**INDEPENDENT AUDITOR'S REPORT**

To the Trustees of the  
Manhattan Mechanical Services 401(k) Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Manhattan Mechanical Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6, to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2. The financial statements are prepared on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Manhattan Mechanical Services 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Manhattan Mechanical Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Manhattan Mechanical Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year (modified cash basis) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Report on the 2020 Financial Statements**

The financial statements of The Contractors Retirement Plan sponsored by Manhattan Mechanical Services, LLC for the year ended December 31, 2020 were audited by another auditor who performed a limited scope engagement related to the Plan's investments in the contractors retirement plan master trust and expressed a disclaimer of opinion on those statements on October 11, 2021, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## MANHATTAN MECHANICAL SERVICES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Manhattan Mechanical Services 401(k) Plan (Plan) is for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### General

The Plan was originally formed, effective January 1, 2013, restated January 1, 2015 to adopt The Contractors Retirement Plan and was restated June 1, 2021, to change its name subsequent to the adoption of a pre-approved plan by provider Transamerica Retirement Solutions LLC (TA). The Plan is a defined contribution 401(k) plan which contains a cash or deferred arrangement pursuant to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### Participation

Eligible individuals consist of employees rendering services for Manhattan Mechanical Services, Inc., (Plan Sponsor and Employer) on contracts subject to the Davis-Bacon Act, Service Contract Act or other federal, state or municipal prevailing wage laws. Other employees whose services are not subject to such prevailing wage laws may also be included. There is no age or service requirement to participate in the elective deferral or prevailing wage contributions. Participants must complete three months of service to participate in profit sharing and employer matching contributions.

##### Contributions

Participants may elect to defer a portion of their compensation (as defined) up to the dollar amount allowable under the Internal Revenue Code. The Plan Sponsor may make discretionary matching and/or profit-sharing contributions and prevailing wage contributions determined based on rates that satisfy the wage determination issued by the governmental agency responsible for certain contracts. Rollover contributions are also allowed as well as electing to contribute funds to the plan in lieu of receiving a bonus.

##### Participant Accounts

An elective account is established for each participant and credited with the participant's contribution, the employer's contribution for the participant, any rollover contributions of the participant plus the earnings of the participant's elective account.

##### Vesting

Participants are immediately vested in their employee deferral contributions and their share of prevailing wage contributions plus actual earnings thereon. Vesting in contributions made by the employer follow the schedule below:

| <u>Length of Service</u> | <u>Vesting Percentage</u> |
|--------------------------|---------------------------|
| 0 - 1 year               | 0                         |
| 2 years                  | 20                        |

#### NOTE 1. DESCRIPTION OF THE PLAN (Concluded)

##### Investment Options

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

##### Participant Loans

Participants may borrow from their individual contribution accounts subject to minimum and maximum limitations as defined in the Plan. The loans are collateralized by the balance in the participant's account. The principal plus interest, generally at prime, are repaid to the participant's account through payroll deductions, typically between two to five years.

##### Benefit Payments

Participants are eligible for benefit payments upon reaching age 55. Distributions are also done because of death, disability, or termination of employment. Hardship distributions are permitted from the participant's contribution account under certain conditions as defined in the Plan. Benefits can be paid directly to the participant or directly to another qualified plan. Terminated participants can elect to receive a lump-sum payment or purchase a Joint and Survivor or Life Annuity.

##### Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$25,829 and \$0 respectively and are included in investments on the Statement of Net Assets Available for Plan Benefits. Forfeitures from participants' nonvested accounts may be used to reduce future employer contributions, pay plan expenses or be allocated to plan participants. During the years ended December 31, 2021 and 2020, forfeitures used to reduce administrative expenses totaled \$9,720 and \$35,736, respectively, to the prior plan administrator.

##### Plan Termination

The employer has not expressed any intention to do so, but has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their plan sponsor contributions.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Nature of the Business – Plan Sponsor

Manhattan Mechanical Services, Inc. is a mechanical service provider and contractor serving customers in Illinois and Indiana, many of whom are in the petroleum industry.

##### Basis of Accounting

The accompanying financial statements are prepared on the modified cash basis of accounting and thus employer contributions are recognized when received by the plan rather than when accrued by the employer.

##### Plan Assets

Plan assets are controlled by the Plan trustees/custodian and are physically segregated from the assets of the participating employer company.

