The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ogre Holdings 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2021 and December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ogre Holdings 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogre Holdings 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ogre Holdings 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ogre Holdings 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Supplemental Schedules Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies followed by Ogre Holdings 401(k) Profit Sharing Plan and Trust (the Plan) are listed below:

(a) **Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

(b) **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) **Risks and Uncertainties**

The Plan provides for certain investment options. Investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization identified an outbreak of a novel strain of coronavirus (COVID-19) as a global pandemic and the President of the United States declared the outbreak a national emergency. The total potential impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

(d) **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

(e) **Payment of Benefits**

Benefits are recorded when paid.

(f) **Administrative Expenses**

Administrative expenses may be paid by the employer or the Plan, at the employer's discretion.

(g) **Subsequent Events**

Management has evaluated subsequent events through August 11, 2022, the date that the financial statements were available to be issued.

December 31, 2021 and December 31, 2020

Note 2: PLAN DESCRIPTION

The following description of the Plan is provided for general information purposes only. More complete information regarding the provisions may be found in the Summary Plan Description.

(a) **General**

The Plan is a defined contribution retirement savings plan, established October 1, 2007. The Plan is sponsored by Ogre Holdings (the Employer) for the benefit of its full-time employees and those of Integrity EDM and Quality Steel Treating, LLC, affiliates of Ogre Holdings. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) **Contributions**

Participants may elect to contribute to the Plan the maximum amount of annual compensation prescribed under the Internal Revenue Code. For the years ended December 31, 2021 and December 31, 2020, the Employer elected to make a safe harbor matching contribution to the Plan of 100% of the first 4% deferred of each participant's compensation. The Employer may also elect to make a profit-sharing contribution. For the years ended December 31, 2021 and December 31, 2020, the Employer has not elected to make a profit sharing contribution.

(c) **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocation of the Employer's contribution and Plan earnings and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or contributions or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

(d) **Vesting**

Participants are 100% vested in rollover contributions and salary deferrals and earnings thereon. Participants become fully vested in employer safe harbor matching contributions. In addition, a participant becomes fully vested upon death, disability, or attainment of normal or early retirement age, currently defined as 65 and 59 ½ years of age, respectively.

(e) **Plan Benefits**

The benefits to which a participant is entitled are the benefits that can be provided from the participant's individual accounts. Benefits are payable upon retirement or upon total and permanent disability, employment termination, or death. Hardship withdrawals are permitted under the Plan from all participant accounts.

In April 2020, the Plan implemented changes related to the Coronavirus Aid, Relief, and Economic Security Act (CARES), which provides relief to individuals impacted by the COVID-19 crisis. New features available to Plan participants (subject to certain restrictions) included:

- Coronavirus related distributions up to \$100,000, with no mandatory 20% federal tax withholding and the 10% early withdrawal penalty was waived for distributions taken between March 27, 2020 and December 31, 2020. The participant can repay the amount of the distribution as a rollover within three years and can pay taxes pro-rata over a three-year period.
- Required minimum distributions were waived for 2020.

Notes to Financial Statements

December 31, 2021 and December 31, 2020

Note 2: PLAN DESCRIPTION (continued)

(f) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. However, the \$50,000 amount in the preceding sentence is reduced by the highest outstanding loan balance the participant had under the Plan during the previous one-year period. Interest income from participant loans was \$14,539 and \$17,959 for the years ended December 31, 2021 and December 31, 2020, respectively. Participant loans are valued at the amortized cost of the loans as the loans are secured by each respective participant's account balances.

In April 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act (CARES) provisions for loan relief to 1) delay certain required loan repayments for one year, and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued through September 23, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

(g) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become fully vested in their accounts.

Note 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation of other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments, apply to investments held directly by the Plan.

Mutual funds: The fair values of the mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

Common collective trust fund: Valued based on calculating a unit value on the net assets of the underlying portfolio of securities, as reported by the manager of the fund. The net asset value is used as the practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

For the years ended December 31, 2021 and December 31, 2020, there were no significant transfers between levels.

Investments measured using the net asset value per share practical expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of the year ended December 31, 2021 and December 31, 2020.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

Note 4: FAIR VALUE MEASUREMENTS (continued)

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Reliance Trust Company MetLife Stable Value Fund Series 25053	\$ 223,327	\$ -	Daily	Daily

The Reliance Trust Company Stable Value Fund Collective Investment Trust Series 25053 (the Fund) was formed for the purpose of allowing participating plan sponsors to invest in MetLife Group Annuity Contract 25053 and MetLife Group Annuity Contract 37000 (collectively, the Contracts) issued by Metropolitan Life Insurance Company (MetLife) to Reliance Trust Company.

The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

The Fund sells new units and repurchases outstanding units on a daily basis. Unit purchases and redemptions are transacted at the NAV per share class determined as of the close of each business day. The NAV is calculated daily based on the contract value.

All of the Contracts in the Fund are benefit responsive at contract value for all participant-directed transactions. MetLife may make payments attributable to a participating plan or its sponsor, and all participant withdrawals deemed to be participant plan directed withdrawals, as Market Value Adjusted Payments. Market Value Adjusted Payments means (1) if contract value is less than or equal to market value, the withdrawal's proportionate share of contract value, or (2) if market value is less than contract value, the amount of the withdrawal requested multiplied by the ratio that market value bears to contract value.

Note 5: TAX STATUS

In a letter dated March 31, 2014, the Internal Revenue Service has determined and informed that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject for a period of three years from the date the Form 5500 was filed.

Note 6: PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest is defined under the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. All professional fees for the administration and audit of the Plan are paid by the Plan or the Employer. Fees paid by the Plan during the years ended December 31, 2021 and December 31, 2020, for services rendered by parties-in-interest, as defined by ERISA, were based on contractual and reasonable rates for their services.

The Plan invested in a common collective trust fund managed by Reliance Trust Company as of December 31, 2021 and December 31, 2020, and as such, the investment qualifies as a party-in-interest investment.

Additionally, the Plan held notes receivable from participants totaling \$226,585 and \$226,684 at December 31, 2021 and December 31, 2020, respectively, which qualify as party-in-interest transactions.

Note 7: INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, Note 3, and the supplemental Schedule H, line 4i - Schedule of Assets Held for Investment Purposes as of December 31, 2021; and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and December 31, 2020.
