## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Mountville Mills, Inc. 401(k) Profit Sharing Plan  
1729 South Davis Road  
LaGrange, GA 30241

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Mountville Mills, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mountville Mills, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mountville Mills, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mountville Mills, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mountville Mills 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of Mountville Mills, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Yours truly,

401(k) Profit Sharing Plan  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and December 31, 2020

NOTE A – DESCRIPTION OF PLAN

The following description of Mountville Mills, Inc. (“Company”) 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General.* The Plan is a defined contribution profit sharing plan covering all eligible full-time employees of the Company who have completed three months of service. Eligibility for profit sharing begins after one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions.* Participants may contribute, after three months of service, the maximum deferral amount under provisions of Section 402(g) of the U.S. Internal Revenue Code as annually indexed by the U.S. Internal Service (for periods ended 2021 and 2020, the limit was \$19,500). Participants may also contribute amounts representing distributions from other qualified plans. The Company may make an annual discretionary contribution to the Profit Sharing Plan on behalf of all eligible participants. To be eligible, a participant must be actively employed on the last day of the Plan year. The allocation of discretionary profit sharing is based on participant compensation level. Plan participants are also eligible for safe harbor matching contributions after one year of service. The Company matches the employee contributions dollar for dollar up to 4% of the participant’s earnings. Participants may also contribute amounts representing rollovers for other qualified plans.

Participating employees age 50 and above may elect to make “Catch Up” contributions to the Plan above the Plan’s maximum. The maximum additional Catch Up contribution was \$6,500 in 2021 and 2020.

*Investments.* Participants direct the investment of their contributions and any Company matching contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and a stable value fund as investment options for participants.

*Participant Accounts.* Each participant’s account is credited with the participant’s contribution along with the allocation of (a) the Company’s contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The accounts are participant-directed.

*Vesting.* Participants are immediately vested in their voluntary contributions and the Company’s safe harbor match plus actual earnings thereon. Vesting in the Company’s profit sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service.

*Payments of Benefits.* On termination of service, if a participant’s vested benefit in the Plan exceeds \$5,000, a participant may elect to receive either a lump sum payment equal to the value of his or her account, or equal installment payments over a specified number of years not to exceed their life expectancy (or participant’s and participant’s beneficiary’s life expectancies). If the participant’s vested benefit in the Plan does not exceed \$5,000, the benefit is distributed in a single lump-sum payment.

*Forfeitures.* Participants who leave the Plan may forfeit certain amounts. Forfeitures are used by the plan to reduce future employer contributions. Unapplied forfeitures totaled \$297,910 and \$68,565 at December 31, 2021 and 2020, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting.* The financial statements of the Plan are prepared on the accrual method of accounting generally accepted in the United States of America.

*Investment Valuation and Income Recognition.* Investments in pooled separate accounts are valued based on the net asset value of underlying mutual funds or securities. Investments in stable value funds are measured at contract value, which equals the value of deposits made to the contract plus earnings at guaranteed crediting rates, less withdrawals and fees.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation/(depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation/(depreciation) on those investments.

*Payment of Benefits.* Benefit payments to participants are recorded upon distribution.

*Use of Estimates.* The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the period. Accordingly, actual results may differ from those estimates.

*Administrative Expenses.* Under the Plan's contract entered into with Transamerica, contract asset charges are assessed each month based on the actual combined balance of all separate accounts in the Stable Value fund. These charges and any fees associated with withdrawals are presented as administrative expenses in the statement of changes in net assets. All other fees are paid by the Company.

*New Accounting Pronouncements.* The Plan has adopted Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, as amended which prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Security Act of 1974 and changes the form and content of the related auditor's report. The new reporting standard is effective for periods ending on or after December 15, 2021.

NOTE C – FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal market for the asset or liability in an orderly transaction between market participants on the measurement date. U.S. GAAP establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. U.S. GAAP prescribes three levels of inputs that may be used to measure fair value:

- Level 1      Inputs to the valuation methodology are unadjusted quoted prices of identical assets or liabilities in active markets that the Plan has the ability to access.

Mountville Mills, Inc.  
401(k) Profit Sharing Plan  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and December 31, 2020

---

- Level 2 Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Refer to Note B for the valuation methods used to fair value Plan assets.

The following table provides information by level for assets that are measured at fair value on a recurring basis:

|                                        |                      | Fair Value Measurements<br>Using Inputs Considered as |                  |                  |

| Pooled Separate Account <sup>(a)</sup> | <u>\$ 31,809,336</u> |                                                       |                  |                  |
| <u>December 31, 2020</u>               |                      |                                                       |                  |                  |
| Pooled Separate Account <sup>(a)</sup> | <u>\$ 23,312,514</u> |                                                       |                  |                  |

<sup>(a)</sup> In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or it's equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

For funds recorded at their NAV (or its equivalent), the NAV reported by the underlying fund approximates the fair value of the investment and these investments are redeemable with the fund at NAV. Plan participant transactions of investments or withdrawals may occur on a daily basis and there are no redemption restrictions on these funds. There are no unfunded commitments at December 31, 2021 or 2020.

#### NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE

The Plan has a Stable Value Fund that a fully benefit-responsive investment and is a non-tradable obligation of Transamerica Financial Life Insurance Company. The investment's contract or proceeds cannot nor will not be assigned or sold to another party without the consent of Transamerica.

The repayment of principal and interest credited to participants holding this investment is a financial obligation of Transamerica. However, if an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable – for example, a significant decline in

Mountville Mills, Inc.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and December 31, 2020

---

creditworthiness of Transamerica, the Stable Value Option investment choice may no longer be considered fully benefit-responsive.

The terms of Transamerica's Group Annuity Contract require all permitted participant-initiated transactions involving the investment to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those allowed by the underlying defined contribution plan such as withdrawals for benefits, loans or transfer to other investment choices within the Plan.

Since the Stable Value Option investment choice is an obligation of Transamerica, the occurrence of an event that limits the ability of the investment to transact at contract value between Transamerica and a participant holding the investment is not probable. The Stable Value Option investment choice allows a participant reasonable access to their assets. The redemption frequency is daily. There are no unfunded commitments.

Prior to January 1 and July 1 the effective annual rate of interest is established for the corresponding six month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six month period. The average yield earned was .75% for the year ended December 31, 2021.

#### NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts and a guaranteed investment contract managed by Transamerica. Therefore, these transactions qualify as party-in-interest transactions.

#### NOTE F – INFORMATION CERTIFIED

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

|                   | <u>2021</u>   | <u>2020</u>   |
|-------------------|---------------|---------------|
| Investments       | \$ 36,449,207 | \$ 33,764,153 |
| Investment Income | 4,121,350     |               |

#### NOTE G - TAX STATUS

The volume submitter plan has received a favorable opinion letter dated February 1, 2018 stating that the form of the plan is acceptable under section 401 of the Internal Revenue Code. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by the appropriate regulatory authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J – SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through September 20, 2022, the date the financial statements were available to be issued.

On August 1, 2022, all plan assets were liquidated and transferred from Transamerica Retirement Solutions, LLC to Vanguard Retirement Plan Access. Ascensus Trust Company has been appointed as the successor trustee of the Plan.

Effective January 1, 2021, the Plan was amended and restated for Cycle 3 restatement. This restatement brings the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37, the 6-year pre-approved plan restatement cycle. The amended plan changes some of the hardship distribution provisions. A plan participant will be required to certify that they have insufficient cash available to meet their financial hardship. A participant will not be suspended from making contributions to the Plan after receiving a hardship distribution. The Plan has expanded the list of expenses that qualify for a hardship distribution.
