Independent Auditor's Report – 2021

To the Plan Administrator and Those Charged with Governance
Pinnacle 401(k) Plan
Christiansted, Virgin Islands

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Pinnacle 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Pinnacle 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Pinnacle 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pinnacle 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Pinnacle 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Pinnacle 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pinnacle 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pinnacle 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report – 2020

To the Plan Administrator and Those Charged with Governance
Pinnacle 401(k) Plan
Christiansted, Virgin Islands

We were engaged to audit the accompanying statement of net assets available for benefits of Pinnacle 401(k) Plan (the Plan) as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Trustee as of December 31, 2020 that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the Trustee, have been audited by us in accordance with GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PINNACLE 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of the Plan

The following description of the Pinnacle 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined contribution plan, established on January 1, 1996. The Plan has been restated throughout the years to comply with certain tax legislation. The Plan covers substantially all full-time employees of Pinnacle Services, LLC and its affiliates (the Company, Employers or Plan Sponsor). Eligible employees enter the Plan after completing the service requirement of twelve (12) months or one thousand (1,000) hours of credited service during the eligibility computation period, and have reached age twenty-one (21), as defined in the Plan document.

The Company is the Plan Administrator. Ingham Retirement Group (Ingham) is the Plan's recordkeeper. Reliance Trust Company (the Trustee) serves as the Trustee of the Plan, holds the Plan's investment assets and executes investment transactions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants in the Plan may voluntarily contribute up to 100% of their eligible annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). For the year ended December 31, 2021, individual participant contributions were limited to \$19,500. For the year ended December 31, 2021, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans (rollover).

The Company makes a safe harbor matching contribution equal to 100% of the first 3%, and 50% of the next 2% of eligible compensation that a participant contributes to the Plan. For the year ended December 31, 2021, Employer safe harbor contributions totaled \$196,206. Safe-harbor matching contributions are invested in funds in accordance with the participant's direction and the Plan's provisions.

The Company may also make additional discretionary contributions. No such discretionary contributions were made to the Plan for the year ended December 31, 2021.

Contributions are subject to certain IRS limitations.

Participant accounts

Each participant account is credited with the participant's contribution and an allocation of: (a) the Employer's safe harbor and discretionary matching contributions (if any), and (b) Plan earnings or losses, thereon, and is charged with his or her withdrawals and an allocation of administrative expense. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Vesting of benefits

Participants are immediately vested in their individual contributions plus actual earnings thereon as well as the Company's safe harbor and profit sharing contributions (if any) portion of their account.

Note 1 – Description of the Plan, Continued

Forfeitures

Nonvested forfeited accounts may be used to offset certain Plan administrative expenses or reduce Employer contributions. During the year ended December 31, 2021, forfeitures of \$8 were used to reduce Employer contributions. At December 31, 2021 and 2020, unallocated nonvested forfeited account balances available totaled \$21,689 and \$21,681, respectively.

Participant notes receivable

Participants may borrow from their account \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years unless the loan is used to acquire the principal residence of the participant. Loans are secured by the vested account balance in the participant's account and bear a reasonable rate of interest. A participant may only have two (2) loans outstanding at any given time. Principal and interest are paid through regular payroll deductions and remitted to the Trustee.

Payment of benefits

On termination of service for any reason, the participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment, subject to 20% withholding for income taxes, or as a direct rollover to an individual retirement account or another employer's tax qualified plan. On termination of service due to death, the participant's account will be paid to the participant's beneficiary in a single lump-sum payment. In the event that the participant's vested accrued benefit is less than \$1,000, the Plan Administrator may make a single lump-sum payment or may roll over the total vested account balance to an IRA selected by the Plan Administrator without the election or request of the participant. Participants may elect to take an in-service distribution of vested funds upon becoming disabled under the terms of the Plan, reaching age 59½ or if they incur a proven financial hardship, as defined.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses are paid by the Company and are not reflected in these financial statements.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's Trustee.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PINNACLE 401(k) PLAN

Note 2 – Summary of Significant Accounting Policies, Continued

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences may be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect the participants' account balances and the amounts reported in the financial statements.

