INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Participants
South Bay Construction Company
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of South Bay Construction Company 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. Description of Plan

The following description of the South Bay Construction Company 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was adopted by S.B.C.C., Inc. dba South Bay Construction Company (the “Company” and “Plan Sponsor”) on December 1, 1999, and was most recently amended and restated effective December 1, 2020. The Plan is defined as a contribution retirement plan containing a cash or deferred arrangement of the profit sharing type as described in Internal Revenue Code (“IRC”) Section 401(a).

Plan Administration

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Fidelity Personal Trust Company, FSB (“Fidelity” or the “custodian”) is the appointed custodian for the Plan and acts at the direction of the Plan’s administrator. Spectrum Pension Consultants, Inc. (“Spectrum”) is the Plan’s record keeper. Sloy, Dahl & Hoist (“SD&H”) is the Plan’s investment advisor. For the year ended December 31, 2021, approximately \$121,000 and \$40,000 was paid to Spectrum and SD&H, respectively, for recordkeeping and investment advisor fees, respectively.

Eligibility

All non-excluded employees, as defined by the Plan document, are eligible to participate in the Plan provided they are at least age 18 and have completed three months of service. To be eligible for employer contributions, the employee must also complete 1,000 hours of service during the computation period. Participants may enter the Plan on the first day of each month following eligibility. All full time employees of the Company are eligible to participate in the Plan immediately upon eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the IRC.

Contributions

Employees who elect to participate in the Plan may contribute a portion of eligible compensation into the Plan on a before-tax basis or after tax (“Roth”) basis, pursuant to Code Section 401(k) up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

For the year ended December 31, 2021, the Plan Sponsor approved a safe harbor matching employer contribution of 100% of deferrals up to 3% of eligible compensation and 50% of deferrals in excess of 3% but not in excess of 5% of eligible compensation, which amounted to approximately \$365,000. The Plan Sponsor also approved a discretionary profit sharing contribution of approximately \$150,000 for the year ended December 31, 2021. Participants must be employed on the last day of the Plan year to receive matching or profit sharing contributions.

1. Description of Plan, continued

Participant Accounts

Each participant's account is credited with the participant's contributions and any employer contribution, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance.

Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

Vesting

Participants are fully vested in their contributions plus net earnings and losses on these contributions when made or earned. Participants vest in non-elective and regular matching contributions ratably over a six-year graded schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants are fully vested in all accounts if employed on or after normal retirement.

Forfeitures

Forfeitures (if any) that occur during a Plan year will be used to reduce expenses related to the administration of the Plan. Forfeitures amounted to approximately \$4,200 and \$57,900 as of December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, approximately \$57,900 of forfeitures was used to reduce employer contributions, related to the 2020 funding. In 2022, approximately \$4,200 was used to reduce 2021 employer contributions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. Description of Plan, continued

Participant Notes Receivable

Participants are allowed one loan at any time and may borrow from their fund accounts a minimum of \$1,000 up to 50% of the value of their account balance, or \$50,000, whichever is less. Participant notes receivable terms range from one to five years, except for loans used to purchase a primary residence, which may have a longer term as established by the Plan administrator at the time of the loan. Loans are secured by no more than 50% of the balance in the participant's account and bear interest at a rate of 2% above the USA Today prime rate at the time the loan originates. As of December 31, 2021, the interest rates on participant loans range from 5.25% to 7.50% per annum. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of loans.

Payment of Benefits

When a participant leaves the employer, upon normal retirement (age 60) or for any other reason, the participant (or their beneficiaries) may receive the full value of their salary deferrals, vested employer contributions, rollovers, and the net earnings thereon in a single lump-sum payment. In-service withdrawals are also permitted by the Plan at normal retirement age 60.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan administrator. Account values will be determined as of the day the distribution is made.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement, death, or termination of employment. The Plan allows for the automatic lump-sum distribution of participant vested account balances that do not exceed \$5,000. In the event of a mandatory distribution greater than \$1,000, for which the participant does not elect to have such distribution paid directly to an eligible retirement plan in either a direct rollover or to receive the distribution directly, the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator.

Investment Options

Upon enrollment in the Plan, a participant directs his or her contributions in percentage increments into a series of investments offered by the Plan. Participants may change their investment options at any time.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and ERISA.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

2. Summary of Accounting Policies, continued

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2021 and 2020.

Investment Valuation and Income Recognition

All investments are recorded at fair value based upon active market values determined by investment advisors as required under ERISA regulations.

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the valuation period. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation and depreciation for the year is reflected in the statement of changes in net assets available for benefits.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

Recognition of Benefit Payments

Benefit payments are recorded when paid.

3. Information Prepared and Certified by the Custodian (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA by Fidelity as of December 31, 2021 and 2020 and for the year ended December 31, 2021:

4. Fair Value Measurements

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Cash equivalents: Valued based on redemption values on the last business day of the Plan year.

Preferred stocks, common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SOUTH BAY CONSTRUCTION COMPANY
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

4. Fair Value Measurements, continued

Common/collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,349,159	\$ -	\$ -	\$ 1,349,159
Common/collective trusts - net asset value				16,899,042
				\$ 18,248,201

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 979,849	\$ -	\$ -	\$ 979,849
Common/collective trusts - net asset value				17,819,045
				\$ 18,798,894

The Plan invests in common/collective trusts, which trade at NAV per share practical expedient of the fund. These funds are not categorized within the fair value hierarchy levels.

4. Fair Value Measurements, continued

Fair Value of Investments in Entities that Use NAV

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds	\$ 16,899,042	N/A	Daily	30 days
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust funds	\$ 17,819,045	N/A	Daily	30 days

5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are managed by Fidelity and SD&H, the Plan's custodian and advisor, respectively. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. Tax Status

The Plan Sponsor adopted a Volume Submitter Profit Sharing plan document. The Plan document obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan document has been amended since receiving its opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRS and ERISA. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any non-vested employer contributions.

8. Risks and Uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SOUTH BAY CONSTRUCTION COMPANY

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

8. Risks and Uncertainties, continued

In January 2020, the World Health Organization declared an outbreak of a novel coronavirus (COVID-19) as a pandemic resulting in adversely impacted global commercial activity and significant declines and volatility in financial markets, resulting in economic uncertainties which may negatively impact investment performance across the globe. The outbreak presents uncertainty and risk with respect to the Plan's performance and its financial results.

As of December 31, 2021 and 2020, there was one fund that held approximately 53% and 52% of net assets and one fund that held 25% and 27% of net assets, respectively.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to the Form 5500:

	2021	2020

Other pending trades	-	(3,242)
Per Form 5500	<u>\$ 18,498,003</u>	<u>\$ 19,029,793</u>

The following is a reconciliation of the net decrease in net assets per the financial statements for the year ended December 31, 2021 to the Form 5500:

Per financial statements	\$ (387,640)
2021 Participant contributions receivable	(55,350)
2021 Employer contributions receivable	(510,605)
2020 Employer contributions receivable	459,031
2020 Other - pending trades/forfeitures	<u>(37,226)</u>
Per Form 5500	<u>\$ (531,790)</u>

10. Subsequent Events

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through September 27, 2022, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since December 31, 2021 that require recognition or disclosure in these financial statements.
