Independent Auditors' Report

Plan Administrator and Board of Trustees
Sandstone Healthcare Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sandstone Healthcare Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period from November 1, 2021 (date of inception) through December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the period from November 1, 2021 (date of inception) through December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sandstone Healthcare Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandstone Healthcare Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sandstone Healthcare Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandstone Healthcare Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Sandstone Healthcare Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General:

The Plan is a defined-contribution plan that was adopted on November 1, 2021, covering all full-time employees of Sandstone Healthcare Group, LLC, Sandstone Spring Valley, LLC, and Sandstone of Tucson Rehab Centre, LLC (collectively, the Company) who have attained the age of 21 or older and have completed at least one hour of service. The age and service requirements for salary deferrals were waived for any employee employed on November 1, 2021.

Eligible employees may enter the Plan each year on January 1 and July 1.

Contributions:

Participants may contribute up to 100% of eligible compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. The Plan permits discretionary matching contributions by the Company. For the period from November 1, 2021 (date of inception) through December 31, 2021, the Company contributed 5% of each participant's first 15% of eligible compensation. All participants are eligible for matching contributions.

In addition, the Company may make annual discretionary profit-sharing contributions. Employees must have completed one year of service and be employed on the last day of the year to be eligible for such discretionary profit-sharing contributions. There were no discretionary profit-sharing contributions for the period from November 1, 2021 (date of inception) through December 31, 2021.

Participant accounts:

Each participant directs their individual investments including their share of allocated Company contributions into various investment options offered by the Plan.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of the Plan (continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after two years of credited service and an additional 20% vested after each additional year of credited service.

Participant loans:

Loans are available to Plan participants at Prime (3.25% as of December 31, 2021) plus 1.00% at the time of issuance. The minimum loan is \$1,000 and the maximum amount is equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. All loans must be repaid over a five-year period, unless the loan is for the purchase of a principal residence, for which the term of the loan may be as long as 30 years. Loan defaults are treated as distributions. The loans are secured by the balance in the participant's account. There were no outstanding loans at December 31, 2021.

Payment of benefits:

Upon retirement, death or disability, a participant becomes 100% vested in his or her account. Upon termination of service, a participant is entitled to receive only the vested percentage of his or her account balance. If a participant's vested balance does not exceed \$5,000, then the vested balance may only be distributed in a single lump-sum payment. Any balance that exceeds \$5,000 may be received as a single lump-sum payment or as partial withdrawals. Payments may be received as a cash distribution or rolled directly into an eligible retirement plan as an eligible rollover distribution. There were no benefits paid during the period from November 1, 2021 (date of inception) through December 31, 2021.

Forfeitures:

If a participant terminates employment and is less than 100% vested in the employer account, then the participant will forfeit the nonvested portion of the employer account. Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. There were no forfeitures during the period from November 1, 2021 (date of inception) through December 31, 2021.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Company.

Payment of benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued.

Effective July 1, 2022, Sandstone Estates Rehab Centre, LLC became a participating employer in the Plan. Employees were eligible to participate in the Plan immediately.

3. Cash (prepared and certified by Mid Atlantic Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information related to cash included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2021.

The Trustee certified the value of cash of \$45,539 as of December 31, 2021.

4. Party-in-interest transactions

All of the Plan's investments are cash accounts managed by the Trustee as defined by the Plan and, therefore, the management of these accounts qualifies as party-in-interest transactions.

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their account balances.

6. Tax status

The Plan, a mass-submitter prototype plan, obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (the Code). The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

Independent Auditors' Report

Plan Administrator and Board of Trustees
Sandstone Healthcare Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sandstone Healthcare Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period from November 1, 2021 (date of inception) through December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the period from November 1, 2021 (date of inception) through December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sandstone Healthcare Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandstone Healthcare Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sandstone Healthcare Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sandstone Healthcare Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of Sandstone Healthcare Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General:

The Plan is a defined-contribution plan that was adopted on November 1, 2021, covering all full-time employees of Sandstone Healthcare Group, LLC, Sandstone Spring Valley, LLC, and Sandstone of Tucson Rehab Centre, LLC (collectively, the Company) who have attained the age of 21 or older and have completed at least one hour of service. The age and service requirements for salary deferrals were waived for any employee employed on November 1, 2021.

Eligible employees may enter the Plan each year on January 1 and July 1.

Contributions:

Participants may contribute up to 100% of eligible compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are limited in accordance with Internal Revenue Service (IRS) regulations. The Plan permits discretionary matching contributions by the Company. For the period from November 1, 2021 (date of inception) through December 31, 2021, the Company contributed 5% of each participant's first 15% of eligible compensation. All participants are eligible for matching contributions.

In addition, the Company may make annual discretionary profit-sharing contributions. Employees must have completed one year of service and be employed on the last day of the year to be eligible for such discretionary profit-sharing contributions. There were no discretionary profit-sharing contributions for the period from November 1, 2021 (date of inception) through December 31, 2021.

Participant accounts:

Each participant directs their individual investments including their share of allocated Company contributions into various investment options offered by the Plan.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of the Plan (continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after two years of credited service and an additional 20% vested after each additional year of credited service.

Participant loans:

Loans are available to Plan participants at Prime (3.25% as of December 31, 2021) plus 1.00% at the time of issuance. The minimum loan is \$1,000 and the maximum amount is equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. All loans must be repaid over a five-year period, unless the loan is for the purchase of a principal residence, for which the term of the loan may be as long as 30 years. Loan defaults are treated as distributions. The loans are secured by the balance in the participant's account. There were no outstanding loans at December 31, 2021.

Payment of benefits:

Upon retirement, death or disability, a participant becomes 100% vested in his or her account. Upon termination of service, a participant is entitled to receive only the vested percentage of his or her account balance. If a participant's vested balance does not exceed \$5,000, then the vested balance may only be distributed in a single lump-sum payment. Any balance that exceeds \$5,000 may be received as a single lump-sum payment or as partial withdrawals. Payments may be received as a cash distribution or rolled directly into an eligible retirement plan as an eligible rollover distribution. There were no benefits paid during the period from November 1, 2021 (date of inception) through December 31, 2021.

Forfeitures:

If a participant terminates employment and is less than 100% vested in the employer account, then the participant will forfeit the nonvested portion of the employer account. Forfeitures are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the Plan. There were no forfeitures during the period from November 1, 2021 (date of inception) through December 31, 2021.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies

Basis of accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions:

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

Administrative expenses:

All administrative costs, charges and expenses are paid by the Plan to the extent not paid by the Company.

Payment of benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the end of the Plan year and the reported amounts of changes in net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

SANDSTONE HEALTHCARE GROUP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of significant accounting policies (continued)

Subsequent events:

The Plan Administrator has reviewed and evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued.

Effective July 1, 2022, Sandstone Estates Rehab Centre, LLC became a participating employer in the Plan. Employees were eligible to participate in the Plan immediately.

3. Cash (prepared and certified by Mid Atlantic Trust Company (the Trustee))

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information related to cash included in these financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to as complete and accurate by the Trustee as of December 31, 2021.

The Trustee certified the value of cash of \$45,539 as of December 31, 2021.

4. Party-in-interest transactions

All of the Plan's investments are cash accounts managed by the Trustee as defined by the Plan and, therefore, the management of these accounts qualifies as party-in-interest transactions.

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in all of their account balances.

6. Tax status

The Plan, a mass-submitter prototype plan, obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (the Code). The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.
