INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Digital Management, LLC 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Digital Management, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Digital Management, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America (USA), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Digital Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Digital Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Digital Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Digital Management, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

General

The Plan is a defined contribution profit sharing plan sponsored by Digital Management, LLC (the Company), formerly Digital Management, Inc., and its subsidiaries, as detailed in the Plan document, and was established on January 1, 2009. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended effective February 1, 2022 to formally name the Company's Retirement Committee as the Administrator of the Plan. Effective October 25, 2021, OSP Razor Intermediate Holdings LLC and Subsidiaries (OSP), a Delaware limited liability company formed on September 1, 2021, became the parent and accounting acquirer of the Company. The acquisition by OSP had no impact on the operations of the Plan.

Eligibility

Employees covered by a collective bargaining agreement (unless the agreement requires the employees to be included under the Plan), leased employees, nonresident aliens, interns, temporary employees, USAF ITSS SCA employees hired on or after July 1, 2014, and, unless prohibited by contractual obligations, employees hired on or after July 1, 2014, that are subject to a Service Contract Act (SCA) health and welfare fringe benefit requirement as indicated in the applicable contract wage determination are not eligible to participate in the Plan. All other employees are eligible to participate in the Plan immediately upon hire.

Participant Contributions

Participants may make pre-tax or after-tax (Roth) contributions to the Plan up to 85% of their compensation, as defined by the Plan, not to exceed the maximum allowable contribution under the Internal Revenue Code (the Code), which totaled \$19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the year ended December 31, 2021. Participants are permitted to make rollover contributions from pre-tax and Roth accounts into the Plan.

The Plan has an automatic enrollment provision whereby an eligible employee who does not elect to contribute a specific percentage of the employee's compensation will be automatically enrolled to contribute to the Plan at the rate of 3% of current eligible compensation, unless the employee affirmatively elects not to contribute. Participants who are automatically enrolled into the Plan are also subject to an automatic escalation of 1% per year on January 1, up to a maximum deferral percentage of 7%. Effective January 11, 2016, eligible employees who were hired after January 1, 2010, and were not contributing to the Plan as of January 11, 2016, were automatically enrolled at a deferral rate of 3%, unless the employee affirmatively elected not to contribute to the Plan.

For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN – cont'd.

Company Contributions

The Company may make discretionary matching and nonelective profit sharing contributions to the Plan. All participants eligible to participate in the Plan may receive Company discretionary matching and nonelective profit sharing contributions. Company matching contributions are calculated each pay period and nonelective profit sharing contributions are calculated at the end of the Plan year.

During the year ended December 31, 2021, the Company provided matching contributions to the Plan equal to 50% of a participant's salary deferrals not to exceed 7% of each participant's eligible compensation. Company matching contributions totaled \$3,659,029, net of forfeitures, for the year ended December 31, 2021. The Company did not elect to make discretionary profit-sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by the participant. Plan earnings, losses, and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balances not to exceed \$50,000, without regard to the intended use of the funds. Notes are collateralized by the participant's vested account balance. Notes bear interest at the prime rate plus 1% effective at the time of note origination. The minimum note amount is \$500, and participants may only have one loan outstanding at any given time. Interest and principal repayments are made ratably through payroll deductions. Notes originated for reasons other than the purchase of a primary residence are to be repaid within five years. Notes originated for the purpose of the purchase of a primary residence are to be repaid within a period similar to that offered by commercial lending institutions.

Notes to the Financial Statements As of December 31, 2021 and 2020 and For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN – cont'd.

Vesting

Participants are immediately vested in their contributions and earnings thereon. Participants vest in discretionary Company matching and nonelective profit sharing contributions and earnings thereon according to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
0	0%
1	50%
2	100%

Upon retirement from the Company, death, or disability during employment at the Company, a participant becomes 100% vested in his or her Company contributions.

Forfeitures

Forfeitures of Company contributions can be applied to pay administrative expenses or reduce future Company contributions. Forfeitures become available to the Plan as of the earlier of the last day of the Plan year in which a former employee incurs five consecutive one-year breaks in service or a distribution of the participant's entire vested account balance occurs. Forfeitures available to the Plan totaled \$13,357 and \$9,891 as of December 31, 2021 and 2020, respectively. Forfeitures applied to reduce Company contributions totaled \$235,536 during the year ended December 31, 2021.

Payment of Benefits

Upon termination of service, death, disability, normal retirement (age 65), or attainment of age 59 ½, a participant, or his or her beneficiary in the event of death, is entitled to a distribution of the participant's account balance. Distributions from the Plan are payable in the form of a lump sum payment. Upon termination, if a participant's account balance is less than an amount specific by the Code, the Plan administrator may elect to automatically distribute the participant's account balance. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2021 and 2020, there were no net assets of the Plan allocated to participants who had elected to withdraw from the Plan but had not been paid.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. The Plan paid direct expenses totaling \$356,126 during the year ended December 31, 2021. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in financial instruments that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement

Accounting Standards Codification 820, *Fair Value Measurement (ASC 820)*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interests in common/collective trusts: Valued using the net asset value (NAV) of units held by the Plan at year-end. Returns are based on underlying mutual funds in which the funds are invested.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

For the Year Ended December 31, 2021

6. INCOME TAX STATUS

The volume submitter document, upon which the Plan was designed through January 11, 2016, and the volume submitter document adopted effective January 11, 2016, received favorable opinion letters from the Internal Revenue Service dated March 31, 2014, stating that the Plan was qualified under Section 401(a) of the Code and therefore, the related trust is exempt from taxation. The Plan was subsequently amended and restated in compliance with applicable Code requirements. This restatement received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2021 and 2020.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any periods in progress.
