INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees
The Maslow Media Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Maslow Media Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of the Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustees
The Maslow Media Group, Inc. 401(k) Plan

Report on the 2020 Financial Statements

We were engaged to audit the accompanying financial statements of The Maslow Media Group, Inc. 401(k) Plan (the Plan), which comprise of the Statements of Net Assets Available for Benefits as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the 2020 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the 2020 information summarized in Note 3, which was certified by Trust Company d/b/a Principal Trust Company (Principal), the Custodian of the Plan, except for comparing such information with the related information included in the 2020 financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executed investment transactions. The Plan administrator has obtained a certification from the Custodian as of December 31, 2020, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the accompanying 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE MASLOW MEDIA GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 -Description of Plan

The following description of The Maslow Media Group, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2001. The Plan is a defined contribution plan covering all eligible employees of The Maslow Media Group, Inc. (the Plan Sponsor or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Eligibility

Any employee who has completed four months of service and not employed as a union employee, leased employee, or non-resident alien with no U.S. income shall become eligible to participate in the Plan on the first day of each Plan year's month.

Contributions

The Plan permits each participant to defer up to 90% of their pre-tax annual compensation subject to the limitations of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. There are no matching or profit-sharing contributions permitted by the Plan document. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant account is credited with the participant's contribution and allocations of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings and losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon.

NOTE 1 -Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan terms range from 1 to 5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in their account and bear interest at a reasonable fixed rate determined by the loan administrator. Principal and interest are repaid ratably through payroll deductions. Delinquent or defaulted notes receivable from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs. As of December 31, 2021, the interest rates on the outstanding notes receivable from participants ranged from 5.25% to 7.50%.

The plan classifies participant loans as notes receivable from participants in the Statements of Net Assets Available for Benefits and measures them at their unpaid principal balance plus any accrued interest.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other, participants will receive benefits in the form of a lump-sum payment. In-service distributions are permitted for employees who have attained normal retirement age.

Subject to certain conditions, participants may make hardship withdrawals of all or a portion of their vested balance not to exceed the amount necessary to meet the financial need resulting from the hardship. Upon receiving a hardship distribution, a participant may not make elective deferral contributions to the Plan for a period of six months.

Active employees that have reached the age of 70½ will begin to receive a distribution from their account on April 1st following the calendar year in which they reach the age 70½ or the calendar year in which he/she retires unless participant is a 5% owner.

NOTE 1 -Description of Plan (continued)

Administrative Expenses

Certain expenses for maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2 - Summary of Significant Accounting Policies and Basis of Accounting

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America and present the net assets available for benefits and the changes in those net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussions of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

NOTE 2 - Summary of Significant Accounting Policies and Basis of Accounting (continued)

Investment Valuation and Income Recognition (continued)

The Plan provides participants the choice of investment options which include common or collective investment trusts, registered investment companies, contracts with insurance companies, and pooled separate accounts that invest in stocks, bonds, fixed-income securities, and other investment securities. The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value (see Note 5). The Statements of Net Assets Available for Benefits present the fair value of the investment contracts, as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value.

Subsequent Events

The Company has evaluated all events subsequent to December 31, 2021, the date of the Statement of Net Assets Available for Benefits, through the date of the Independent Auditors' Report, the date which the financial statements were available and noted the following subsequent event:

On January 1, 2022, the Plan amended its Plan Agreement to reflect required regulatory changes and additional plan options, including a legislative amendment for the following law changes:

- The Bipartisan Budget Act of 2018 and Final Regulations Relating to Hardship Distributions
- Tax Cuts and Jobs Acts

On September 8, 2022, the Plan identified a missed deferral opportunity and properly corrected the participant's account with a QNEC payment, which included loss earnings.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - Summary of Significant Accounting Policies and Basis of Accounting (continued)

Concentrations, Risks, and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests a substantial portion of its assets with a single institution. In the event of the institution's failure, the Plan could be subject to substantial losses.

The Plan had four investments that accounted for approximately 67% and 68% of total investments as of December 31, 2021 and 2020, respectively.

NOTE 3 - Information Certified by the Plan's Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Trust Company, the custodian, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule:

		December 31,

d) Supplemental Schedule:
From 550 Schedule H, Line 4i -- Schedule of Assets (Held at End of Year)*

*Notes receivable from participants are participant loans allowed under the related regulations. The participant loans are certified by the investment contract issuer, and are included as investments on the supplemental schedule, Form 5500 Schedule H, Line 4i -- Schedule of Assets (Held at End of Year) as required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

NOTE 4 - Fair Value Measurement (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies during 2021.

Mutual funds: The fair value of these mutual funds are based on quoted prices in an active market for each share held by the Plan.

Common collective trusts: The investment is valued using Net Asset Value (NAV) as a practical expedient based on contract value, which represents invested principal plus accrued interest, less expenses thereon. In determining contract value, the fund manager considers such factors as the benefit responsiveness of the contracts, the ability of the parties to the contracts to perform in accordance with the terms of the contracts and the likelihood of default by the issuer of an investment security. While the fair value of the investments in the common/collective trust are determined by the investee's trustee based on the fair value of the underlying securities within the investment at the fund level, the fair value of the investment as reported by the investment custodian at the Plan level is based on NAV as the practical expedient which is contract value. Contract value is the relevant fair value for such an investment as it is the value that participant's transactions are reported. The common collective trusts do not have any unfunded commitments or significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption period.

