INDEPENDENT AUDITOR'S REPORT

To the Trustees and Administrative Committee
JEM Restaurant Management Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of JEM Restaurant Management Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of JEM Restaurant Management Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JEM Restaurant Management Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JEM Restaurant Management Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JEM Restaurant Management Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JEM Restaurant Management Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of JEM Restaurant Management Corporation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**JEM RESTAURANT MANAGEMENT CORPORATION
401(k) PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 - Description of Plan:

General

The JEM Restaurant Management Corporation 401(k) Plan covers all qualified employees of JEM Restaurant Management Corporation; Desmond Family Limited Partnership; Wendy's of Fresno, Inc.; Wendy's of Santa Clara, Inc.; Peninsula Foods, L.P.; JEM Farms, L.P.; and Desmond Foods, L.P. (collectively referred to as "the Company"). Qualified employees include employees who work over 1,000 hours per year, are twenty-one years of age or older, and have completed one year of service. The Plan does not cover union employees who are covered separately by a collective bargaining agreement.

Effective January 1, 2020, the plan was amended to meet the requirements for a safe harbor plan. Effective January 1, 1999, a 401(k) feature was added to the Plan. At that time, the Plan name was changed from JEM Restaurant Management Corporation Profit Sharing Plan to JEM Restaurant Management Corporation 401(k) Plan.

The Plan is subject to the provisions of Sections 401(a) and 501(a) of the Internal Revenue Code of 1954, the Employee Retirement Income Security Act of 1974, the Tax Equity and Fiscal Responsibility Act of 1982, the 1986 Tax Reform Act, the Omnibus Reconciliation Acts of 1987 and 1988 and the Pension Protection Act of 2006.

Contributions

For each year the Company participates in The Plan, the Company may, from its net profits or accumulated net profits, make a contribution of such amount as determined in accordance with a resolution of the Board of Directors. The amount of contribution may not obligate the Company to contribute, for any year, any sums which are estimated to be in excess of the amount which the Company would be permitted to deduct on its Federal income tax return for such year. In no event shall the annual addition to the account of each participant with respect to any given plan year exceed the lesser of \$58,000 or 100% of each participant's compensation during such year. The \$58,000 limitation shall be adjusted pursuant to Section 415(d) of the Internal Revenue Code as of January 1, of each year.

Participant accounts

Participant accounts may be credited with contributions to the plan, such as a profit sharing contribution, a matching contribution, or a safe harbor contribution. The Company elected to provide a safe harbor contribution based on employee deferrals up to 4% of compensation, and plan earnings. No discretionary employer contribution was allocated to participants at December 31, 2021 and 2020. Participants may contribute to their own accounts.

Vesting

Participants are 100% vested in all of their plan accounts at all times.

Investing options

Upon enrollment in the Plan, 401(k) participants may direct their contributions in various funds they choose through Transamerica Retirement Solutions, LLC and may change their investment options at any time.

Payment of benefits

Upon retirement or permanent disability, the participant shall receive his vested portion of the account by payment in a lump sum or installments for a specified time.

Termination of Plan

The Company shall have the right to amend the Plan by resolution of the Board of Directors and to amend or cancel any amendments, provided that no amendment shall attempt to cause any of the assets of the Plan to be used for or diverted to purposes other than for the exclusive benefit of participants or their beneficiaries.

(continued)

In the event the Company elects to terminate the Plan or ceases or discontinues operation of its business, the entire interest of the participants shall continue to be 100% vested.

Concentration of risk

The Financial Accounting Standards Board requires disclosure in the financial statements relating to concentrations of risk and financial instruments with off-balance-sheet risk. Financial instruments that potentially subject the Plan to concentrations of risk consist principally of marketable securities and investments which are subject to market value fluctuations.

