Independent Auditors' Report

To the Trustees
The 401(k) Savings Plan
Irving, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule(s) Required by ERISA

The 2021 supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated July 19, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of The 401(k) Savings Plan (the Plan), provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

- A. General: The Plan, established January 1, 1994, is a defined contribution plan formed for the eligible employees of the Berkshire Hathaway Automotive Inc. and certain of its affiliates (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is in the process of adopting formal amendments but has already implemented and made effective some changes as allowed by the CARES Act including related rules on in-service distributions and participant loans. The amendment is expected to be prepared at a later date.
- B. Eligibility: All non-union employees of the Company are eligible to participate in the Plan beginning on their first day of employment.
- C. Funding:
1. *Employee Salary Deferral Contributions*: Non Highly Compensated Participating employees may voluntarily elect to contribute up to 75% of their compensation through salary deferrals. Highly Compensated Participating employees may voluntarily elect to contribute up to 25% of their compensation through salary deferrals.
 2. *Company Discretionary Matching Contributions*: The Company may elect to make a discretionary matching contribution equal to a percentage of each participant's salary deferral contribution. Only participants who are actively employed by the Company on the last day of the plan year are eligible.

During 2021 and 2020, the Company made discretionary matching contributions to the Plan of \$3,924,330 and \$3,298,961, respectively.

- D. Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings.

THE 401(k) SAVINGS PLAN
STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan (Continued):

- E. Vesting: Participants are immediately 100% vested (non-forfeitable) in their voluntary contributions plus allocated earnings thereon. Participants become vested in the employer contributions as follows:

<u>Years of Service</u>	<u>Vested (and Non-forfeitable) Percentage of Employer Contributions</u>
1	20%
2	40%
3	60%
4	80%
5	100%

- F. Forfeited Accounts: At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$654,879 and \$433,634, respectively. These accounts will be used to offset administrative expenses incurred by the plan and then to reduce future employer contributions. For the year ended December 31, 2021, forfeitures of \$49,536 were used to pay Plan expenses and employer contributions were reduced by \$181,626 from forfeited non-vested accounts.
- G. Note Receivable from Participants: Under certain circumstances, participants may borrow from their account balances. The minimum amount of a loan is \$1,000 and the maximum amount may not exceed the lesser of \$50,000 or 50% of their vested account balance. The participant's vested account balance is used as collateral for the loan. The loans bear interest at 1% over the prime rate fixed at the date of the loan. All loans must be repaid over a period of one to five years unless it is for the purchase of a principal residence, in which case, the loan may be repaid over a ten-year period.
- H. Administrative Expenses: Administrative expenses that are paid by the Plan consist of fees charged by the Plan's trustee.
- I. Amendment and Termination: Although the Company intends to continue the Plan indefinitely, it reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. If the Plan is terminated, participants will automatically be fully vested in their accounts regardless of year of service.

2. Significant Accounting Policies:

- A. Basis of Accounting: The Plan's financial statements are maintained on the accrual basis of accounting and are presented in accordance with generally accepted accounting principles.

THE 401(k) SAVINGS PLAN
STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Significant Accounting Policies (Continued):

- B. Management's Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. Risks and Uncertainties: The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
- D. Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments in mutual funds consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments.
- E. Note Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Since the notes receivable from participants are secured, management has determined that there is minimal risk and therefore no allowance for doubtful accounts is recorded.
- F. Subsequent Events: Subsequent events have been evaluated up to July 29, 2022, the date these financial statements were available to be issued.

3. Federal Income Tax Status:

The volume submitter plan document obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The plan's open audit periods are 2018 and forward.