Pooled separate accounts: The Plan participates in a contract with Principal whereby the assets of the Plan are pooled with those of other unrelated plans. The Plan owns units of participation in the fair value of the account's underlying assets. Principal holds these assets in trust for the participating plans. These investments are public investment securities valued using the Net Asset Value (NAV) as the practical expedient provided by the investment custodian. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments held by each fund. A majority of the investments held by each funds are traded on an active market. The pooled separate accounts do not have any unfunded commitments relating to their investments, or any significant restrictions or redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption period.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - Fair Value Measurements (continued)

The following are the Plan's financial instruments carried at fair value categorized by the fair value hierarchy as of December 31, 2021 and 2020:

	Fair Value Measurements Using Input Type			
December 31, 2021	**Level 1**	**Level 2**	**Level 2**	**Total**
Mutual funds	$ 251,771	---	---	$ 251,771
Total investments categorized in the fair value hierarchy	$ 251,771	---	---	251,771
Investments measure at net asset value*				
Pooled separate accounts				204,003
Common/collective trust				2,418,029
Total investments, at fair value				$ 2,873,803

	Fair Value Measurements Using Input Type			
December 31, 2020	**Level 1**	**Level 2**	**Level 2**	**Total**
Mutual funds	$ 256,134	---	---	$ 256,134
Total investments categorized in the fair value hierarchy	$ 256,134	---	---	256,134
Investments measure at net asset value*				
Pooled separate accounts				134,818
Common/collective trust				2,232,085
Total investments, at fair value				$ 2,623,037

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.

NOTE 5 - Group Annuity Contract

The Plan invests in a traditional investment contract, a Group Annuity Contract (GAC), with Principal Life Insurance Company (Principal Life). The GAC is a guaranteed investment contract which meets the fully benefit-responsive investment contract (FBRIC) criteria and therefore is reported at contract value. Contract value is the relevant measurement attribute for FBRIC because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported by Principal Life, represents contributions, plus earnings, less withdrawals and administrative expenses. As of December 31, 2021 and 2020, the contract value of the FBRIC was $573 and $78,710, respectively.

Principal Life guarantees the Plan a return of principal and interest under the terms of the GAC. The interest-crediting rate is updated semi-annually, based upon contract provisions.

Certain events could limit the ability of the Plan to execute transactions at contract value with Principal Life. Such events include the following: (1) transfers by participants or the Plan Sponsor to one or more competing Plan investment options, all such transfers involving a competing Plan investment option will be subject to an equity wash, (2) transfers by the Plan Sponsor in excess of 10% of the accumulated Plan Sponsor's transfer percentage as of the date of transfer will be subject to a surrender charge, or (3) termination of the Plan's interest without providing sufficient notice and without meeting the minimum cumulative transfer percentage will be subject to a surrender charge. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring. Participant initiated events are ordinarily treated at contract value.

NOTE 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan, subject to the provisions of ERISA.

NOTE 7 - Tax Status

On August 8, 2014, the Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code (IRC) Section 401(a). The Plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 8 - Related Parties and Party-in-Interest Transactions

Parties-in-interest are defined under the Department of Labor's (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

Certain administrative expenses of the Plan are paid directly by the Plan Sponsor. Any direct or indirect expenses paid for by the Plan are considered party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to Principal, other investment custodians and investment advisors.

Certain Plan investment options consist of mutual funds, shares of common collective trusts, shares of pooled separate accounts, and an investment contract is managed by the Custodian. The Custodian are members of the Principal Financial Group. Accordingly, these transactions qualify as party-in-interest transactions. Fees paid to parties-in-interest by the Plan totaled $24,158 for the year ended December 31, 2021.

The Plan allows for the issuance of notes receivable to participants in accordance with the related regulations.

The transactions qualify as party-in-interest transactions for which there are statutory exceptions.

NOTE 9 - Prohibited Transactions

During the year ended and 2020, the Plan Sponsor inadvertently failed to deposit $106 of participant loan repayments within the required time frame as stated by ERISA. The loan repayment was deposited beyond the earliest expected date on which assets could be segregated from the employer's assets. The U.S. Department of Labor considers late deposits to be prohibited transactions. The Plan Sponsor calculated lost earnings on these loan repayments and deposited the lost earnings during 2021.

The Plan Sponsor has self-corrected these prohibited transactions and does not believe that these issues will have a material impact on the Plan's net assets available for benefits or the plan's tax status.

NOTE 10 – Qualified Non-elective Contribution

During the year ended December 31, 2021, the Plan Sponsor discovered a missed deferral opportunity. The Plan Sponsor calculated lost earnings on the missed deferral opportunity and deposited a total $160 to the participant's account on September 8, 2022, within the required time frame as stated by the IRS.

The Plan Sponsor has self-corrected these prohibited transactions and does not believe that these issues will have a material impact on the Plan's net assets available for benefits or the plan's tax status.

NOTE 11 - Reconciliation of Financial Statements to Form 5500

The Form 5500 was prepared on the cash basis for the Plan year ended December 31, 2021, and the financial statements were prepared on an accrual basis for the years ended year ended December 31, 2021 and 2020. The following is a reconciliation of the net increase on the financial statements for the year ended December 31, 2021 to the Form 5500:

Net assets available for benefits, as reported on Form 5500	$	2,894,777
To accrue for participant contribution receivables		8,030
To accrue for employer contribution receivables		160
To reverse notes receivable from participants		(106)
Net assets, as reported in the accompanying financial statements	$	2,902,861

NOTE 11 - Reconciliation of Financial Statements to Form 5500 (continued)

The following is a reconciliation between the Statement of Net Assets Available for Benefits per the accompanying financial statements and the Form 5500 as of December 31, 2021:

Increase in net assets, as reported on Form 5500	$	144,017
Participant contribution receivables at December 31, 2021		8,030
Employer contribution receivables at December 31, 2021		160
Notes receivable from participants at December 31, 2020		(106)
Increase in net assets available for benefits, as reported in the accompanying financial statements	$	152,101
