Independent Auditors' Report

The Plan Administrator
SaVida 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the SaVida 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on 2020 Compiled Statement of Net Assets Available for Benefits

Plan management is responsible for the accompanying statement of net assets available for benefits of the SaVIDA 401(k) Plan as of December 31, 2020. We have performed a compilation engagement in accordance with Statements of Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2020 financial statement.

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

(1) Description of plan

The following description of the SaVida 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan maintained under Section 401(k) of the Internal Revenue Code and covers substantially all employees of SaVida Holdings, LLC (the "Plan Sponsor") who are age twenty-one or older and have completed at least 600 hours of service within six consecutive months of service, or 1,000 hours of service within a twelve month period ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 100% of compensation, subject to certain IRC limits.

The Plan Sponsor makes safe harbor matching contributions equal to 100% of each participant's contributions up to 3% of compensation, and 50% of each participant's contributions exceeding 3% up to 5% of compensation.

The Plan also provides that the Plan Sponsor may contribute each year an additional discretionary profit sharing contribution as authorized by the Plan Sponsor's board of directors; however, an annual contribution by the Plan Sponsor is not required. During 2021, no profit sharing contributions were made to the Plan.

The Plan Sponsor may decide to make discretionary matching contributions to the Plan each year equal to an amount determined by the Plan Sponsor's board of directors. The discretionary matching contribution is allocated to participants using a pro rata formula. Under this formula, the matching contribution is divided among all eligible plan participants based on the participant's percentage of contributions compared to total participant contributions. The Plan Sponsor did not make a discretionary matching contribution for the year ended December 31, 2021.

Plan Sponsor and participant contributions may not exceed the maximum amount deductible for federal income tax purposes.

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

(c) Participant accounts

Each participant's account is credited or charged with the participant's contributions, Plan Sponsor matching contributions, allocations of Plan Sponsor profit sharing and discretionary matching contributions, investment earnings or losses, and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

(d) Vesting

Participants are immediately vested in their elective salary deferral contributions and Plan Sponsor safe harbor matching contributions plus actual earnings or losses thereon. Vesting in the Plan Sponsor's discretionary contributions, for both matching and profit sharing contributions, is based on years of continuous credited service (20% after two years and then 20% annually thereafter). Participants are 100% vested after six years of credited service with at least 1,000 hours of service during each Plan year.

(e) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor discretionary contribution portion of their accounts. Such forfeitures are utilized to reduce Plan expenses or reduce the Plan Sponsor's contributions to the Plan. There were no forfeitures generated as a result of participant activity during 2021.

(f) Payment of benefits

On termination of service due to death, permanent disability or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account as a lump-sum distribution.

In the event of a termination of a participant with a vested balance greater than \$1,000 but not exceeding \$5,000, and absent an election by the participant, the Plan will pay the distribution as a direct rollover to an individual retirement account designated by the Plan Sponsor. If the participant's vested account balance is less than \$1,000, the account is distributed to the participant as a lump-sum distribution.

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

(g) Hardship withdrawals

The Plan permits distributions in the event of a financial hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½, unless certain exceptions apply. Hardship withdrawals are limited to the participant's elective account balance.

(h) Administrative expenses

All administrative expenses may be paid out of the Plan unless paid by the Plan Sponsor. Certain fees incurred by the Plan for investment management services are included in net appreciation in the fair value of investments. There were no administrative expenses paid out of the Plan during 2021.

(i) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value as reported by Ascensus Trust Company ("Ascensus"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits are recorded when paid.

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 31, 2021 and September 2, 2022, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments reported and disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments as of December 31, 2021, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2021 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets in the fair value hierarchy tables. There have been no changes in the methodology used at December 31, 2021 and 2020.

- (i) *Money market and mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end based on quoted prices in an active market.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of a different methodology or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Fair Value Measurements as of December 31, 2021 using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 131,179	\$ -	\$ -	\$ 131,179
Mutual funds	<u>2,417,948</u>	<u>-</u>	<u>-</u>	<u>2,417,948</u>
Investments at fair value	<u>\$ 2,549,127</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,549,127</u>

Fair Value Measurements as of December 31, 2020 (Unaudited) using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 79,069	\$ -	\$ -	\$ 79,069

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

(5) Income tax status

The Plan Sponsor adopted a prototype non-standardized profit sharing plan, which received a favorable opinion letter from the IRS on January 1, 2018, which stated that the prototype plan was designed in accordance with the applicable sections of the IRC ("Internal Revenue Code"). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Related party and party-in-interest transactions

As described in Note 1, the Plan paid expenses to various service providers which qualify as party-in-interest transactions under ERISA.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>

SAVIDA 401(K) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020 (Unaudited)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Change in net assets available for benefits per the financial statements	\$ 811,501
Change in Plan Sponsor contributions receivable	(11,754)
Change in participant contributions receivable	13,132
Change in deemed distributions of participant notes receivable	<u>3,148</u>
Change in net assets available for benefits per the Form 5500	\$ <u>816,027</u>

(8) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