4. Unaudited Information Certified by the Plan Trustee:

The information for Plan investments and related transactions that is in the accompanying financial statements and supplementary schedule has been certified as complete and accurate by the trustee in accordance with 29CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

5. Investments:

The trustee of the Plan is Fidelity Management Trust Company. The custodian holds the Plan's investment assets and executes investment transactions. Participants may elect any combination of the following mutual fund investments: (1) Fidelity Government Money Market Fund, (2) Fidelity Contrafund – Class K, (3) Fidelity Diversified International Fund, (4) Fidelity Puritan Fund – Class K, (5) Fidelity 500 Index Fund – Institutional Class, (6) Fidelity Freedom Income Fund – Class K, (7) Fidelity Freedom 2005 Fund – Class K, (8) Fidelity Freedom 2010 Fund – Class K, (9) Fidelity Freedom 2015 Fund – Class K, (10) Fidelity Freedom 2020 Fund – Class K, (11) Fidelity Freedom 2025 Fund – Class K, (12) Fidelity Freedom 2030 Fund – Class K, (13) Fidelity Freedom 2035 Fund – Class K, (14) Fidelity Freedom 2040 Fund – Class K, (15) Fidelity Freedom 2045 Fund – Class K, (16) Fidelity Freedom 2050 Fund – Class K, (17) Fidelity Freedom 2055 Fund – Class K, (18) Fidelity Freedom 2060 Fund – Class K, (19) Fidelity Freedom 2065 Fund – Class K, (20) Fidelity Government Income Fund, (21) Fidelity Low-Priced Stock Fund – Class K, (22) Baron Growth Fund Institutional Shares, (23) JP Morgan Equity Income Fund Class R6, (24) Northern Small Cap Value Fund, (25) Fidelity Total Bond Fund, (26) Vanguard Total International Stock Index Fund Investor Shares, (27) Fidelity Extended Market Index. The participants' accounts are credited with the interest, dividends, and earnings of the funds. The investments of the Plan are not supported by any collateral or other security.

6. Fair Value Measurement:

Fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date. Level 1 assets include stock.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 assets include bond mutual funds and money market funds.

Level 3 inputs are unobservable inputs for the asset or liability.

FOR THE YEAR ENDED DECEMBER 31, 2021

6. Fair Value Measurement (Continued):

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table presents assets and liabilities that are measured at fair value on a recurring basis (including items that are required to be measured at fair value and items for which the fair value option has been elected) at December 31, 2021 and 2020:

7. Transactions with Parties-in-Interest:

The Company pays certain administrative costs and provides certain accounting and administrative services to the Plan for which no fees are charged.

Most of the Plan assets are shares of mutual funds managed by Fidelity Investments, an affiliate of the trustee. Accordingly, all transactions involving the Fidelity Investments mutual funds qualify as party-in-interest transactions.

Independent Auditors' Report

To the Trustees
The 401(k) Savings Plan
Irving, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule(s) Required by ERISA

The 2021 supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated July 19, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- C. Funding:
1. *Employee Salary Deferral Contributions*: Non Highly Compensated Participating employees may voluntarily elect to contribute up to 75% of their compensation through salary deferrals. Highly Compensated Participating employees may voluntarily elect to contribute up to 25% of their compensation through salary deferrals.
 2. *Company Discretionary Matching Contributions*: The Company may elect to make a discretionary matching contribution equal to a percentage of each participant's salary deferral contribution. Only participants who are actively employed by the Company on the last day of the plan year are eligible.

During 2021 and 2020, the Company made discretionary matching contributions to the Plan of \$3,924,330 and \$3,298,961, respectively.

- D. Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings.

THE 401(k) SAVINGS PLAN
STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan (Continued):

- E. Vesting: Participants are immediately 100% vested (non-forfeitable) in their voluntary contributions plus allocated earnings thereon. Participants become vested in the employer contributions as follows:

<u>Years of Service</u>	<u>Vested (and Non-forfeitable) Percentage of Employer Contributions</u>
1	20%
2	40%
3	60%
4	80%
5	100%

- F. Forfeited Accounts: At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$654,879 and \$433,634, respectively. These accounts will be used to offset administrative expenses incurred by the plan and then to reduce future employer contributions. For the year ended December 31, 2021, forfeitures of \$49,536 were used to pay Plan expenses and employer contributions were reduced by \$181,626 from forfeited non-vested accounts.
- G. Note Receivable from Participants: Under certain circumstances, participants may borrow from their account balances. The minimum amount of a loan is \$1,000 and the maximum amount may not exceed the lesser of \$50,000 or 50% of their vested account balance. The participant's vested account balance is used as collateral for the loan. The loans bear interest at 1% over the prime rate fixed at the date of the loan. All loans must be repaid over a period of one to five years unless it is for the purchase of a principal residence, in which case, the loan may be repaid over a ten-year period.
- H. Administrative Expenses: Administrative expenses that are paid by the Plan consist of fees charged by the Plan's trustee.
- I. Amendment and Termination: Although the Company intends to continue the Plan indefinitely, it reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. If the Plan is terminated, participants will automatically be fully vested in their accounts regardless of year of service.

