L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan

Orchard Park, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4I – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was

derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

L.D. MCCAULEY LLC/MCGARD LLC FUTURE SECURITY SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Note 1 - Description of Plan

The following brief description of the L.D. McCauley LLC/McGard LLC Future Security Savings & Retirement Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of McGard, LLC and its subsidiaries (collectively referred to as "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees become eligible to voluntarily participate in the Plan and receive a Company match after six months of service and attainment of age 18. Employees become eligible to receive the Company's additional contribution after completing one year of service.

B. Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, up to the Internal Revenue Service limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Company makes matching contributions to eligible participants. The Company matched 25% of participant contributions up to 5% of their compensation for the year ended December 31, 2021. The Company's additional contribution is from 1% to 4% of participant compensation based on the participant's years of service. The Company's additional contribution may not exceed \$2,000 annually per participant. The Company contributed \$1,015,272 and \$871,866 for the years ended December 31, 2021 and 2020, respectively.

Contributions are subject to certain IRS limitations.

C. Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings (losses). Participant accounts are charged with an allocation of certain Plan expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants become 20% vested after completing two years of service and are additionally vested 20% for each year of additional service up to six years of service, at which time participants are fully vested. However, upon the participant's death, disability, or attainment of normal retirement age, all amounts are immediately vested.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

December 31, 2021 and 2020

Note 1 - Description of Plan, continued

E. Payment of benefits

Active participants may elect a lump sum in-service or hardship distribution as eligible according to the Plan document. On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of his or her account, periodic installments, or a qualified joint and survivor annuity. However, if the value of the vested benefit is less than \$5,000, a lump-sum distribution will be made regardless of whether or not an election has been made.

F. Administration

The Company is the administrator of the Plan and has appointed one employee as the trustee and Principal Life Insurance Company (Principal) and Bank of America (BOA) as custodians. The custodians are responsible for investing and safekeeping all assets of the Plan.

G. Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,877 and \$14,165 respectively. These accounts will be used to pay certain administrative expenses or reduce future Company contributions.

H. Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.75% to 6.50%, which are commensurate with local prevailing rates. A maximum of two outstanding loans per participant is allowed. Principal and interest is paid ratably through payroll deductions.

Note 2 - Summary of Significant Accounting Policies

A. Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts because they are not fully benefit-responsive. The Statement of Changes in Net Assets Available for Benefits is prepared on a fair value basis.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies, continued

B. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Payment of benefits

Benefit payments to participants are recorded when paid.

D. Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

E. Participant loans receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

F. Operating expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

G. Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants.

NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2021 and 2020

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end and are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: A common collective trust is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 3 – Fair Value Measurements, continued

General accounts and guaranteed investment contract: Guaranteed investment contracts are valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer (see Note 8). Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, a variety of factors are evaluated including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
<u>2021</u>				
Interest bearing cash	\$ 510,614	\$ -	\$ -	\$ 510,614
Mutual funds	51,440,386	-	-	51,440,386
Total	<u>\$ 51,951,000</u>	<u>\$ -</u>	<u>\$ -</u>	<u>51,951,000</u>
Investments measured at net asset value (a)				<u>5,159,468</u>
Investments at fair value				<u>\$ 57,110,468</u>
<u>2020</u>				
General accounts	\$ -	\$ -	\$ 504,431	\$ 504,431
Interest bearing cash	512,837	-	-	512,837
Mutual funds	44,708,297	-	-	44,708,297
Total	<u>\$ 45,221,134</u>	<u>\$ -</u>	<u>\$ 504,431</u>	<u>45,725,565</u>
Investments measured at net asset value (a)				<u>4,405,322</u>
Investments at fair value				<u>\$ 50,130,887</u>

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 3 – Fair Value Measurements, continued

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently available)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2021</u>				
Common collective trusts	\$5,159,468	n/a	Daily	1 day
<u>December 31, 2020</u>				
Common collective trusts	\$4,405,322	n/a	Daily	1 day

Note 4 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 5 - Transactions with Parties-in-Interest

Certain Plan investments are pooled separate accounts and general accounts managed by BOA and Principal. Merrill Lynch Retirement Services is the record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Loans receivable from Plan participants and the related interest income are considered to be parties-in-interest transactions. Administrative expenses paid by the Plan to the custodians amounted to \$40,806 and \$42,179 for the years ended December 31, 2021 and 2020, respectively.

Note 6 - Tax Status

The Company adopted the Continental Benefits Group volume submitter plan. Continental Benefits Group received an opinion letter from the Internal Revenue Service that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

L.D. MCCAULEY LLC/MCGARD LLC FUTURE SECURITY SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

December 31, 2021 and 2020

Note 6 - Tax Status, continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The Plan is subject to U.S. Federal income tax examinations by the tax authorities for a period of three years after filing the tax return.

Note 7 - Plan Financial Information Certified by Custodians

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in the accompanying financial statements and supplemental schedules was obtained from the data that has been prepared and certified to as complete and accurate by the Plan's custodians, BOA and Principal.

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Interest bearing cash	\$ 510,614	\$ 512,837
Common collective trust	5,159,468	4,405,322
Mutual funds	51,440,386	44,708,297
General accounts	-	504,431
Participant loans	713,415	713,904
Investment income	2,256,336	1,486,250
Net appreciation (depreciation)	5,770,112	4,201,799

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related amounts included in the financial statements and supplemental schedule.

Note 8 – Guaranteed Investment Contract with Insurance Company

The Plan has a non-benefit-responsive guaranteed investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal balance and a specified interest rate that is guaranteed to the Plan.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

December 31, 2021 and 2020

Note 8 – Guaranteed Investment Contract with Insurance Company, continued

Because the guaranteed investment contract is not benefit-responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract that will be held to maturity. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at fair value, however there is a possible surrender charge when funds are withdrawn prior to their maturity.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$- and \$504,431, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

	<u>2021</u>	<u>2020</u>
Average yields:		
Based on actual earnings	1.16%	1.09%
Based on interest rate credited to participants	1.16%	1.09%

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 10 – Plan Administrator Changes

The Plan changed custodians in the prior year, and both entities certified the investment information for 2021 and 2020. The Plan used Principal during the 2018 Plan year and continues to use their service for guaranteed investment contracts, but changed to BOA on January 31, 2018. Both Principal and BOA certified their respective assets as of December 31, 2021.
