INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
of the Meritus Health 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Meritus Health 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from T. Rowe Price Trust Company, a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Meritus Health 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meritus Health 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Meritus Health 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Meritus Health 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, line 4i – Schedule of Assets (Held at Year End) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Meritus Health 401(k) Savings Plan (previously the Meritus Health/Trivergent Health Alliance MSO 401(k) Savings Plan). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MERITUS HEALTH 401(k) SAVINGS PLAN

Notes to Financial Statements

NOTE 1 DESCRIPTION OF PLAN

The following description of the Meritus Health 401(k) Savings Plan (previously the Meritus Health/Trivergent Health Alliance MSO 401(k) Savings Plan) (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established on January 1, 1988 and covers all employees of Meritus Medical Center, Inc. (the Company). Medical Practices of Antietam, LLC is also an adopting employer of the Plan. Employees are eligible to participate immediately upon employment. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective July 6, 2014, the Plan was amended to add Trivergent Health Alliance MSO, LLC (Trivergent) as an adopting employer of the Plan. With respect to Trivergent only, the Plan recognized prior service for employees of Frederick Memorial Hospital, Inc. (FMH) and Western Maryland Health System Corporation (WMHSC). For each employee whose employment was transferred between Meritus and Trivergent, such employee's plan account balance, including any outstanding loan balance, was transferred with such employee to his or her new employer. Employees whose employment was transferred from FMH or WMHSC to Trivergent have the option of rolling over their account balance from their previous plan. Effective January 1, 2021, the Plan was amended to exclude Trivergent Health employees and Trivergent Health Alliance MSO, LLC was removed as a plan sponsor.

Contributions

Participants are allowed to contribute a portion of their annual compensation, as defined by the Plan, not to exceed the lesser of 75 percent of their compensation or the maximum amount allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan also features automatic enrollment and automatic increase of the employee's contribution levels. Any newly hired employees who have not completed a Salary Reduction Agreement form will be automatically enrolled in the plan contributing 3 percent of their compensation unless they opt out. Employees who contribute less than 10 percent of their compensation will have a contribution increase of 1 percent each year until the employee reaches 10 percent unless the employee elects otherwise.

Effective January 1, 2014, all non-safe harbor contributions were discontinued and the Plan now contributes under a safe harbor. The employer safe harbor matching contribution includes contributions equal to 100 percent of the participant's elective deferrals up to 3 percent of their compensation, as defined by the Plan plus 50 percent of the participant's elective deferrals that exceed 3 percent but do not exceed 6 percent of their compensation, as defined by the Plan. Effective July 1, 2020, the Plan was amended to exclude Meritus Health employees from the safe harbor matching contribution. Effective January 1, 2021, the Plan was amended to reinstate the safe harbor matching contribution for eligible employees.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Additional amounts may be contributed by the employer at the option of the Company's Board of Directors. Effective May 31, 2021, the Plan was amended to add a one-time flat dollar employer discretionary contribution for certain eligible employees of Meritus Medical Center, Inc. and Medical Practices of Antietam, LLC for the plan year ending December 31, 2021.

Effective October 1, 2020, the Meritus Health 403(b) Savings Plan terminated. As part of the termination, active participants were allowed to roll over their accounts, including any outstanding loan balances to this Plan.

Participant's Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's discretionary contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their account balances into various investment options offered by the Plan. Participants also have the option of using Charles Schwab's self-directed brokerage option, in which participants can invest a portion of their account in a wide range of investments offered by T. Rowe Price. These additional investments offer a spectrum of strategies and objectives beyond those available in the "core" investments of the Meritus Health 401(k) Savings Plan.

Administrative Budget Account

An account has been established under the Plan and funded by T. Rowe Price. The funds held in the account may only be disbursed at the direction of the Plan or its named fiduciaries to pay the reasonable expenses of administering the Plan. Any funds not used to pay plan expenses shall be allocated as determined by the named fiduciaries. The remaining balance of the account is held in the Principal Guaranteed Interest Balance Contract. Plan expenses of \$166,810 were paid from this account and \$253,237 was allocated to participants during 2021. At December 31, 2021 and 2020, there was \$79 and \$366,991, respectively, in this account available to pay Plan expenses.

Vesting

Participants are vested immediately in their contributions and employer safe harbor matching contributions plus actual earnings thereon. Participants are vested in the employer discretionary contribution portion of their accounts plus actual earnings thereon after 3 years of credited service if the participant terminated prior to April 1, 2019. Participants automatically become fully vested upon reaching normal retirement age (65), or in the event of disability or death. Effective April 1, 2019, active participants would be 100% vested in their employer discretionary contributions.

