INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Urth Caffe 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Urth Caffe 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2021, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the 2021 Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the 2021 Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the 2021 Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated July 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(1) Plan Description

The following brief description of the Urth Caffe 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was established effective August 1, 2012 by Urth Caffe Corporation ("Plan Administrator" or "Company"). The Company is responsible for the day-to-day administration and operation of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is designed to qualify under Section 401(k) of the Internal Revenue Code (the "Code"). The Company has contracted with Ascensus, and its subsidiary, Ascensus Trust Company, to act as the record-keeper and trustee, respectively. Ascensus Trust Company holds and distributes the funds of the Plan in accordance with the Plan's provisions and instructions of the participants and the Plan Administrator.

Contributions

Employees of the Company are eligible to participate in the Plan after attaining the age of 18 and may begin contributing after completing one year of service to satisfy the eligibility requirements. Participants may elect to contribute to the Plan, through traditional pre-tax or after-tax Roth deferrals, part of their annual eligible compensation, up to the annual maximum allowed under the Code, which changes each year. The maximum contribution amount was $19,500 for the year ended December 31, 2021. All employees who were eligible to make deferrals under the Plan and had attained age 50 before the close of the Plan year were eligible to make catch-up contributions in accordance with, and subject to, the limitations of the Code. Participants may rollover into the Plan amounts representing distributions from other qualified plans.

The Plan is currently designed as a safe harbor plan, whereby the Company makes matching contributions for participants. The safe harbor matching contributions are equal to 100% of salary deferrals that do not exceed 3% of compensation plus 50% of salary deferrals between 3% and 5% of a participant's annual eligible compensation. No other matching or profit sharing contributions are permitted under the Plan's provisions.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company's matching contributions, and investment earnings and charged with an allocation of expenses and investment losses. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement.

(1) Plan Description (continued)

Vesting

Eligible participants are immediately 100% vested with respect to their voluntary contributions plus actual earnings thereon as well as in any safe harbor matching contributions made by the Company.

Investment Options

Participants direct the investment of their contributions and Company matching contributions into the diverse investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts. Such borrowings and repayments are treated as transfers from and to, respectively, the participant's investment funds. Borrowings are secured by the participant's vested account balance and bear interest at a rate commensurate with local prevailing rates. Borrowings must be at least $1,000 and are limited to the lesser of $50,000, reduced by the highest outstanding loan balance during the preceding 12 months on the date the new loan is made, or 50% of the participant's vested account balance. Borrowings shall be repaid within five years, unless it is used for the purchase of a primary residence. Participants are not permitted to take loans from Roth deferrals in their account.

Notes receivable from participants are payable through biweekly payroll deductions in installments of principal plus interest.

Payment of Benefits

Upon termination of service due to death, retirement, disability or other, each participant or the participant's beneficiaries may receive all or a portion, as elected, of the vested interest in the participant's account in a lump sum payment or roll over his or her account balance into another qualified plan. In-service account withdrawals are permitted for participants who suffer certain financial hardships and meet criteria established by the Internal Revenue Service ("IRS"). Only participant contributions and rollovers are eligible for hardship withdrawals. Employer matching amounts are not eligible for these withdrawals. In-service account withdrawals are also permitted for participants with 100% vested account balances upon the attainment of age 59½ or disability. Any withdrawals by participants prior to terminating employment with the Company and prior to age 59½, which are not rolled over into another qualified plan, are subject to ordinary personal income taxes and penalty.

Administrative Expenses

A portion of administrative fees and all audit fees are paid by the Company.

(1) Plan Description (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions set forth by ERISA.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

In preparing financial statements in conformity with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income

The Plan's investments are stated at fair value. The Plan's investments are governed by a trust agreement with the trustee. Investments in mutual funds are valued daily at quoted market prices and investments in common/collective trust are valued at the net unit value determined by the related fund manager. Investment income consists of interest and dividends earned and realized and unrealized gains or losses in the fair value of investments, less investment expenses. Investment income is allocated to participants' accounts based on their respective interest in the Plan's assets on the date it is earned. Purchases and sales of securities are reflected on the settlement date. Dividends are recorded on the ex–dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are recorded as distributions based on the terms of the Plan Agreement.

(2) Summary of Significant Accounting Policies (continued)

Payment of Benefits

In accordance with ERISA reporting requirements, benefit payments due to participants who have elected to withdraw from the Plan are recorded when paid.

Subsequent Events

The Plan Administrator evaluated subsequent events through September 22, 2022, the date the financial statements were available to be issued.

(3) Investments

In accordance with GAAP, the Plan uses a hierarchy for measuring the fair value of all financial assets and liabilities that are being measured and reported at fair value on a recurring and non-recurring basis. Fair value is measured in levels, which are described in more detail below, and are determined based on the observability and reliability of the assumptions used to determine fair value.

Level 1: Valuation for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2: Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or comparable assets or liabilities.

Level 3: Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models, and similar techniques, and not based on market exchange, dealer or broker traded transactions. These valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

> *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open–end funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within the Level 1 of the valuation hierarchy.

(3) Investments (continued)

Common/collective trust: Valued at the net unit value ("NUV") of units held by the Plan at year–end based on information reported in the common/collective trust's audited financial statements at year–end. The NUV is determined by the total contract value of fund assets divided by the total number of units of the fund owned. The Plan uses a practical expedient permitting a reporting entity to measure the fair value of certain investments using the NUV per share of the investment rather than one of the three fair value levels previously described. The Plan's investment in the contracts held by the common/collective trust is indirect, and as a result, is not considered fully benefit- responsive.

Management may also be required, from time to time, to measure certain other financial assets at fair value on a non–recurring basis. During the years ended December 31, 2021 and 2020, no other financial assets were measured at fair value on a non–recurring basis.

The following tables show the balances of these assets based on their GAAP designated levels:

	For the Year Ended December 31, 2021			
	Level 1	Level 2	Level 3	Totals
Mutual funds	$ 1,758,969	$ -	$ -	$ 1,758,969

Totals	$ 1,624,275	$ -	$ -	$ 1,624,275
Common/collective trusts				8,148
Total investments at fair value				$ 1,632,423

See accompanying independent auditors' report.

(4) Investments and Information Certified by Ascensus Trust Company

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information certified as complete and accurate by Ascensus Trust Company, the trustee, except for comparing such information certified by the trustee to the information included in the Plan's financial statements and supplemental schedule.

(5) Risks and Uncertainties

The Plan is exposed to market and credit risk due to the various investment securities that may be selected by the participant in any combination. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

The Plan is required to be covered by a fidelity bond in an amount that is at least equal to the lesser of ten percent of the funds handled or $500,000. The Plan's bond amount for the year ended December 31, 2021 totaled $150,000 and therefore this requirement was not met. In February 2022, the Plan entered into a new fidelity bond for $200,000, which still may not be sufficient to cover the required level of coverage based on increasing net assets.

(6) Tax Status

The Plan was established under a prototype standardized profit sharing plan submitted by Ascensus, dated July 10, 2012. The IRS has determined and notified Ascensus, by a letter dated March 31, 2008 that the form of the prototype plan is acceptable under section 401 of the Code for use by employers for the benefit of their employees; therefore, exempt from Federal income taxes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Accordingly, no provision for income taxes is included in the accompanying financial statements.

(6) Tax Status (continued)

GAAP requires management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merit, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

(7) Party-in-interest

The Plan Administrator performs administrative functions at no cost. These are considered permitted party-in-interest transactions. Notes receivables from participants held by the Plan also reflect party-in-interest transactions.