In February 2022, Russian forces entered Ukraine and commenced an armed conflict. Economic sanctions have since been imposed on Russia and certain of its citizens, including the exclusion of Russia from the SWIFT global payments network. As a result, Russia's central bank closed the country's stock market on February 28, 2022, and Russian-related stocks and debt and the Russian ruble have since suffered significant declines in value. In addition, this armed conflict and the related sanctions may cause significant disruptions to global business activity and volatility in global financial markets. The duration of the conflict and related economic sanctions and their effects on the financial markets cannot be determined with certainty. The performance of the Plan's investment options available could be negatively impacted if the value of a portfolio holding were harmed by such events. Plan management and advisors are actively monitoring these events.

Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are charged directly to the borrowing participant's account and included as administrative expenses when incurred. Any delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

Concentration of credit risk

The Trustee maintains the Plan's investments with high credit-quality institutions and attempts to limit the credit exposure of any particular investment.

Other liabilities

Other liabilities consists of certain Employer safe harbor matching contributions determined to have been overfunded to the Plan.

Payment of benefits

The Plan records benefits when paid.

PINNACLE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Plan administration

The Company is the Plan Administrator and as such, controls and manages the operations of the Plan. The Plan's assets are maintained by Reliance Trust Company (the Trustee) which serves as the Trustee of the Plan. Ingham Retirement Services is the Plan's recordkeeper, asset manager, and third-party administrator, and invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

Plan expenses

For all periods presented, the Plan has classified certain Plan expenses as administrative expenses rather than as a reduction of investment income. Substantially all the administrative expenses of maintaining the Plan are paid by the Employer and are not reflected in these financial statements. Certain expenses paid by the Plan consist of recordkeeping, Trustee and third-party administrator fees. Certain participant directed transactions such as loan processing and withdrawal fees are charged directly to the participants accounts.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, Plan management has determined it does not have any positions at December 31, 2021 that it would be unable to substantiate.

Note 3 – Investment Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and participant notes receivable as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

PINNACLE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2021 and 2020. During the year ended December 31, 2021, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at quoted market prices, which represent their daily net asset value (NAV) reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are traded on national exchanges (active markets).

Money market account – valued at a NAV of \$1.

Collective trust fund – Valued at NAV based on the units of the collective trust. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the trust would sell its underlying investments for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily at NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan's management believe its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, Plan investment assets measured at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,310,378	\$ -	\$ -	\$ 8,310,378

Investments, at fair value	<u>\$ 6,931,637</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,936,848</u>

* Certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to present the reconciliation of the fair value hierarchy to line items presented on the statements of net assets available for benefits.

Note 5 – Fair Value of Investments in Entities that use NAV

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31,:

Investment	Fair Value		Unfunded commitments	Redemption frequency	Redemption notice period
	2021	2020			
Morley Stable Value Fund Class 50-1	<u>\$ 11,518</u>	<u>\$ 5,211</u>	None	Daily	None

Morley Stable Value Fund Class 50-1 – The objective of the fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit responsive plan or participant payments.

Note 6 – Party-in-Interest Transactions

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. The Plan's investments include mutual funds, a money market fund and a collective trust fund issued and administered by Fidelity Investments (Fidelity). Fidelity is a related party of Reliance Trust Company, the Trustee, and National Financial Services LLC, who processes all investment transactions. Therefore, transactions with the Trustee, Fidelity and their affiliated entities qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Employer. No officer or employee receives compensation from the Plan for these services.

Ingham is the Plan's recordkeeper and third-party administrator and receives compensation for recordkeeping, asset management, accounting and compliance services.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Employer's contribution portion of their account balances.

PINNACLE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 9 – Tax Status

On March 31, 2014, the IRS stated that the volume submitter profit sharing plan with CODA adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and therefore, the Plan and its related trust is tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the opinion letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 10 – Delinquent Participant Contributions

During 2021, the Company was untimely in remitting certain participant contributions in the amount of \$51,628. Late remittances of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. The Company remitted the delinquent participant contributions, as well as the related Company matching contributions in 2021. In addition, the Company reimbursed the Plan for lost earnings for a portion of the delinquent contributions and the remaining lost earnings are pending the determination.

Note 11 – Subsequent Events

Subsequent to December 31, 2021, the Plan was amended and restated effective January 1, 2022 to comply with certain tax legislation.

The Plan evaluated events occurring subsequent to December 31, 2021 through September 16, 2022, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
