INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Kulite Semiconductor Products, Inc.
Employees' Profit Sharing and Salary Reduction Plan
Leonia, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kulite Semiconductor Products, Inc. Employees' Profit Sharing and Salary Reduction Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including their form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

KULITE SEMICONDUCTOR PRODUCTS, INC.
EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN:

The Kulite Semiconductor Products, Inc. Employees' Profit Sharing and Salary Reduction Plan ("Plan") is administered by Kulite Semiconductor Products, Inc. ("Company" or "Sponsor"). The following brief description of the Plan is provided for general information purposes only. More complete information is provided in the Summary Plan Description and Plan Document, which are available from the Company.

General:

The Plan is a defined-contribution and salary reduction plan that was established in 1972. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Fidelity Management Trust Company is the Trustee of the Plan.

Eligibility:

All full-time employees who are age 21 or older, excluding residents of Puerto Rico or leased employees of the Company, are eligible to participate in the Plan. Employees become eligible to participate on the first day of each month. There is no service requirement.

Contributions:

Participants may elect to make voluntary salary reduction contributions of up to 60% of eligible compensation to their tax-deferred account subject to certain statutory limitations. Such contributions are invested in funds chosen by the participants from the available choices. All employees who are eligible to make elective deferrals and who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions in accordance with, and subject to, certain statutory limitations. Employees may change the amount of their elective deferrals at the beginning of each month. Participants may elect to roll over contributions that were received from an eligible retirement plan into the Plan even if they have not yet satisfied the age and eligibility requirements described above.

The Plan permits Roth contributions, rollover contribution of Roth contributions, and an automatic enrollment provision with an initial pre-tax deferral contribution of 3% to be increased annually by 1% until a deferral rate of 10% is reached. Employees hired or rehired prior to January 1, 2020, are excluded from the automatic enrollment provision.

The Company may make discretionary matching contributions to the Plan for each Plan year as the Company shall determine. Discretionary matching contributions are computed based on eligible compensation and employee elective deferrals made on a quarterly basis. The Company made discretionary matching contributions of \$625,110 and \$384,090 for the Plan years ended December 31, 2021 and 2020, respectively. Discretionary matching contributions were suspended for one quarter in 2020.

EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Contributions: (Continued)

The Company may make a discretionary, nonelective contribution to the Plan on behalf of each employee. This amount is determined by the Board of Trustees for each Plan year. Employees must be employed as of the last day of the Plan year and be at least 21 years of age to receive this discretionary contribution. These contributions will be allocated in a flat-dollar amount equal to all other eligible employees. For the year ended December 31, 2021, the Company made discretionary contributions of \$353,500. For the year ended December 31, 2020, the Company made no discretionary contributions.

Participant Accounts:

Each participant's account is credited with the participant's contribution and an allocation of (1) the Company's discretionary matching contributions, (2) discretionary contributions, and (3) Plan earnings or losses and investment expenses. Allocations are based on a participant's earnings or account balances, as defined.

The Plan permits participants to self-direct the investments of their accounts in a variety of investment options. All participants have elected to self-direct their accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in amounts attributable to employer contributions is based on a number of years of continuous service, with 100% vesting after six years of credited service. Only whole years of service are counted to compute years of service for vesting purposes.

Benefit Payments:

On termination of service, death, disability, or retirement (defined as age 65), a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or equal annual installments, as defined, or any combination of a lump-sum amount and installments.

Participants may elect to withdraw all or a portion of their rollover contributions.

In-service Withdrawals:

Active participants may begin to withdraw their vested account balance when they reach the age of 59½. In the event a participant suffers financial hardship, as defined in the Plan, the participant may generally withdraw all or part of their employee salary reduction contributions' portion of their account.

Participants are required by law to receive a minimum required distribution from the Plan no later than April 1 of the calendar year the participant turns 72 or terminates their employment, whichever is later, unless the participant is a 5% owner.

EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Forfeitures:

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures on nonvested accounts can be used to pay administrative expenses or to reduce future employer contributions under the Plan. During the years ended December 31, 2021 and 2020, \$115,500 and \$175,000, respectively, was used to offset employer contributions. At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$1,935 and \$116,998, respectively.

Investments:

Upon enrollment in the Plan, participants may direct their employee and Company contributions by percentages into any of the investment options available. Participants may change their investment options at any time.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Quoted market prices are used to value investments, if readily available. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses:

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the Plan Document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan, that are paid by the Plan, are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

KULITE SEMICONDUCTOR PRODUCTS, INC.
EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Payment of Benefits:

Benefits are recorded when paid.

Mutual Fund Fees:

Investments in mutual funds may be subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Excess Contributions Payable:

Excess contributions payable consists of amounts due to participants related to the December 31, 2021 and 2020, ADP discrimination testing. At December 31, 2021 and 2020, \$28,322 and \$39,221, respectively, are required to be distributed to these participants based on the results of these tests. The excess contributions were paid back to the participants on January 27, 2022 and January 19, 2021, for the respective years.

Subsequent Events:

The Company has evaluated its subsequent events and transactions occurring after December 31, 2021 through September 30, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends, for the years ended December 31, 2021 and 2020, was obtained by management and agreed to, or derived from, information certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

KULITE SEMICONDUCTOR PRODUCTS, INC.
EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds/Money Market: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Money Market	\$ 7,539,822	\$ -	\$ -	\$ 7,539,822
Mutual Funds	75,578,697	-	-	75,578,696
Total Assets at Fair Value	<u>\$83,118,519</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$83,118,518</u>

Assets at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Money Market	\$ 9,880,536	\$ -	\$ -	\$ 9,880,536
Mutual Funds	64,270,256	-	-	64,270,256
Total Assets at Fair Value	<u>\$74,150,792</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$74,150,792</u>

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are held by the Trustee, Fidelity Management Trust Company. Any transactions involving the Trustee, the Plan Sponsor, or the third-party administrator are considered party-in-interest transactions.

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

KULITE SEMICONDUCTOR PRODUCTS, INC.
EMPLOYEES' PROFIT SHARING AND SALARY REDUCTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 - TAX STATUS:

The Plan is a non-standardized pre-approved profit sharing plan with CODA and has obtained an opinion letter, dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. To the extent that a participant directs that their contributions be invested through the self-directed brokerage account option, the participant solely determines the extent to which such amounts will be diversified, if at all.

Subsequent to December 31, 2021, the Plan's investments depreciated by approximately 26%.

NOTE 9 - CONCENTRATIONS:

As of December 31, 2021 and 2020, the Plan held one and two investments that represented 15% and 24%, respectively, of net assets available for benefits.