NOTE 2 - Summary of significant accounting policies:

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and changes in those net assets at current values. The difference between the current value and the cost of the investments is reflected in the statement of changes in net assets available for plan benefits as appreciation (depreciation) in fair value of investments.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan trustees to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Federal income taxes

The Internal Revenue Service (IRS) has determined and informed the Company by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and related trust is tax-exempt.

JEM Restaurant Management Corporation 401(k) Plan files an annual information return (Form 5500) with the Internal Revenue Service under the tax exempt status allowed under the provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no significant uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to December 31, 2018.

Information certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified that the following data relating to investments held by Transamerica Retirement Solutions, LLC included in the accompanying financial statements is complete and accurate: (a) investments as shown in the statements of net assets available for plan benefits as of December 31, 2021 and 2020, and (b) investment income (loss) as shown in the statement of changes in net assets available for plan benefits for the years ended December 31, 2021 and 2020. The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

Fair value of financial instruments

Unless otherwise indicated, the fair value of all reported assets and liabilities that represent financial instruments (none of which are held for trading purposes) approximates the carrying value of such amounts.

(continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Related party transactions

Certain Plan investments are shares of mutual funds managed by Transamerica Retirement Solutions, LLC. Transamerica Retirement Solutions, LLC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$43,507 and \$30,271 for the years ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order to conform to the current year presentation.

Operating and administrative expenses

With the exception of the third party administrator fees and Transamerica Retirement Solutions, LLC administration fees, which are paid through the Plan, operating and administrative expenses of the Plan were absorbed by the Company during the years ended December 31, 2021 and 2020.

Subsequent events

Management has evaluated subsequent events through September 28, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - Earmarked assets:

Earmarked assets are individual contributions made by participants benefiting their individual accounts invested outside of Transamerica Retirement Solutions, LLC. Net earmarked assets available for plan benefits at December 31, 2021 and 2020, are as follows:

	2021	2020
Securities and investments	\$ 4,893	\$ 4,024
Net earmarked assets available for plan benefits	<u>\$ 4,893</u>	<u>\$ 4,024</u>

Related amounts of increases and decreases from earmarked assets at December 31, 2021 and 2020, are as follows:

	2021	2020
Increases	\$ 869	\$ -
Decreases	-	(1,681)
Net increase (decrease)	<u>\$ 869</u>	<u>\$ (1,681)</u>

NOTE 4 – Fair value measurements

Certain Plan investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

With respect to the 401(k) investments, the Plan Administrator has obtained certification from Reliance Trust Company, that the Transamerica Retirement Solutions, LLC information summarized below is complete and accurate. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Shares	2021		
		Assets at Fair Value as of December 31

		<u>\$ 5,312,197</u>	<u>\$ -</u>	<u>\$ 5,312,197</u>

(continued)

Net appreciation in the fair value of marketable equity securities and mutual funds at December 31, 2021 and 2020, consists of the following:

	2021	2020
Net appreciation on participant directed securities	\$ 727,005	\$ 657,785
Net appreciation (depreciation) on earmarked securities	869	(1,681)
	<u>\$ 727,874</u>	<u>\$ 656,104</u>

NOTE 5 - Non-participant directed and non-earmarked investments:

Information about the net assets and the significant components of the changes in net assets relating to the non-participant directed investments is as follows:

	2021	2020
Net assets:		
Stocks on hand	<u>\$ 3</u>	<u>\$ 3</u>

NOTE 6 – Guaranteed investment contract

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Retirement Solutions, LLC. Transamerica Retirement Solutions, LLC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value as reported by the Plan by Transamerica Retirement Solutions, LLC, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$12,468 and \$4,198, respectively, and is considered Level 2. The average yield and crediting interest rates were approximately .75% and .83% for the years ended December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula taking into consideration a number of factors.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 7 - Allocation of assets:

Net assets available for benefits in the amounts of \$676,838 and \$516,317 have been allocated to the accounts of employees who have withdrawn from the plan as of December 31, 2021 and 2020, respectively.
