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Fair Value Measurements, continued

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

Employees of NLSLA perform certain administrative functions. Neither NLSLA nor its employees receive compensation from the Plan. Annual audit fees are paid by NLSLA.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

3. Notes Receivable from Participants

Participants may borrow up to 50% from their vested account balance, except the portion attributable to their Designated Roth Contributions, to a maximum loan of \$50,000. The minimum loan is \$1,000. The maximum loan term is five years, although it may be longer for the purchase of a primary residence. These policy loans are secured by the balance in the participant's general account representing an amount equal to 120% of the loan balance and bear interest at a rate that is 3% higher than the general account interest rate applied to amounts held in the general account as collateral security. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are repaid semi-monthly at a interest rate of 4.00% with various maturities. Notes receivable from participants at December 31, 2021 and 2020, were \$345,586 and \$374,862, respectively.

9. Plan Termination

Although it has not expressed any intent to do so, NLSLA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTES TO FINANCIAL STATEMENTS

10. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“Code”). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (“IRS”) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

11. Impact and Response to the COVID 19 Virus

Following the Los Angeles County, and State “Safer-at-Home” order to close all non-essential business activities, NLSLA has been conducting business as usual and has converted to serving clients remotely to meet isolation protocols.

Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was enacted on March 27, 2020. Under Section 2202 of the CARES Act, Plan sponsors are permitted to make qualified coronavirus-related distributions available from 401(a), 401(k), 403(b), and governmental 457(b) plans, which are called “CARES Act Distributions”.

Enactments to the pension plan due to the Covid-19 are as follows:

All vested account balances in all contribution sources were made available for CARES Act Distributions, except for sources that may contain assets transferred from money purchase pension plans or as otherwise directed.

Any restrictions based on the participant’s age or length of participation in the plan, or how long the contributions were in the plan will not apply to CARES Act Distributions. Plan sponsors are responsible for reviewing the source exclusions implemented by Mutual of America for accuracy.

These distributions are available as pre-approved transactions with participant self-certification of eligibility for the CARES Act Distribution (unless spousal consent is required for certain plans, in which case paperwork is required). The maximum dollar amount that can be requested per participant is \$100,000. The Custodian will track the overall limit of \$100,000 within and across plans of the same controlled group, as established on Mutual of America Participant Recordkeeping System.

Plan amendments for CARES Act Distributions are required and must be executed by the last day of the plan year that begins in 2022 (2024 for governmental plans).
