Independent Auditor's Report

To the Plan Administrator
Chr Hansen Investment and Retirement Plan
Milwaukee, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Chr Hansen Investment and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Chr Hansen Investment and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chr Hansen Investment and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chr Hansen Investment and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chr Hansen Investment and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Chr Hansen Investment and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Chr Hansen Investment and Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan

The Chr Hansen Investment and Retirement Plan (the Plan) is a participant-directed defined contribution plan sponsored by Chr. Hansen, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

During 2020, the Company acquired UAS Laboratories LLC. As a result of the acquisition, the plan assets of the UAS Labs Retirement Plan were merged into the Plan effective January 1, 2021.

The Natural Colors business of the Company was acquired by Aurora Local AcqCo US, LLC. On April 1, 2021, the balances from participants employed in the Natural Colors segment were transferred to the Natural Colors Retirement Plan.

Eligibility

Employees of the Company and any authorized affiliates who are citizens of the United States, paid on the Company's U.S. payroll, and 18 years of age or older, are eligible to participate in the Plan.

Contributions

Participants can contribute to the Plan up to 100% of their compensation subject to limits set by the Internal Revenue Code (IRC). Participants, unless they elect otherwise, are automatically enrolled in the Plan at a deferral rate of 6%. The Plan allows participants over age 50 to make catch-up contributions. Participants may also contribute distributions from other qualified plans (Rollovers).

The Company makes a safe harbor employer basic contribution for each participant equal to 4% of the participant's plan eligible compensation for the pay period. The Company also makes matching contributions at the rate of 66-2/3% of each participant's contribution up to 6% of their compensation. Certain hourly culture plant participants receive additional safe harbor employer basic and matching contributions. The Company may also, at its sole discretion, make supplemental contributions. The Company made no supplemental contributions in 2021.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions along with an allocation of the Company's basic, matching, and supplemental contributions and charged with an allocation of expenses that are paid by the Plan. Earnings (losses) of the Plan are allocated based upon the relationship of a participant's account balance to the total of all account balances for each investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Chr Hansen Investment and Retirement Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability, separation or retirement, a participant (or their beneficiary) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may receive distributions at retirement, or if the balance in the account exceeds \$5,000, they may defer payment. Participant accounts with values of less than \$1,000 will be paid in a lump-sum distribution as soon as administratively feasible after termination of employment. If the participant account is greater than \$1,000, but is less than \$5,000, and the participant has not elected a rollover into an eligible retirement plan or a cash distribution, the plan administrator will distribute the balance into an individual retirement account as soon as administratively feasible after termination of employment. The Plan allows for participants to take hardship distributions if all requirements, as defined, are met.

Vesting

Participants are immediately fully vested in their contributions and earnings thereon. The vesting schedule for the Company matching account and safe harbor employer basic account (except that portion of the employer account attributable to safe harbor employer basic contributions made for periods after December 31, 2012) are as follows: 20% after one full year of service, 40% after two full years, 60% after three full years, 80% after four full years, and 100% after five full years.

The vesting schedule for safe harbor employer basic contributions made to the employer account for periods after December 31, 2012, are as follows: 0% less than 2 full years of service and 100% after 2 full years of service.

Forfeitures

Forfeited non-vested amounts can be used to reduce future Company contributions or to pay plan administrative expenses. Matching contributions were reduced by \$179,768 in 2021 by allocating forfeited non-vested accounts. Administrative expenses were paid by \$9,021 in 2021 by allocating forfeited non-vested accounts. Unallocated forfeitures were \$28,808 and \$1,025 as of December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their account balances. Notes are repaid over a period not to exceed ten years for primary residence loans and five years for all other loans. The notes are secured by the balance in the participant's account and bear interest at a commercially reasonable fixed interest rate. The interest rates on all notes outstanding at December 31, 2021 ranged from 4.25-6.50%. Principal and interest are paid ratably through payroll deductions.

Chr Hansen Investment and Retirement Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from these estimates and are subject to change in the near term.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. If a participant ceases to make loan repayments and the plan administrator deems the participant to be in default, the participant loan balance is reduced and the benefit payment is recorded based on the terms of the plan documents.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

Plan administrative expenses and investment advisory fees are paid by the Plan. The amount allocated to each participant is dependent upon the participant's account balance and investment mix. Professional fees, and certain other expenses incurred in conjunction with the Plan, are paid by the Company and are not included in these financial statements.

Subsequent Events

Subsequent events have been evaluated through September 26, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP specifies a three-tier fair value hierarchy, which prioritizes the inputs used in estimating fair value. These tiers include Level 1, defined as observable inputs such as quoted market prices in active markets; Level 2, defined as inputs other than quoted market prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Fair value is estimated using the NAV per unit by the issuer of the collective trust and is based on the fair value of the underlying investments held by the collective trust. The objective of the Stable Pooled Fund is to provide a moderate level of stable income without principal volatility. The collective fund seeks to maintain safety of principal while obtaining consistent, low volatility return superior to other high quality alternatives over a full interest rate cycle. Investments in the collective trust can be purchased and sold continuously. Plan level redemptions occur at net asset value following a 12-month notice period. The Plan has no obligation to buy additional units.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at December 31:

	Fair Value of Assets as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 83,825,160	\$ -	\$ -	\$ 83,825,160
Investment measured at NAV (a)				9,448,441
Total assets at fair value				\$ 93,273,601

	Fair Value of Assets as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 71,531,255	\$ -	\$ -	\$ 71,531,255
Investment measured at NAV (a)				10,882,508
Total assets at fair value				\$ 82,413,763

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line item presented in the Statements of Net Assets Available for Benefits.

Note 4: Information Prepared and Certified by Custodians

Certain information related to the Plan's investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information certified as complete and accurate by State Street Bank and Trust Company and Massachusetts Fidelity Trust Company, custodians of the Plan.

Note 5: Income Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Note 6: Risks and Uncertainties

The Plan's investment securities are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7: Party-In-Interest

Transactions involving funds administered by the custodians, or an affiliate of the custodians, notes receivable from participants, and administrative expenses qualify as party-in-interest transactions. These transactions are not considered prohibited under ERISA.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate or partially terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.
