Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the MeritB2B, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MeritB2B, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years the ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MeritB2B, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MeritB2B, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MERITB2B, LLC
401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of the MeritB2B, LLC 401(k) Profit Sharing Plan (the Plan) provides general information. Participants should refer to the plan document for a more comprehensive description of the Plan's provisions.

General - The Plan is a defined contribution profit sharing plan covering all eligible employees of MeritB2B, LLC (the Company), formerly MeritDirect, LLC (see Note 11). The Plan was established on January 1, 2000 and restated January 1, 2015 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was adopted under the provisions of Section 401(a) of the Internal Revenue Code ("Code") with a cash or deferred arrangement qualified under Section 401(k) of the Code.

Eligibility - Each full-time employee of the Plan Sponsor, who is not covered by a collective bargaining agreement, is eligible to participate in the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year coincident with or next following the date of hire and attainment of 21 years of age.

The Plan was amended effective January 1, 2020 to allow employees to be eligible to participate in the Plan on the first day of the month coincident with or next following the date of hire and attainment of 21 years of age.

Contributions - Participants may direct the Plan Sponsor to deposit any dollar amount or whole percentage up to 100% of their annual compensation directly into their plan accounts on a before-tax or after-tax basis, subject to Internal Revenue Service limitations. Highly compensated employees may not contribute more than 10% of their annual compensation.

The Plan allows for discretionary employer matching contributions to be made. Employees are eligible for the Plan's discretionary matching contribution if they are employed as of the last day of the Plan year and, effective January 1, 2014, employees must also be credited with at least 1,000 hours of service during the Plan year. The Plan did not make a discretionary matching contribution for the Plan year 2021.

The Plan also includes a discretionary employer profit sharing contribution which is allocated pro-rata to eligible participants. Employees are eligible for the Plan's profit sharing contribution if they are employed as of the last day of the Plan year and credited with at least 1,000 hours of service. There were no profit sharing contributions in 2021 and 2020. Employee and employer contributions are accounted for as exchange transactions.

NOTE 1. DESCRIPTION OF PLAN (continued)

Participant Accounts - Each participant's account is credited or charged with the participant's contribution and allocations of the Company's matching contributions and net earnings or losses on investments. Allocations are based on participant net earnings and account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited balances of terminated participants' nonvested accounts are used first to offset Plan administrative costs and second to reduce future Company contributions. Forfeitures totaled \$6,623 and \$12,143 for the years ended December 31, 2021 and 2020, respectively.

Vesting - Participants are immediately vested in their contributions plus net earnings thereon. Vesting in the Company discretionary matching and profit sharing contribution portion of their accounts plus net earnings thereon is based on years of continuous service. A participant is twenty percent (20%) vested after two years of credited service, forty percent (40%) vested after three years of credited service, sixty percent (60%) vested after four years of credited service, eighty percent (80%) vested after five years of credited service, and fully vested after six years of credited service. Participants are fully vested upon attaining retirement age, or becoming totally and permanently disabled, or at death.

Payment of Benefits - Upon termination of service, death, retirement, disability or normal or early retirement, a participant may elect to receive their entire undistributed vested interest in the Trust Fund (reduced by any security interest held by the Plan by reason of an outstanding loan to the participant) which shall be available to be distributed to him or her in a single, lump sum cash payment.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates - The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments - The Plan's assets are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

See Note 9 for discussion of fair value measurements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses - MeritB2B, LLC, the plan sponsor, (see Note 11) pays significant costs of the plan's operation including plan administration and office expenses.

Receivables - Plan management has determined that the receivables are collectible and, therefore, no allowance for doubtful accounts is required.

Participants Notes Receivable - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits - Benefits are recorded when paid.

NOTE 3. INFORMATION CERTIFIED BY THE TRUSTEE

As of December 31, 2021 and 2020, and for the years then ended, the financial information included in the Plan financial statements, except for participant notes receivable, contributions, benefits paid to participants and administrative expenses, has been derived from information certified as complete and accurate by the custodian, Bank of America, NA in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, as amended. The financial information is included under "Investments" on the statements of net assets available for benefits and "Investment Income" on the statement of changes in net assets available for benefits.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Trust subject to the provisions of ERISA. In the event of Plan termination, each participant or beneficiary will become one hundred percent (100%) vested and have a nonforfeitable right to their accounts, after providing for all of the expenses of the plan at termination.