## MANHATTAN MECHANICAL SERVICES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### (CONTINUED)

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

##### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of the Plan is based on the beginning of year value of the Plan plus contributions received and allocated investment incomes less distributions paid and allocated administrative expenses. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Management fees and expenses charged by investment accounts are deducted from income on the investment and not separately stated. Participant notes receivable are measured at their unpaid principal balance which approximates market value.

##### Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

##### Benefit Payments

Benefits to participants are recorded by the Plan when actual payment is made.

##### Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, benefit payment transactions and other member requested services are charged directly to the participant's account and are included in administrative expenses along with contract asset charges of the various investment funds.

##### Subsequent Events

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 28, 2022, the day the financial statements were issued.

#### NOTE 3. TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of Internal Revenue Code (IRC) and therefore the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision has been made for federal or state income taxes.

Tax benefits are only recognized from uncertain tax positions if it is more likely than not that the tax position will be sustained on examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years ending after December 31, 2018 are still open to examination by taxing authorities.

#### NOTE 4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain employees of Manhattan Mechanical Services serve as fiduciaries to the Plan and do not receive any compensation from the Plan for their service in this capacity.

The Plan's transactions with parties-in-interest during the years ended December 31, 2021 and 2020 were as follows:

#### NOTE 5. INVESTMENT RISKS

The Plan provides for investments in various investment securities, which are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

#### NOTE 6. FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification (FASB ASC Topic 820) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels are described as follows:

Level 1: Observable inputs that reflect unadjusted quoted prices for identical assets or liabilities traded in active markets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs that are generally unobservable. These inputs may be used with internally developed methodologies that result in management's best estimate of fair value.

## NOTES TO FINANCIAL STATEMENTS

### (CONTINUED)

#### NOTE 6. FAIR VALUE MEASUREMENTS (Concluded)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value and is based on the Net Asset Value (NAV). There have been no changes in the methodologies used at December 31, 2021 from the prior year.

**Pooled Separate Accounts (PSA):** These accounts are fully benefit-responsive and valued daily at each fund's underlying mutual funds or securities at Net Asset Value (NAV). The NAV is generally obtained from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary source and is considered a practical expedient method of valuing the accounts. The PSA unit prices are not publically traded but the NAV information used is based on publicly available quoted prices on the underlying investments. Thus these are considered a Level 2 input.

**Stable Value Option:** These investments report fair value at the contract value and are categorized as Level 2, as they are considered a deposit liability with no defined maturities and are considered fully benefit-responsive. Interest is paid on these funds as determined on January 1 and July 1 of each year for the following six months.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| <u>Assets at Fair Value as of December 31, 2021</u> |                     |                                                    |                                                           |                                                      |

## MANHATTAN MECHANICAL SERVICES 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

#### (CONCLUDED)

#### NOTE 7. CORONAVIRUS AID, RELIEF AND ECONOMIC SECURITIES ACT

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by Congress in March, 2020 in response to the COVID-19 pandemic (Note 8). The CARES Act allowed eligible Plan participants to request penalty-free distributions of up to \$100,000, increase the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account and extend the period for loan repayment for up to one year for qualifying reasons associated with the COVID-19 pandemic. As further defined within the CARES Act and among other benefits, it also permitted: i) repayment of such distributions over a three-year period and ii) deferral of 2020 required minimum distributions. The plan adopted the CARES Act relief options in the Plan beginning in April of 2020.

#### NOTE 8. UNCERTAINTIES

During 2020 and 2021, local, U.S. and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating temporary work stoppage in many sectors and imposing limitations on travel and size and duration of group meetings. Most industries experienced disruption to business operations and the impact of reduced consumer spending. There remains uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impact to Manhattan Mechanical Services 401(k) Plan, management believes that a material impact on the Plan's net assets available for benefits and changes in net assets available for benefits is still reasonably possible.

#### NOTE 9. SUBSEQUENT EVENT

Effective January 1, 2022, the plan was amended to reflect that employer matching contributions will be equal to a uniform percentage of each participant's elective deferrals based on the participant's years of service as follows:

| <u>Years of Service</u> | <u>Matching<br/>Percentage</u> |
|-------------------------|--------------------------------|
| Less than 3 years       | 100% of first 2%               |
| 3 years to 4 years      | 100% of first 3%               |
| 5 years to 9 years      | 100% of first 4%               |
| 10 plus years           | 100% up to first 5%            |
