INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
PBLG 401(k) Profit Sharing Plan
Garden Grove, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of PBLG 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the PBLG 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PBLG 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PBLG 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PBLG 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PBLG 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, line 4a - Schedule of Delinquent Participant are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The accompanying notes are an integral part of these financial statements.

NOTE 1. DESCRIPTION OF PLAN

The following description of the PBLG 401(k) Plan (the "Plan") provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan, which was implemented on January 1, 2020, is a defined contribution plan covering all full-time employees of Bay-Valley Mortgage Group dba Pacific Bay Lending Group (the "Company") who have completed six months of service and are age twenty-one or older. The Plan is subject to the provisions of ERISA.

Administrative services and insurance products: The trustee for the Plan's investments is Transamerica Retirement Solutions ("Transamerica"). Transamerica provides administrative services and insurance products to the Plan.

Contributions: Each year, participants may contribute a percentage of pretax compensation as limited by the law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute (rollover) amounts representing pre-tax distributions from other qualified plans. All Company contributions to the Plan are determined at the discretion of the Company's board of directors. The Company elects each year whether to make a matching contribution based on a percentage of participant contributions to the Plan. The Company's matching contribution for the year ended December 31, 2021 and 2020 amounted to $141,112 and $90,458, respectively.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings. Allocations may be determined proportionately based on participant earnings or account balances. Participants direct the investments of their contributions and the Company's matching contributions, if any, into various investment options offered by the Plan. The Plan currently offers various mutual funds and a pooled separate account as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The CARES Act: On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") into law. The CARES Act included provisions for eligible defined contribution plans, including availability of qualified coronavirus-related distributions, delay of repayments for existing plan loans, and other relief provisions. These CARE Act provisions were optional and employers were permitted to choose whether, and to what extent, to provide the coronavirus-related distribution and/or loan provisions of the CARE Act. The Plan provided access to the new CARES Act distribution and loan deferral options to participants as soon as administratively feasible, in accordance with Internal Revenue Service ("IRS") guidance and other applicable requirements.

Vesting: Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the Company's contribution to the participants' accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service. Upon retirement age, death, disablement or termination of the Plan by the Company, a participant becomes fully vested.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear a reasonable interest rate (prime rate at the inception of the loan plus two percent). Principal and interest is paid ratably through payroll deductions. Interest rates on outstanding loans is 5.25% at December 31, 2021 and 2020. Loans are amortized in level payments over a period not to exceed five years, except for loans to purchase the participant's primary residence that are amortized in level payments over a period not to exceed thirty years.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Payment of benefits: On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in the account in either lump-sum amount or in periodic installments. Additionally, participants may keep their account with the Plan or rollover the balance to another qualified retirement account. The Plan also allows in-service hardship withdrawals before retirement age for qualifying circumstances.

Investment options: The Plan currently offers mutual funds as investment options for participants. Mutual funds offered by the Plan include a mix of hybrid funds, bonds, international equity funds, and cap funds. The participants may change their investment options at any time.

Forfeited accounts: As of December 31, 2021 and 2020, the forfeited nonvested accounts totaled $3,309 and $378, respectively. Forfeitures of nonvested accounts may first be used to pay any administrative expenses and any remaining forfeitures will be used to reduce any Company contribution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America. Accordingly, income is recognized when earned, and expenses are recorded when incurred.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Noted receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment valuation and income recognition: Investments are reported at fair value, which are valued at the net asset value of shares owned by the Plan as determined by Transamerica based on factors such as quoted market prices in active markets and prevailing interest rates. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investments: Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as held during the year.

Payment of benefits: Distributions to the participants of the Plan are recorded when paid.

Administrative expenses: Investment transaction expenses are offset against the related investment income. Other administrative and non-investment expenses of the Plan are either paid by the Company, which is a party-in-interest, or through the Plan expense account. Expenses paid the Company, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions under ERISA. Expenses paid through the Plan expense account are included in administrative expenses in the Statement of Changes in Net Asset Available for Benefits. The Company absorbs a significant portion of the Plan's administrative expenses. For the year ended December 31, 2021, the administrative expenses paid by the Plan were $10,266.