NOTE 5. TAX STATUS

The Plan adopted a prototype plan document sponsored by Merrill Lynch, who received an opinion letter from the Internal Revenue Service (the IRS) dated June 30, 2020, which states that this prototype document satisfied the applicable requirements of the Internal Revenue Code (the IRC). Although the Plan has been amended since receiving the opinion letter, the Plan's administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is exempt from federal income taxes under Section 501(a) of such code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5. TAX STATUS (continued)

Subsequent to year end, on January 20, 2022, the Plan adopted a restated prototype plan document sponsored by Merrill Lynch, effective January 1, 2022.

Accounting principles generally accepted in the United States of America (GAAP) requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6. PARTICIPANT NOTES RECEIVABLE

Participants may borrow up to fifty percent (50%) of their vested account balance, with a minimum of \$1,000 and a maximum of \$50,000. Loan terms generally range from one to five years. The loans are secured by the vested balance in the participant's account. During the year, the interest rate charged on the outstanding loans ranged from 4.25% to 6.50%. Principal and interest are paid through payroll deductions.

During the 2020 year, the Plan elected to adopt the loan provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowing an increase of the maximum loan limit to the lesser of \$100,000 or 100% of the participant's vested balance and permitting the loan repayment delay for up to 1 year for outstanding loans that had a repayment date due from March 21, 2020 to December 31, 2020, including repayments due on separation from service.

Interest collected on these loans, which is credited directly to the participant's account, totaled \$27,415 and \$27,462 for the years ended December 31, 2021 and 2020, respectively. These amounts are included in interest income on the statement of changes in net assets available for benefits. Under the provisions of the loan agreement, any legal fees and related costs incurred in collecting delinquent loan payments are charged directly to the delinquent participant account. There were no administrative fees for the years ended December 31, 2021 and 2020.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Bank of America, N.A. Bank of America is the custodian and trustee of the Plan. Additionally, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions qualify as party in interest transactions under ERISA.

NOTE 9. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: The registered investment companies' investments are valued at the net asset value (NAV) of shares held by the Plan at the year end and are classified within level 1 of the valuation hierarchy.

NOTE 9. FAIR VALUE MEASUREMENTS (continued)

Collective trust: The fair value of participation units in the Federated Hermes Capital Preservation Fund is based upon the net asset values of such fund, as reported in the audited financial statements of the fund. The fund invests in conventional and synthetic investment contracts issued by life insurance companies, banks, and other financial institutions, with the objective of providing a high level of return that is consistent with also providing stability of investment return, preservation of capital and liquidity to pay plan benefits of its retirement plan investors. The fund provides for daily redemptions by the Plan at reported net asset value per share, with no advance notification for the purpose of funding a bona fide benefit payment, making a participant loan, honoring an employee-directed transfer of the employee's interest in the plan to another investment election, or paying trust fees. Withdrawals from the fund for any other purpose generally require 12 months advance written notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value for certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents assets and liabilities measured at fair value on a recurring basis at December 31, 2021:

	Fair Value Measurements at December 31, 2021			
	Total	Level 1	Level 2	Level 3

NOTE 10. EXCESS CONTRIBUTIONS

For the plan year ended December 31, 2021 the Plan failed the non-discrimination test and was required to refund excess contributions. The excess contributions totaled \$4,643. The refunds occurred in the 2022 plan year. This figure includes employee deferrals and applicable earnings.

NOTE 11. SUBSEQUENT EVENTS

Effective April 19, 2022, the Plan was amended to change the Plan name to Anteriad, LLC 401(k) Profit Sharing Plan.

On May 18, 2022, the Plan terminated their agreements with Bank of America and Merrill Lynch, effective September 1, 2022, and replaced them with Principal Trust Company as custodian and Prime Pensions, LLC as recordkeeper.

Subsequent events have been evaluated through September 17, 2022 which is the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
