INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Briarcrest Christian School 401(k) Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Briarcrest Christian School 401(k) Retirement Plan and Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Briarcrest Christian School 401(k) Retirement Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Briarcrest Christian School 401(k) Retirement Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the

effectiveness of the Briarcrest Christian School 401(k) Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Briarcrest Christian School 401(k) Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Briarcrest Christian School 401(k) Retirement Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

BRIARCREST CHRISTIAN SCHOOL 401(K) RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note A - Description of Plan

The following description of the Briarcrest Christian School 401(k) Retirement Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of the School who have accumulated 1,000 hours of service in a twelve-month period. The Plan was adopted in 1973 with an effective date of September 1, 1973 and was most recently amended effective January 1, 2002. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants contribute to the Plan through a deferred salary agreement not to exceed the lesser of \$19,500 plus eligible catch-up contributions of up to \$6,500 or 100 percent of the participant's compensation. Each year, the School may make a discretionary contribution to the Plan that will match 50 percent of the aggregate salary reduction contribution to the extent that the aggregate contribution does not exceed five percent of the participant's compensation. In addition, the School may make a discretionary contribution to the Plan for all eligible participants. During the years ended December 31, 2021 and 2020, the School contributed five percent of eligible participant compensation to the Plan. The Plan currently offers several pooled separate accounts and mutual funds as investment options for participants. Participants may change their investment options at any time during the year and may change their salary reduction election beginning on the first day of the Plan year and the six-month semi-anniversary thereof.

Participant Accounts - Each participant's account is credited with the participant's contribution, the allocation of the School's contribution as directed by the participant, and the Plan's account earning and/or loss allocations based on the ratio that the participant's account balance bears to the total account balances of all the participants in the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Payment of Benefits - Upon termination of service, a participant will receive a lump-sum amount equal to the vested value of his or her account.

Notes Receivable from Participants - Participants may borrow from their fund accounts up to a maximum amount equal to 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1.00%, currently between 4.50% and 6.25%. Principal and interest are paid ratably through semi-monthly or bi-weekly payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

NOTES CONTINUED

Note B - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements are presented on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value as of the balance sheet date. Historical cost is determined using the average cost method. Income on investments is reported as earned (accrual basis) and realized gains and losses from security transactions are reported on the average cost method.

Forfeitures - Forfeited accounts are used to reduce future employer contributions. In 2021 and 2020, employer contributions were reduced by \$19,776 and \$12,874 from forfeited non-vested accounts, respectively. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$51,986 and \$155,654, respectively.

Income Taxes - The Plan is qualified under Section 401 of the Internal Revenue Code and is, therefore, exempt from federal income taxes.

Expenses - Investment related expenses are included in net appreciation in fair value of investments. The majority of expenses and fees associated with maintaining the Plan are paid by the Plan Sponsor. For the years ended December 31, 2021 and 2020, expenses were comprised of the following:

	2021	2020
Contract administration fees	\$ 39,254	\$ 33,231
Third-party administrator service fees	7,894	900
Investment advisory fees	30,699	25,641
	<u>\$ 77,847</u>	<u>\$ 59,772</u>

Note C - Custodians, Trustees, and Investments

Certain officers of the plan sponsor serve as the Plan's trustees. The pooled separate accounts and mutual funds were maintained by John Hancock Life Insurance Company through December 31, 2021.

Note D - Investment Information Certified by the Custodians (Unaudited)

The following summary of the Plan's financial information is certified by John Hancock Life Insurance Company for the periods noted below as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note E - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note F - Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTES CONTINUED

Note G - Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the plan sponsor believes the Plan continues to qualify and operate as designed.

The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note H - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Fair Value Measurement - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurement - Quoted prices which are not active, quoted prices for similar assets or liabilities in active markets, or inputs other than quoted prices that are observable (either directly or indirectly) for substantially the full term of the asset or liability. The fair value of pooled separate accounts is based on the values of the underlying assets.

Level 3 Fair Value Measurement - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Investments are classified within the level of the lowest significant input considered in determining fair value. Investments classified within Level 3 whose fair value measurements consider several inputs may include Level 1 or Level 2 inputs as components of the overall fair value measurement.

The classification of the fair value measurements for the investments held by the Plan is as follows:

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments - participant directed				
Index funds	\$ 602,049	\$ 211,738	\$ 390,311	\$ -
Growth funds	610,014	610,014	-	-
Fixed income funds	2,175,328	126,554	2,048,774	-
Target date funds	12,833,453	12,833,453	-	-
	<u>\$ 16,220,844</u>	<u>\$ 13,781,759</u>	<u>\$ 2,439,085</u>	<u>\$ -</u>

Note I - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts and mutual funds managed by John Hancock Life Insurance Company, the custodian as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Contract administration fees and investment advisory fees for the years ended December 31, 2021 and 2020 are disclosed in Note A to these financial statements.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note J - Other

Accounts of participants who have withdrawn from the Plan but have not been paid as of December 31, 2021 totaled \$2,079,230, of which \$2,027,244 is vested.

Note K - Other Matters

The COVID-19 pandemic during 2021 significantly disrupted financial markets, economies, and other events. As described in Note E, investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The plan sponsor, Briarcrest Christian School System, Inc., was able to continue operations remotely and maintain student enrollment. The long-term impact of the effects of the COVID-19 pandemic to the Plan and plan sponsor, as well as any relief from regulatory authorities, are currently not known. The extent of the adverse impact of the COVID-19 pandemic on the Plan's participant account balances and the net assets available for benefits cannot be reasonably estimated at this time.

Note L - Subsequent Events

Subsequent events were evaluated through August 18, 2022, which is the date the financial statements were available to be issued.