NOTE 3. NONPARTICIPANT-DIRECTED INVESTMENTS

Net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments are as follows:

	December 31, 2021	December 31, 2020
Investments (at fair value):		
Mutual funds	$ 260,888	$ 101,312
	$ 260,888	$ 101,312

Changes in net assets:	Year Ended December 31, 2021	Year Ended December 31, 2020
Contributions	$ 20	$ 4,847
Net appreciation (depreciation)	33,407	18,532
Benefits paid	80	-
Administrative expenses	(1,433)	(405)
Issued loans and repayments, net	(6,170)	(349)
	$ 25,904	$ 22,625

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Plan Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology are observable other than level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
Level 3	Inputs to the valuation measurement are unobservable, supported by the little or no market data, and are significant to the fair value of the assets and liabilities.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies of mutual funds used at December 31, 2021 and 2020.

Mutual funds: Valued at the number of shares of the underlying fund multiplied by the closing net asset value (NAV) per share quoted by that fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value of assets measured on a recurring basis at December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,059,710	$ -	$ -	$ 1,059,710
	$ 1,059,710	$ -	$ -	$ 1,059,710

Fair value of assets measured on a recurring basis at December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 480,062	$ -	$ -	$ 480,062
	$ 480,062	$ -	$ -	$ 480,062

As of December 31, 2021 and 2020, the Plan had no assets measured at fair value on a non-recurring basis and no liabilities measured at fair value on a recurring or non-recurring basis.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

The Company provides certain accounting, administrative and investment management services to the Plan for which no fees are charged. Certain Plan investments are mutual funds and other investments are managed by Transamerica, who is the trustee of the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment services amounted to $10,266 and $3,063 for the year ended December 31, 2021 and 2020, respectively.

NOTE 6. INFORMATION PREPARED AND CERTIFIED BY PLAN TRUSTEE (UNAUDITED)

Transamerica (the Trustee) has certified through Reliance Trust Company that the following information included in the financial statements as of December 31, 2021 and 2020, is complete and accurate:

a. Investments as included on the Statements of Net Assets Available for Benefits.

Transamerica (the Trustee) has certified through Reliance Trust Company that the following information included in the financial statements for the years ended December 31, 2021 and 2020, is complete and accurate:

a. All information pertaining to investment income (loss) on the Statement of Changes in Net Assets Available for Benefits.

NOTE 7. TAX STATUS

The IRS has determined and informed the Company by a letter dated January 1, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the federal or state tax authorities. The Plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 9. DELINQUENT PARTICIPANT CONTRIBUTIONS

In accordance with CFR 2510.3-102, participant contributions that have been withheld by an employer from a participant's wages for contribution to the plan are required to be remitted to the plan on the earliest date that they can reasonably be segregated from the employer's general assets, but in no event later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the employer. During the years ended December 31, 2021 and 2020, the Company failed to remit employee contributions totaling $110,118 and $26,530, respectively, in a timely fashion as described by CFR 2510.3-102. The late transmissions of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. As of October 1, 2021 and 2020, the Plan corrected the contributions for 2021 and 2020, which include the lost earnings related to the late 2021 and 2020 deposits. The related excise taxes were paid by the Company.

NOTE 10. RISK AND UNCERTAINTIES

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's concentration of credit risk and market risk is dictated by the Plan's provisions as well as those of ERISA and the participants' investment preferences. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the financial statements.

NOTE 11. SUBSEQUENT EVENTS

The Plan Committee has evaluated subsequent events through September 19, 2022, the date the financial statements were available to be issued. Other than COVID-19 below, no other subsequent events have arisen that would require disclosure in these financial statements.

In March 2020, a novel strain of coronavirus (COVID-19) surfaced. The spread of COVID-19 around the world in the first quarter of 2020 has caused significant volatility in U.S. and international markets. As a result, there is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. and international economies and, as such, the Plan Committee is unable to determine if it will have a material impact to its operations.
