INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Sutton Trucking, LLC 401(k) Plan
Wood Village, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sutton Trucking, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sutton Trucking, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sutton Trucking, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sutton Trucking, LLC 401(k) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sutton Trucking, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements Sutton Trucking, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE A - DESCRIPTION OF PLAN

The following description of Sutton Trucking, LLC (Company or Sponsor) 401(k) Plan (formerly Gresham Transfer, Inc 401(k) Salary Savings and Retirement Plan) (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a 401(k) defined contribution plan originally established by the Company effective January 1, 1993, most recently restated September 1, 2019. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor was Gresham Transfer, Inc. until May 1, 2019 when Sutton Trucking, LLC became the Plan Sponsor pursuant to a sale agreement. Effective January 1, 2020, MW Sutton and Camp Trucking became participating employers in the Plan and eligible employees of MW Sutton and Camp Trucking became participants in the Plan. Camp Trucking does not have any eligible employees. See Note L for plan changes subsequent to year end.

Eligibility: An eligible employee is any person employed by the Company excluding employees covered by a collective bargaining agreement, leased employees (included prior to September 1, 2019), non-resident aliens, and part-time/temporary/seasonal employees whose regularly scheduled service is less than 1,000 hours, and residents of Puerto Rico. Employees of the Company are eligible to participate in the Plan on the first day of the month coinciding with the completion of three months of service. In addition, participants must be employed on the last day of the semi-annual allocation dates to receive any profit sharing contributions with exceptions for death, disability and retirement.

Contributions: The Plan is funded by eligible participant elective deferrals up to the maximum amount allowed by law, a fixed rate company match, and discretionary profit sharing contributions. Participants attaining age 50 prior to the end of the calendar year may make "catch-up contributions" in addition to regular salary deferrals. The employer match paid to hourly employees is the sum of 100% of participant's elective deferrals that does not exceed 3% of the participant's compensation paid on a per payroll basis with no true-up required. Salaried employees are excluded from the fixed rate employer match.

The Company may elect to make discretionary profit sharing contributions to the Plan at the option of the Company's board of directors on a semi-annual basis. The Company may make discretionary profit sharing contributions based on a cross tested grouping method. The Company elected to contribute .85% of compensation for hourly employees and 6% of compensation for salaried employees for a portion of the year ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN (Continued)

Participant Accounts: Each participant's account is credited with the participant's contribution, allocation of any Company contributions, Plan earnings (losses) and charged with certain administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as applicable as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting: Participants are immediately 100% vested in their elective deferrals and rollover contributions plus actual earnings thereon. Vesting in employer contributions is based on a four-year vesting schedule, at a rate of 25% per year, in which the participant is 100% vested after four years of service.

Notes Receivable from Participants: Participant may borrow from all vested balances a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. A participant may only initiate one loan per calendar year and may only have one loan outstanding at a time. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within ten years. Under the terms of the Plan agreement, plan loans must bear a rate of interest similar to commercial loans by persons or institutions in the business of lending money in the same geographic area as the employer. Principal and interest are paid through payroll deductions. CARES Act loan provisions applied for 2020.

Retirement: The normal retirement date is the date a participant attains age 65. Early retirement may be taken on the first day of the month after reaching age 55 and attainment of four years of vested service.

Payment of Benefits: Upon termination due to death, disability or retirement, a participant or designated beneficiary may receive the value of the vested interest in his or her account in a lump sum, substantially equal payments, or partial withdrawals as soon as administratively feasible. Required distributions at age 70 ½ or termination distributions may be in lump sum or installments. If, on termination of service, a participant has a vested interest in his account which is \$1,000 or less, he shall automatically receive a lump sum equal to the value of his account without the participant's consent.

**SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE A - DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued): If such balance is less than \$5,000 but greater than \$1,000, a participant may elect to receive lump sum or installments in cash or, it will automatically be rolled over into an IRA established by the Company. In service distributions are allowed from vested accounts at age 59½. Hardship distributions are allowed in accordance with the provisions of the Plan. CARES Act distributions were also allowed for 2020.

Forfeitures: Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and will be first used to pay Plan administrative expenses, with any remaining amount used to reduce Company contributions. The balance of unused non-vested account balances forfeited into the Plan as of December 31, 2021 and 2020, was \$14,352 and \$840, respectively. During 2021, \$12,650 was forfeited from participant accounts and \$13,440 was used to reduce employer contributions and for fees.

Investment Options: Participants direct their contributions and account balances in investment options with Reliance Trust Company/The Standard. The Plan Sponsor periodically reviews the investment fund options available to participants and changes them as warranted. Participants may change their investments at any time.

Plan Expenses: Mutual fund expenses, including any 12(b)(1) revenue sharing fees are deducted from each fund's earnings to arrive at net appreciation or depreciation in fair value of investments as reported in the accompanying statement of changes in net assets available for benefits. Expenses of maintaining the Plan may be paid by the Company or the Plan. Certain Plan administration expenses are paid for directly by the Company and are excluded from these financial statements.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the financial statements and accompanying disclosures. Accordingly, actual results could differ from those estimates.

**SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE B - SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: Investments are reported at fair value, (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines valuation utilizing information provided by investment advisors and custodians. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits: Benefits are recorded when paid.

NOTE C - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in The Standard Stable Asset Fund D, which is a deposit administration contract with Standard Insurance Company (Standard) under a group annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Contract value, as reported to the Plan by The Standard, represents contributions made under each contract, plus interest credited, less participant withdrawals and administrative expenses. Contract value of the Plan's investment in the fund was \$1,531,128 and \$1,402,932 at December 31, 2021 and 2020.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan that is declared quarterly. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate was 1.29% and 1.47% as of December 31, 2021 and 2020, respectfully. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Standard may terminate the contract with 30 days' advance written notice to the contract owner for reasonable cause, which includes the contract owner's failure to abide by state or federal law, failure to maintain assets of at least \$25,000, plan disqualification, and failure to adopt the plan in a reasonable period of time. Upon termination by The Standard, a market value adjustment or other withdrawal restrictions may apply. The plan sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

NOTE D - CERTIFIED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value and contract value of investments, and dividend and interest income for the year ended December 31, 2021 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at the price. The mutual funds held by the Plan are deemed to be actively traded.

**SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE E - FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,966,509	\$ -	\$ -	\$3,966,509
Total investments at fair value	<u>\$ 3,966,509</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$3,966,509</u>

Assets at Fair Value as of December 31, 2020				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,391,571	\$ -	\$ -	\$3,391,571
Total investments at fair value	<u>\$ 3,391,571</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$3,391,571</u>

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the custodian of the plan and The Standard is the administrator of the Plan; therefore, any transactions with Reliance Trust Company or The Standard would qualify as party-in-interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. Certain employees, officers or owners serve as trustees of the Plan. No such officer or employee receives compensation from the Plan.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time by resolution of its Board of Directors subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and non-forfeitable.

NOTE H - TAX STATUS

Effective September 1, 2019, the Company adopted a volume submitter 401(k) profit sharing plan with cash or deferral arrangement, which received a favorable opinion letter from the IRS on March 31, 2014, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("Code").

SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE H - TAX STATUS (Continued)

The Plan has been amended since the date of this determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as foreign currency exchange rate, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. The COVID-19 outbreak has resulted in widespread and continuing impacts on the global economy. Financial and credit markets have experienced and may continue to experience significant volatility and turmoil which may impact the fair values of Plan assets. The extent to which COVID-19 impacts the Plan's financial position and results will depend on future developments, which are highly uncertain and cannot be predicted.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per financial statements	\$ 5,660,922	\$ 4,983,336
Prior deemed distributions for notes receivable from participants	<u>(6,912)</u>	<u>(6,912)</u>
Net assets available for benefits per Form 5500	<u>\$ 5,654,010</u>	<u>\$ 4,976,424</u>

**SUTTON TRUCKING, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

**NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
(Continued)**

Amounts classified as deemed distributions for loans in default are recorded on the Form 5500 but continue to remain on the financial statements as an asset.

The loan remains due and payable, interest still accrues, and the loan may continue to be reported as a plan investment on the financial statements until it is actually repaid, there is a distributable event, the default cured in some other manner, or the loan is considered to be cancelled and therefore is recorded as a distribution.

NOTE K - OPERATIONAL ERRORS AND NONEXEMPT TRANSACTIONS

Employer Matching Contributions and Elective Deferrals

During 2021, for the year ended December 31, 2020, it was discovered that employer matching contributions were stopped for two payroll periods for MW Sutton participants and three payroll period for Sutton Trucking participants. Also, elective deferrals for MW Sutton participants were stopped for two payroll periods. Elective deferrals were not withheld, and the related employer match was not paid. As a result, the Plan Sponsor made QNECs to the affected participant accounts in order to remedy the errors in accordance with the prescribed IRS and DOL methods. \$10,963 including lost earnings will be deposited into the affected participant accounts during 2022.

Late Remittances

As reported on the supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain Plan contributions of \$78,894 were not remitted to the trust within the time frame specified by the Department of Labor’s Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and Company for the years ended December 31, 2021 and 2020. The Company had late contributions of \$29,292 in 2021 and will make contributions for excise tax and to compensate for potential lost earnings resulting from the delay in contributions for the nonexempt transactions during 2022. The Company had late contributions of \$49,602, in 2020 and made contributions in 2021 for excise tax and to compensate for lost earnings resulting from the delay in the contributions for the nonexempt transactions that occurred during the year ended December 31, 2020.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE L - SUBSEQUENT EVENTS

Effective January 1, 2022 the plan was amended as a part of a cycle 3 Plan restatement period and to implement the hardship distribution provisions of the Bipartisan Budget Act of 2018.

Effective July 1, 2022 the plan was amended to change eligible employees by removing the exclusion of salary paid employees for employer matching contributions and to change the allocation conditions to remove the requirement that participants must be employed on semi-annual allocation dates to receive employer non-elective contributions.

Plan management has evaluated subsequent events through September 27, 2022, the date the financial statements were available to be issued.