2. Significant Accounting Policies:

- A. Basis of Accounting: The Plan's financial statements are maintained on the accrual basis of accounting and are presented in accordance with generally accepted accounting principles.

THE 401(k) SAVINGS PLAN
STATEMENT OF CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Significant Accounting Policies (Continued):

- B. Management's Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. Risks and Uncertainties: The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
- D. Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments in mutual funds consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments.
- E. Note Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Since the notes receivable from participants are secured, management has determined that there is minimal risk and therefore no allowance for doubtful accounts is recorded.
- F. Subsequent Events: Subsequent events have been evaluated up to July 29, 2022, the date these financial statements were available to be issued.

3. Federal Income Tax Status:

The volume submitter plan document obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The plan's open audit periods are 2018 and forward.

4. Unaudited Information Certified by the Plan Trustee:

The information for Plan investments and related transactions that is in the accompanying financial statements and supplementary schedule has been certified as complete and accurate by the trustee in accordance with 29CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

5. Investments:

The trustee of the Plan is Fidelity Management Trust Company. The custodian holds the Plan's investment assets and executes investment transactions. Participants may elect any combination of the following mutual fund investments: (1) Fidelity Government Money Market Fund, (2) Fidelity Contrafund – Class K, (3) Fidelity Diversified International Fund, (4) Fidelity Puritan Fund – Class K, (5) Fidelity 500 Index Fund – Institutional Class, (6) Fidelity Freedom Income Fund – Class K, (7) Fidelity Freedom 2005 Fund – Class K, (8) Fidelity Freedom 2010 Fund – Class K, (9) Fidelity Freedom 2015 Fund – Class K, (10) Fidelity Freedom 2020 Fund – Class K, (11) Fidelity Freedom 2025 Fund – Class K, (12) Fidelity Freedom 2030 Fund – Class K, (13) Fidelity Freedom 2035 Fund – Class K, (14) Fidelity Freedom 2040 Fund – Class K, (15) Fidelity Freedom 2045 Fund – Class K, (16) Fidelity Freedom 2050 Fund – Class K, (17) Fidelity Freedom 2055 Fund – Class K, (18) Fidelity Freedom 2060 Fund – Class K, (19) Fidelity Freedom 2065 Fund – Class K, (20) Fidelity Government Income Fund, (21) Fidelity Low-Priced Stock Fund – Class K, (22) Baron Growth Fund Institutional Shares, (23) JP Morgan Equity Income Fund Class R6, (24) Northern Small Cap Value Fund, (25) Fidelity Total Bond Fund, (26) Vanguard Total International Stock Index Fund Investor Shares, (27) Fidelity Extended Market Index. The participants' accounts are credited with the interest, dividends, and earnings of the funds. The investments of the Plan are not supported by any collateral or other security.

6. Fair Value Measurement:

Fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date. Level 1 assets include stock.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 assets include bond mutual funds and money market funds.

Level 3 inputs are unobservable inputs for the asset or liability.

FOR THE YEAR ENDED DECEMBER 31, 2021

6. Fair Value Measurement (Continued):

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following table presents assets and liabilities that are measured at fair value on a recurring basis (including items that are required to be measured at fair value and items for which the fair value option has been elected) at December 31, 2021 and 2020:

7. Transactions with Parties-in-Interest:

The Company pays certain administrative costs and provides certain accounting and administrative services to the Plan for which no fees are charged.

Most of the Plan assets are shares of mutual funds managed by Fidelity Investments, an affiliate of the trustee. Accordingly, all transactions involving the Fidelity Investments mutual funds qualify as party-in-interest transactions.