MERITUS HEALTH 401(K) SAVINGS PLAN

Notes to Financial Statements

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms may not exceed 5 years except for loans for the purchase of a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1 percent above the prime rate at the time of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Benefits under the Plan become distributable upon termination of employment, on or after normal retirement at age 65, disability or upon death. Upon the death of a participant, benefit payments will be paid to a surviving spouse or other designated beneficiary as appropriate. Benefit payments can be made as a lump sum distribution or in the form of an annuity. Distributions of account balances of \$1,000 to \$5,000 that meet the provisions for a mandatory distribution will be paid into a direct rollover of an individual retirement plan designated by the Plan Administrator if the participant does not elect the distribution method. Distributions of account balances less than \$1,000 that meet the provisions for a mandatory distribution will automatically be paid to the participant in a cash distribution if the participant does not elect the distribution method. In addition, hardship distributions are permitted if certain criteria are met.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$43,659 and \$10,967, respectively. These accounts will be used to reduce future employer contributions, pay plan expenses or reallocated among plan participants. Ninety dollars of forfeitures were used to reduce employer contributions during the plan year ended December 31, 2021. During the plan year ended December 31, 2021, \$8,237 was reallocated to participants who incorrectly forfeited part of their employer contribution.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

MERITUS HEALTH 401(K) SAVINGS PLAN

Notes to Financial Statements

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value is also provided using the net asset value practice expedient. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and certain investment consulting fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in value of investments.

Reclassifications

Certain reclassifications of amounts previously reported have been made in the accompanying financial statements in order to make the December 31, 2020 amounts confirm to classifications used for the year ended December 31, 2021.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021 were prepared from information provided by T. Rowe Price Trust Company, the trustee of the Plan, which were certified to be complete and accurate to the best of their knowledge. NOTE 5 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

MERITUS HEALTH 401(K) SAVINGS PLAN

Notes to Financial Statements

NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Self-directed brokerage accounts are comprised of assets including mutual funds, common stocks and unit investment trusts traded on the open market, valued at the closing price reported on the active market which the individual securities are traded. In addition, this account is comprised of cash valued at cost, which equals fair value.

Common Trust Funds

Valued at the NAV as determined by the trust. The NAV, as provided by the directed trustee, is used as a practical expedient to estimate fair value.

MERITUS HEALTH 401(K) SAVINGS PLAN

Notes to Financial Statements

NOTE 6 INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a fully benefit-responsive insurance contract with Principal Life Insurance Company (Guaranteed Interest Balance Contract) totaling \$12,598,946 for 2021 and \$15,869,236 for 2020. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed insurance contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0.75 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully-benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is depended on the issuer's ability to meets its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

MERITUS HEALTH 401(k) SAVINGS PLAN

Notes to Financial Statements

NOTE 8 TAX STATUS

The sponsor company adopted the Thompson Hine LLP DBA Plan Document Systems Volume Submitter Profit Sharing Plans with CODA as the base for the Meritus Health 401(k) Savings Plan, formerly the Meritus Health/Trivergent Health Alliance MSO 401(k) Savings Plan. An IRS determination letter dated March 31, 2014, has been obtained for this prototype plan as it was restated to incorporate technical changes in pension law provisions to remain in compliance with applicable requirements of the Internal Revenue Code. The current version of the Plan has been amended to conform to the most recent requirements of the tax laws. The plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt at the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the government authorities. The Plan is subject to routine audits by taxing jurisdictions; generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 9 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by T. Rowe Price Trust Company. T. Rowe Price Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the plan for the investment management services are included in net appreciation in value of the investments, as they are paid through revenue sharing, rather than a direct payment.

T. Rowe Price Trust Company provides administrative services to the Plan pursuant to a service agreement between the Company and T. Rowe Price Trust Company. T. Rowe Price Trust Company receives revenue from mutual fund service providers for services T. Rowe Price Trust Company provides to the funds. This revenue is used to offset certain amounts owed to the Plan's investment advisors for investment management services to the Plan.

If the revenue received by T. Rowe Price Trust Company from such mutual fund service providers exceeds the amount owed under the service agreement, T. Rowe Price Trust Company remits the excess to the Plan's Administrative Budget Account on a quarterly basis. Such amounts may be applied to pay recordkeeping fees, administrative expenses, investment management services, or allocated to the accounts of the participants. T. Rowe Price deposited \$51,250 in the Administrative Budget Account to cover plan expenses. During 2021, the Plan paid \$134,833 in investment management and administrative services.

The Plan also made direct payments to T. Rowe Price Trust Company for fees related to recordkeeping services of \$522,249, which \$166,810 was used from the Administrative Budget Account. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Notes to Financial Statements

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
