INDEPENDENT AUDITOR'S REPORT

To the Trustees
Whirley Industries, Inc.
TeamMates 401(k) Profit-Sharing Plan
Warren, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan's**, financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for Audit of the Financial Statements section of our report. We are required to be independent of **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or errors. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by PNC Bank, N.A., the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significant of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

Page 7

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the *Whirley Industries, Inc. TeamMates 401(k) Profit-Sharing Plan* (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time and part-time employees of Whirley Industries, Inc., and its related companies, Drink Works Corporation, Easy Go Drinkware, LLC, and Valid Fill, LLC, who have one year of service and are age nineteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Contributions and Participant Accounts

Employees may make contributions of their compensation to the Plan up to the Internal Revenue Code limit (\$19,500 for 2021). Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution; (b) Plan earnings; and (c) administrative expenses. Allocations are based on participants' earnings or account balances, as defined. Employees may elect to contribute up to fifteen percent of their compensation, on a pre-tax basis, into the plan. The Company provides a discretionary matching contribution that matches 50% of the employee's contribution to the Plan, but not exceeding 4% of the employee's compensation. The Company may also make discretionary profit-sharing contributions, which are allocated to participants in accordance with Plan provisions. The Plan allows plan participants to make catch-up elective contributions in a taxable year if the participant will be at least age 50 by the end of that year. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are automatically invested in a designated balanced fund until changed by the participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest income is recorded on the accrual basis. Principal and interest are paid to the participants account through monthly payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting and Withdrawals

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants are 100% vested after six years of credited service. Upon termination of service, a participant may elect to either receive a lump sum amount equal to the value of his account or a joint and survivor benefit for married participants

Forfeitures

Non-vested balances of terminated participants are forfeited and may be used to restore rehired participant accounts as needed, to offset Plan expenses, and to be allocated to participants. Total forfeited nonvested accounts held by the Plan and not yet allocated were \$13,112 and \$5,575 as of December 31, 2021 and 2020, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances, which approximates fair value. As of December 31, 2021 and 2020, no allowance for credit losses has been deemed necessary.

Under Section 2202 of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) enacted on March 27, 2020, participants were permitted an additional year for repayment of loan payments due between March 27, 2020 and December 31, 2020. Any payments after the suspension were adjusted to reflect the delay and any interest accrued during the delay.

Valuation of Investments

Investments are valued at quoted market prices as of the last business day of the reporting period as certified to the plan administrator by the plan trustee. Purchases and sales of securities are recorded as of the trade date.

Unrealized Appreciation or Depreciation of Investments

In accordance with the policy of stating investments at fair value, unrealized appreciation or depreciation on investments held at year end is reflected in the statements of changes in net assets available for plan benefits. Net appreciation (depreciation) includes the Plan's gain and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses relating to the Plan are paid by the Plan Sponsor. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures. Actual results could differ from these estimates

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY CUSTODIAN

The following is a summary of the Plan financial information and data certified by the trustee, PNC Bank, N.A., in accordance with Section 29CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974:

	2021	2020
Investments, at fair value:		
Corporate equities/mutual funds	\$ 43,682,701	\$ 40,078,760
Common / collective trusts	4,132,568	3,987,143
Cash equivalents	--	665,815
Bonds and notes	--	4,101
Notes receivable from participants	583,802	693,835
Total assets	\$ 48,399,071	\$ 45,429,654
Investment income:		
Interest	\$ 29,607	\$ 24,062
Dividends	2,303,679	833,050
Net appreciation in fair value of investments	3,619,425	4,341,566
Total investment income	\$ 5,952,711	\$ 5,198,678

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 6 - TAXABLE STATUS OF PLAN

The Plan Sponsor has adopted a Volume Submitter Profit Sharing 401(k) Plan. The Internal Revenue Service has stated in a letter dated September 21, 2017 that the form of the Volume Submitter Profit Sharing Plan is acceptable under Section 401 of the Internal Revenue Code. While this opinion is not a ruling or determination as to whether the Plan qualifies under Section 401(a), the Plan sponsor may rely on this letter with respect to the qualification of the Plan under that section. The Plan has been amended since receiving the opinion letter. The Plan Administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include the years December 31, 2018 and later.

NOTE 7 - PARTIES-IN-INTEREST

The Plan has notes receivable from plan participants that totaled \$583,802 and \$693,835 at December 31, 2021 and 2020 respectively. These investments and notes are party-in-interest transactions under ERISA.

The Plan paid administrative fees to PNC Bank, N.A. of \$33,803 and \$20,663 during the years ended December 31, 2021 and 2020, respectively. The Plan paid recordkeeping fees to Newport Retirement Services of \$80,005 and \$95,668 during the years ended December 31, 2021 and 2020. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for Plan benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. FASB ASC 820-10-50, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. As presented in the table below, this hierarchy consists of three broad levels. Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets and have the highest priority. Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	2021				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value	
Mutual funds	\$ 43,682,701	\$ --	\$ --	\$	43,682,701
Common / collective trust	--	4,132,568	--	--	4,132,568
Total	\$ 43,682,701	\$ 4,132,568	\$ --	\$	47,815,269

	2020				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value	
Mutual funds	\$ 40,078,760	\$ --	\$ --	\$	40,078,760
Common / collective trust	--	3,987,143	--	--	3,987,143
Cash equivalents	665,815	--	--	--	665,815
Bonds and notes	4,101	--	--	--	4,101
Total	\$ 40,748,676	\$ 3,987,143	\$ --	\$	44,735,819

The common/collective trust consists of the PNC Stable Value Fund. The fair value is determined by the custodian using a market value approach related to the fair value of the underlying securities. The Plan's policy is to recognize transfers into and out of Level 2 as of the date of the event or change in circumstances that cause the transfer.

NOTE 9 - COVID-19 PANDEMIC

In March 2020, the outbreak of COVID-19 (coronavirus) caused by a novel strain of the coronavirus has been recognized as a pandemic by the World Health Organization, and the outbreak has become increasingly widespread in the United States. The COVID-19 outbreak has had a notable impact on general economic conditions, including but not limited to the temporary closures of many businesses, "shelter in place" and other governmental regulations, and reduced consumer spending due to both job losses and other effects attributable to the pandemic.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted in March 2020 in response to the COVID-19 pandemic. The CARES Act contains several provisions that affect employee benefit plans. The Plan implemented for March 27, 2020 to December 31, 2020 one of those provisions that allows participants to take a coronavirus – related distribution of up to \$100,000 (not to exceed the participant's account balance).

NOTE 10 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 23, 2022, which is the date the financial statements were available to be issued.
